Whereas, the owner of the following described land, situated in the City and County of San Francisco, State of California, and sought to be acquired by said City and County for the extension of Elk street, has offered to convey the property desired by said City and County of San Francisco for the sum set forth opposite its name, viz.:

Crocker Estate Co., $2,400—Commencing at the angle point formed by the intersection of the westerly line of Elk street with the southwesterly line of Chenery street, and thence running along the following described courses and distances:

Southeasterly along the southwesterly line of Chenery street 59.263 feet; southwesterly along the arc of a curve to the right, tangent to a line deflected 76 deg. 28 min. 57 sec. to the right from the last described course, radius 743.777 feet, central angle 17 deg. 9 min. 37 sec., a distance of 222.764 feet; southwesterly tangent to the last described curve 4.19 feet to the northeasterly corner of Lot 16, Block Q as recorded in Map Book G, pages 80 and 81, records of the

City and County of San Francisco; northwesterly along the northerly boundary of Lots 16, 17, 18 and 19 of Block Q, as recorded in Map Book G, pages 80 and 81, records of the City and County of San Francisco, to the easterly boundary of Glen Park Playground; thence along the easterly boundary of Glen Park Playground the following courses and distances:

Northeasterly on a line at right angles to the last described course 2.97 feet; northerly on a line deflecting 20 deg. 28 min. 34 sec. to the left 44.87 feet; northeasterly on a line deflecting 12 deg. 57 min. to the right 90.80 feet; northeasterly on a line deflecting 21 deg. 38 min. to the right 112.649 feet to an intersection with the westerly line of Elk street; thence southerly along said westerly line of Elk street 25.642 feet to the point of commencement.

Whereas, said Crocker Estate Company will sell and convey said parcel or piece of land to the City and County of San Francisco for the sum of two thousand four hundred and 00/100 dollars ($2,400.00), and for the further consideration and upon the condition that the City and County of San Francisco will agree that the remaining property of the Crocker Estate Company lying between Bosworth street and Chenery street and to the west of Burnside avenue, including Block Q, as recorded in Map Book G, pages 80 and 81, records of the City and County of San Francisco, will not be assessed for the improvement of Elk street, as extended from Chenery street to Bosworth street;

Whereas, the City Attorney has recommended the acceptance of the said offer and the acquisition of the property owned by said company and offered to the City and County of San Francisco for the sum set forth, which said price is in accordance with the City's appraisement of the property; now, therefore, be it

Resolved, That the said offer of sale be accepted upon the conditions and terms above set forth and the City Attorney is hereby authorized and directed to examine the title of said property, and if the same is found in satisfactory condition, to accept in behalf of the City and County of San Francisco a deed conveying title thereto, and file the same for record with a copy of this resolution attached thereto, as evidence of acceptance by the City and County of San Francisco, upon payment of the agreed purchase price.

Through Bus Service Between San Francisco and Carl Inn Recommended Favorably to the Railroad Commission.

Supervisor Shannon presented:

Resolution No. 25438 (New Series), as follows:

Whereas, there is an established motor bus service operating stage lines between San Francisco and Stockton, and also between Stockton and Carl Inn, and an application has been filed with the Railroad Commission, State of California, for a consoldiation of service between San Francisco and Carl Inn and other points; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco recommends to the Railroad Commission of the State of California favorable consideration of such through service, believing that such consolidation in operation will obviate trouble and inconvenience of exchange of passengers and baggage as now exists and will be a public convenience to employees on the Hetch Hetchy project and will also be an added convenience to people who desire to visit the Sierra region for pleasure and recreation. The operation of such through service will make possible a reduction of transportation rates.

Passed for Printing.

Whereupon, the following bill was *passed for printing*:

Bill No. 7541, Ordinance No. —— (New Series), as follows:

Amending Ordinance No. 5464 (New Series), entitled "Regulating and establishing the location of trades, industries and the location of buildings for specific uses and establishing the boundaries for said purposes and providing penalties for the violation of its provisions."

Be it ordained by the People of the City and County of San Francisco, as follows:

Section 1. Section 5 of the Use of Property Zone Map, constituting a part of said ordinance, is hereby ordered changed so as to place both sides of Judah street between Twenty-fifth avenue and Forty-fifth avenue, and extending to the depth of the rear lot lines, in the Commercial District instead of the Second Residential District.

Accepting Offer of Muriel T. Girtaner to Sell Land Required for School Purposes.

Supervisor Powers presented:

Resolution No. 25449 (New Series), as follows:

Whereas, an offer has been received from Muriel T. Girtaner to convey to the City and County of San Francisco certain land situate on the west line of Twenty-third avenue, 150 feet south from Quintara street and 225 feet north from Rivera street, required for school purposes; and

Whereas, the price at which parcels of land are offered is the reasonable value thereof; therefore, be it

Resolved, That the offer of the said owner to convey to the City and County of San Francisco a good and sufficient fee simple title to the following described land, free of all encumbrances, for the sum of $2,700, be and the same is hereby accepted, the said land being described as follows, to-wit:

Commencing at a point on the westerly line of Twenty-third avenue, distant thereon 150 feet southerly from the southerly line of Quintara street, running thence southerly along said westerly line of Twenty-third avenue 50 feet; thence at a right angle westerly 120 feet; thence at a right angle northerly 50 feet; thence at a right angle easterly 120 feet to the westerly line of Twenty-third avenue and point of commencement. Application of Construction Company of North America for Bay Bridge Franchise.

The following matter was presented and hearing *continued until April 26, 1926, at 3 p. m.*:

Application of the Construction Company of North America for authority and right to construct, maintain and operate and to take tolls on a toll bridge along and over certain points herein indicated across the Bay of San Francisco between

the City of San Francisco and the City of Oakland as may be designated by the War Department of the United States.

Also, affidavit of C. W. Flick, Secretary of the Construction Company of North America, that he is authorized to make affidavit on behalf of said corporation; that he has read and knows the contents of the foregoing petition and that the same is true to his knowledge except as for matters which are therein stated on information and belief, as to which he believes them to be true.

Also, certificate of Frank C. Jordan, Secretary, State of California, certifying to and transmitting certificate of incorporation of the Construction Company of North America.

Also, affidavits of publication in the matter of the application of the Construction Company of North America for authority to erect, maintain and operate and to take tolls on the toll bridge over and across the Bay of San Francisco.

Also, affidavits of publication of notice of application for a franchise for a toll bridge, together with map of proposed bridge construction.

Initiative Measures Relative to Proposed Gasoline Tax.

The following was presented by Supervisor Shannon and read and *referred to the Special Legislative Committee*:

Communication, from Chas. W. Heyer, president of the County Supervisors' Association of California, advising of their recommendations with respect to two initiative measures that were approved at the San Diego convention, to-wit:

1. To extend the time during which the gasoline tax is to be effective from two years to 12 years.

2. To use a simpler form of initiative measure than that presented at San Diego.

3. To not place the $5,000,000 proposition on the ballot.

These recommendations were considered to be sound and practical and the Board of Supervisors of San Francisco is asked to wire at once its approval or disapproval for ratification or otherwise.

(The committee later in the meeting recommended a resolution approving the plan, which resolution was *adopted*.)

Lowell High School Site.

Communication, from Mrs. R. Norris, Secretary of the Board of Education, replying to inquiry of March 30th of the Board of Supervisors relating to proposed use of land between Geary and Balboa streets and Thirtieth and Thirty-second avenues as to whether or not this property will be used for the Lowell High School, advising that this land is for a high school in the Richmond District, which is in need of high school facilities.

Read and ordered *filed*.

Jos. J. Phillips Recommended as Right of Way Agent.

Communication, from John H. Skeggs, Division Engineer, California Highway Commission, requesting that the Board of Supervisors assign Mr. Joseph J. Phillips right of way agent of the City and County of San Francisco, to be tasked with obtaining the additional rights of way necessary for widening of the Peninsula highway from Colma to the cemeteries, commonly known as the "Bottle-Neck."

Referred to the Streets Committee.

Opinion of City Attorney, Appropriation of Surplus Moneys from General Fund.

The following was read by the Clerk:

Gentlemen:

I am in receipt of a letter from your chairman, to which is attached a copy of a resolution of the Board of Supervisors relative to the appropriation out of the General Fund of certain money to pay rental for property in which the District Attorney and other officials are to be housed, and in which letter the following questions are asked:

"1. After the annual budget for the current fiscal year has been adopted as provided in the Charter, can the Board of Supervisors appropriate and authorize the expenditure of additional sums 'from the General Fund' for purposes not mentioned in the budget?

"2. Can the Board of Supervisors estimate any surplus revenue to accrue at the end of a fiscal year (meaning revenue in excess of budget appropriations) and authorize the expenditure of the same prior to the end of the fiscal year?

"3. To what extent should the opinion of former City Attorney Franklin K. Lane (Lane's Opinions, page 373) be affirmed, modified or reversed?

"4. Will your opinion on the foregoing invalidate the resolution pending in this Board, a copy of which is attached?"

Opinion.

Question One—

The consideration of this question naturally carries with it a consideration of the purpose of the annual budget. Section 3, Chapter I, Article III, of the Charter provides how and when the annual

budget shall be prepared. When this budget is prepared it serves a two-fold purpose: (a) to secure an estimate of the amount that will be necessary for the conduct and management of the City government for the ensuing year; (b) as to how that amount shall be apportioned among the different departments of the municipality. The Charter does not look upon the budget as something positive, but rather as an estimate.

Section 1, Chapter I, Article III, provides: "On or before the first Monday of April in each year the heads of departments, offices, boards or commissions of the City and County shall send to the Supervisors an *estimate* in writing, etc."

Section 2: "On or before the first Monday in May in each year the Auditor shall transmit to the Supervisors an *estimate*, etc."

Section 3: "The Supervisors shall meet annually between the first Monday of May and the first Monday in June of each vear and, by a vote of the majority of all the members thereof, make a budget of the amounts *estimated* to be required, etc."

Even after the items constituting the budget have all been passed by the Supervisors it is still looked upon only as an *estimate.*

Section 4: "After the final *estimate* is made in accordance herewith it shall be signed by the Mayor, etc."

It would therefore appear that if the Charter framers felt that when the annual appropriation had been allowed to any department by the budget that it could not be augmented or diminished if the estimate should have proved incorrect they would have so stated.

The Supreme Court of the State of Connecticut in passing upon a similar matter has said: "The provisions of the Charter which calls for an annual classified appropriation by the council of amounts deemed necessary for the expenses of the various departments of the city government, and forbids any city or department officer or board to exceed such appropriations, is intended for the protection of the city against its officers, and does not prevent the city itself, through the council, from incurring additional expenditures for purposes not foreseen when the annual appropriations were made." (See Whitney et al. v. New Haven, 20 Atl. Rep. 666.)

The Supreme Court of our own State has also given expression to the same view in San Francisco v. Broderick, 111 Cal. 320. While this case arose prior to the adoption of the present Charter, the provisions of the Consolidation Act and our Charter as to what constituted the General Fund are so similar that I believe it most important. The Court had under consideration the matter of an additional allowance to the Department of Elections. Under the Consolidation Act the Supervisors were required when making the levy of taxes to apportion and divide the taxes to certain specific funds, "according to the estimate of said boards of the necessities of said funds." The act described the General Fund as follows: "The General Fund consists of moneys in the treasury not designated and set apart by law to a specific use and the overplus of any special fund after the satisfaction of all demands upon it."

The Charter describes the General Fund as follows: "The General Fund shall consist of money received into the treasury and not specifically appropriated to any other fund."

In passing upon the propriety of making an additional allowance, the Court said: "The estimate which the board of supervisors is directed to make of the necessities of the several funds, as the basis of the tax which they will levy, is not a conclusive determination of the amount that may be expended for these several necessities, and, although the failure to levy a tax which shall raise a sufficient amount of money for these needs will prevent the expenditures, yet, if the money has been collected and is in the treasury, applicable thereto, its expenditure or disbursement is not limited by the amount of the estimate. In the present case the board of supervisors were required to estimate the expenses that would be incurred at the general election for the year 1894, and in the exercise of their judgment they deemed it necessary to provide the sum of one hundred and fifty thousand dollars therefor. As the incurring of these expenses was not under their control, it would be competent for that body to determine the amount that should be expended, and their estimate would be at most only an approximate opinion of the amount of the expense, nor does the fact that their estimate was too low deprive the holders of claims for the excess above this estimate of the right to payment, so long as there is money in the treasury applicable thereto."

In Metropolitan Life Insurance Co. v. Deasy, 41 Cal. App. 674, the Court said: "The city charter.

through its provisions as to the 'Surplus Fund' as the source from which judgments obtained against the municipality may be paid, leaves the matter of creating or replenishing such a fund entirely in the discretion of its various boards and officials in charge of the replenishment and disbursement of the revenues of the municipality distributed among its other funds. *If they do not choose to have left on hand a surplus which would flow into the surplus fund, the judgment creditor is remediless*, in so far as the charter is concerned, to compel the creation or replenishment of the only fund from which his judgment might be satisfied."

Attention is directed to the language of the Court, "If they (the Supervisors) do not choose to have left on hand a surplus which would flow into the surplus fund, the judgment creditor is remediless." The surplus fund is made up from the General Fund after all other demands, etc., are paid, and from this language it would appear that a discretion is vested in the Supervisors as to whether any balance in the General Fund should be used by them or be permitted to flow into the Surplus Fund.

Finally on this point Section 15, Chapter II, Article III of the Charter provides: "The Supervisors shall authorize the disbursement of all public moneys, except as otherwise provided in this Charter."

The moneys in the General Fund are public moneys, and I can find no provision in the Charter which prevents the Board of Supervisors from disbursing them, provided they are not otherwise appropriated.

You are, therefore, advised that the Board of Supervisors can appropriate additional sums from the General Fund after the annual budget has been adopted, provided the sums so appropriated have not theretofore been appropriated to other purposes.

Question Two—

Strictly speaking it may be said that the surplus i. e. (excess of income over budget appropriations) which may exist in any one year cannot be finally determined until the end of the fiscal year, for we may imagine a condition where no money would be received for licenses, fines or fees, or even that all property owners could refuse to pay their taxes, but I am of the opinion that such a view would be an abnormal one and that the Board is justified in anticipating that unless some great emergency intervenes, revenues from the remaining months of the fiscal year will be forthcoming on the same basis as during the past months, and that the Board with all of the facts before it may form a fairly correct estimate of the surplus which will exist in the future or may exist at the present time.

Question Three—

My views, as expressed in my answers to your questions Nos. 1 and 2, are an answer to this question.

Question Four—

I believe that if the amount appropriated for the payment of rental for the premises mentioned in the resolution attached to your letter, for the remaining months of the fiscal year is a legal appropriation, provided the amount is at the present time in the General Fund unappropriated.

Respectfully,
JNO. J. O'TOOLE,
City Attorney.

Licensing Mechanical Vending Machines.

Bill No. ——, Ordinance No. —— (New Series), as follows:

An ordinance licensing the operation of mechanical vending devices in the City and County of San Francisco.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Every person, firm or corporation owning, operating or having under his control the operation of any mechanical device used for the purpose of vending mints, gum or other merchandise by the depositing of a five-cent coin therein shall pay a license of five dollars ($5.00) per quarter for each such mechanical device. Provided, fur-

ther, that no such license shall entitle the holder of the same to operate mechanical devices for the vending of merchandise unless the purchaser is informed, prior to each deposit of money, by the mechanical arrangement of the device, of exactly what is to be received by the purchaser prior to the placing of the coin by such purchaser in the vending device.

Section 2. The license herein provided shall be paid and collected in the same manner as all other license fees, or by other ordinances in the City and County of San Francisco provided to be paid.

Section 3. Any person, firm or corporation, or association who shall operate any such mechanical device without having first procured a license from the Board of Supervisors of the City and County of San Francisco to so operate such mechanical device, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not to exceed five hundred dollars ($500), or by imprisonment in the County Jail for not more than six (6) months, or by both such fine and imprisonment.

Compromise of Gas and Electric Litigation.

Resolution No. ——— (New Series), as follows:

Whereas, there are pending in the United States District Court for the Northern District of California four suits, numbered 27, 32, 97 and 190 on the equity file of said court, in all of which suits the Pacific Gas and Electric Company is plaintiff and the City and County of San Francisco and its officers are defendants; and

Whereas, said suits involve judicial determination of the validity under the United States Constitution of ordinances numbered 2349, 2348, 2814 and 3338 (all new series) of the City and County of San Francisco, prescribing and fixing respectively rates to be charged by public service corporations in San Francisco for electricity during the fiscal year 1913-14, and for gas during the fiscal years 1913-1914, 1914-15 and 1915-16; and

Whereas, the decrees previously rendered by the District Court in the City's favor in said suits numbered 27, 97 and 190, involving gas rates, have been reversed on appeal by the Supreme Court of the United States, and the suits sent back for retrial; and in case No. 32, involving electric rates, the report of the Master in Chancery recommends issuance of an injunction prohibiting the enforcement of said rates; and

Whereas, the City Attorney has transmitted to the Board of Supervisors a written communication from the Pacific Gas and Electric Company, dated December 16, 1925, offering to compromise and settle all of said suits upon certain terms therein set forth; and

Whereas, both former City Attorney George Lull, who was in office pending the trial and appeal of the foregoing litigation, and the present City Attorney, John J. O'Toole, have recommended in writing that this Board authorize and direct the settlement of said suits upon the terms set forth in said communication from the Pacific Gas and Electric Company dated December 16, 1925; and

Whereas, after a careful examination and consideration of all the facts relating to said suits and the controversies therein involved, which have been submitted, the Board of Supervisors believes, in view of the large number of consumers who are interested in the outcome of said suits, of the considerable time which must elapse and the large expense to the taxpayers that must be incurred before the suits could again be tried and a final decision had, of the doubt that the City Attorney expresses as to the eventual outcome of the litigation by reason of the opinion of the United States Supreme Court rendered in the reversal of previous decrees in the City's favor, and in view of the relatively small amounts payable to individual consumers under any outcome of the suits, that the best interests of the City and the ratepayers will be conserved by a compromise along the lines recommended by the City Attorney; now, therefore, be it

Resolved, That the offer of the Pacific Gas and Electric Company to settle and compromise said four suits be and it is hereby accepted; that the City Attorney be and he is hereby authorized and directed to enter into stipulations with counsel for the Pacific Gas and Electric Company for the entry of decrees in said four suits which shall finally settle and dispose of the same upon the terms and conditions set forth in said letter from said company dated December 16, 1925; that the City Attorney be and he is hereby directed to take all steps necessary to see that said decrees when entered by the court are duly executed so as to protect the interests of the City and the ratepayers in the premises.

Retirement System, Hetch Hetchy Employees.

On motion of Supervisor Shannon:

Bill No. 7543, Ordinance No. —— (New Series), as follows:

Amending Paragraph 10, Subdivision (b) of Section 4, Subdivision (e) of Section 5, Section 10 and Section 11 of Ordinance No. 5561 (New Series), entitled "Establishing a retirement system for employees of the City and County of San Francisco, providing for the payment of retirement allowances to aged and disabled employees and for the payment of death benefits; prescribing the conditions under which said allowances and benefits shall be paid; fixing rates of contribution and the amounts of retirement allowances and death benefits; and providing for the administration of said retirement system in accordance with Article XVII of the Charter."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Paragraph 10, Subdivision (b) of Section 4 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

(10) Employees engaged outside the City and County of San Francisco on the Hetch Hetchy project, provided that if any employee so excluded shall later become a member of the Retirement System through any change in status occasioned by transfer or assignment to other employment or by amendment to this ordinance, he shall receive credit for service with the City rendered prior to the date he

enters the Retirement System, including service as an employee of the Hetch Hetchy project, in the same manner as credit for prior service is granted to employees who become members on April first, nineteen hundred and twenty-two; and provided, further, that on and after July first, nineteen hundred and twenty-six, employees of the Hetch Hetchy project on units certified, from time to time, to the San Francisco City Employees' Retirement System by the Board of Public Works as being completed and placed on a permanent operating basis shall not be excluded from membership in the Retirement System under this paragraph.

Section 2. Subdivision (e) of Section 5 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

(e) At the end of each pay-roll period, the Board of Administration shall determine the aggregate amount of the normal contributions for such period, and shall certify such aggregate amount to the Auditor, who shall transfer an equal amount to the Retirement Fund, hereinafter provided for, from the money appropriated for that purpose in the budget for the then current fiscal year, except that an amount equal to such portion of the aggregate amount as shall be made up of contributions of Municipal Railway employees shall be transferred from the revenues of the Municipal Railway, and except that an amount equal to such portion of the aggregate amount as shall be made up of contributions of employees of the Hetch Hetchy project on units certified from time to time by the Board of Public Works as being completed and placed on a permanent operating basis shall be transferred from the revenues of such units.

Section 3. Section 10 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

Section 10. There shall be paid into the Retirement Fund, by contributions of the City, the amounts necessary to pay all pensions and all other benefits allowable under this ordinance to members on account of prior service. Until the amount accumulated in the Retirement Fund becomes not less than the present value of all amounts thereafter payable from the Retirement Fund, the amount annually due to the said fund under this section shall be the amount payable from said fund in the ensuing fiscal year on account of prior service. Such proportion of the amount as is annually due to the Retirement Fund on account of the prior service of employees of the Municipal Railway shall be paid from the revenues of the Municipal Railway, and such proportion of the amount as is annually due to the Retirement Fund on account of the prior service of employees of the Hetch Hetchy project on units certified from time to time by the Board of Public Works as being completed and placed on a permanent operating basis shall be paid from the revenues of such units.

Section 4. Section 11 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

Section 11. The payments of the City into the San Francisco City Employees' Retirement Fund, as provided in Subdivision (e), Section 5 of this ordinance, and the payments into the said fund, as provided in Section 10 of this ordinance, are hereby made obligations of the City. The Board of Supervisors shall appropriate such amounts as are necessary to make such payments, less the portion to be paid from the revenues of the Municipal Railway and from the revenues of the Hetch Hetchy project, in the budget for each fiscal year, and the amounts so appropriated shall be included in the tax levy. The Board of Supervisors shall, also, make provisions for the payment from the revenues of the Municipal Railway of such amounts as shall be necessary to meet the obligations of the City under the Retirement System on account of Municipal Railway employees and from the revenues of the Hetch Hetchy project of such amounts as shall be necessary to meet the obligations of the City under the Retirement System on account of employees of the Hetch Hetchy project on units certified from time to time by the Board of Public Works as being completed and placed on a permanent operating basis.

Section 5. This ordinance shall take effect immediately.

City Engineer to Make Necessary Survey for a Thoroughfare With Practical Gradient Connecting Noe Valley District With the Market Street Extension.

Supervisor Badaracco presented:

Resolution No. 25470 (New Series), as follows:

Whereas, it is expedient that provision be made for rapidly increasing traffic between the Market street extension, serving the westerly Twin Peaks district, and the Noe Valley district; and

Whereas, it appears that a thoroughfare could be constructed connecting the Market street extension at about Burnett avenue with the Noe Valley district at a location southerly from Twenty-fourth street and westerly from Diamond street, at a proper gradient; therefore, be it

Resolved, That the City Engineer be authorized to make the necessary surveys and a study providing for a thoroughfare with a practical gradient connecting the Noe Valley district with the Market street extension.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —16.

The following matter was, on motion of Supervisor Badaracco, *laid over one week*:

Providing for Legislation to Cause the Replacement by Public Service Corporations of Pavements That Have Been Opened for Underground Installations.

Supervisor Badaracco presented:

Resolution No. ——— (New Series), as follows:

Whereas, the public service corporations have been given undue privileges by the Board of Public Works to open up the streets of San Francisco to the grave damage of said streets; and

Whereas, the surface of said streets is permitted to remain in a broken condition or with inadequate replacement of paving after such work is completed; and

Whereas, in several instances new concrete pavings recently laid by the City at the taxpayers' expense have been opened by said corporations immediately after completion, under permit from the Board of Public Works, to the lasting damage and partial destruction of said pavements; and

Whereas, such destruction is unnecessary, unjustifiable, and can be prevented by proper enforcement of the laws and protection of the City's interests; therefore, be it

Resolved, That the Board of Public Works be and it is hereby instructed to see that all ordinances dealing with this subject matter are properly enforced hereafter; and in particular that streets be immediately repaired and with proper material immediately upon completion of work done by any public service corporation; and be it

Further Resolved, That further legislation be adopted by this Board whereby the Board of Public Works will be instructed and directed to notify each public service corporation of the intention of the City to pave any section of streets within the city limits thirty days in advance of the commencement of the work by the City, to the end that all underground installation necessary to be made by said corporations in said streets will then and there be made, and further providing that no permit to open such newly paved street shall be hereafter granted by the City for a period of two years after such paving is completed; and be it

Further Resolved, That the City Attorney be instructed to prepare such legislation as is necessary to carry this policy into effect.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —16.

Absent—Supervisors Deasy, Welch —2.

Closing Certain Streets.

Supervisor Badaracco presented:

Resolution No. 25471 (New Series), as follows:

Declaring that the public interest requires that portions of Pennsylvania avenue, Iowa street, Marin street and Tulare street, as hereinafter described, be closed and abandoned; be it

Resolved, That it is the intention of the Board of Supervisors to close

and abandon portions of Pennsylvania avenue, Iowa street, Marin street and Tulare street, as follows:

Pennsylvania avenue, from the southerly line of the Ocean Shore right of way of the Western Pacific Railroad Company to the northerly line of Tulare street.

Iowa street, from the south line of Army street to the north line of Tulare street.

Marin street, from the west line of Pennsylvania avenue to the west line of Indiana street.

Tulare street, from the west line of Indiana street to a point 100 feet westerly of the west line of Pennsylvania avenue.

Said closing and abandonment of said portions of Pennsylvania avenue, Iowa street, Marin street and Tulare street shall be done and made in the manner and in accordance with the provisions of Section 2, Chapter 3, Article XI of the Charter of the City and County of San Francisco as amended, and the sections of said chapter and article following said Section 2. Be it

Further Resolved, That the damage, cost and expense of said closing of portions of Pennsylvania avenue, Iowa street, Marin street and Tulare street be paid out of the revenues of the City and County of San Francisco.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —16.

Motion *carried unanimously by rising vote.*

Increase of Municipal Carmen's Wages.

The following is the report submitted by the joint committee:

"To the Board of Supervisors, City and County of San Francisco.

Gentlemen:

Acting upon a request from the Board of Public Works, dated November 25, 1925, your honorable body directed the members of its committees on finance and public utilities to act as a joint committee for the consideration of an application from the platform men, trackmen and electrical workers of the Municipal Railway for an increase in compensation.

The letter of the Board of Public Works to the Supervisors, upon which this inquiry was authorized, called attention to the fact that the City Attorney has ruled that the wage-fixing power for the Municipal Railway is vested in the Board of Works, and added that the Board of Works could not grant the increases asked because, quoting the letter of the Board of Works, 'it appears that neither are there funds available at present, nor do the estimates of the receipts for the present year indicate that there will be funds available in the near future which would warrant the granting of any increases.'

The Board of Works, however, after declaring that no funds were available for the increase, expressed the opinion that the application merited favorable consideration and made the rather paradoxical suggestion that 'ways and means should be found, if the funds of the Municipal Railway will justify it, to provide the necessary moneys.'

Your joint committee has made a most exhaustive investigation of the Municipal Railway funds. On February 17, 1926, it rendered a report pointing out that because of the policy pursued in the past of spending large sums from the income of the road for extensions and betterments, and for the retirement of bonds, its current funds have been reduced to a low level. The report stated that in the immediate future the Ctiy would be confronted with the necessity of adopting a new method of financing extensions to the Municipal Railway system, and that the reserve funds of the road must be restored to a normal level if any important increases in operating expenses were undertaken.

Your joint committee has always held the unanimous opinion that the present wage of the railway employees is inadequate and that an increase should be granted as soon as it is possible to do so without impairing the financial integrity of the road. At the request of the San Francisco Labor Council your committee has continued its investigations and has arranged a series of conferences between expert accountants representing the Municipal Railway, the employees and the Board of Public Works. The accountants were urged to prepare a financial set-up upon which all of the parties at interest could agree, and which would serve as an undisputed basis for estimating the possibilities of assuming an increase in the operating costs of the road.

At the last meeting of your joint committee an estimate of the financial position of the funds of the Municipal Railway over the four-year period 1926 to 1929, inclusive, was submitted by Mr. Scott, accountant for the Municipal Railway; Mr. Melnikow, account for the employees; Mr. Hannon, chief bookkeeper for the Board of Public Works, and Mr. Bullock, certified

public accountant. This estimate is based first upon the proposal, which has been endorsed by all of the members of your joint committee and by all of the expert accountants, that the present 18 per cent depreciation fund of the road be abolished and that in its stead there be created a 3 per cent depreciation fund from which no moneys can be diverted in the future for any purpose other than depreciation requirements. Your committee favors this change because it will provide a future safeguard against the diversion of moneys which have, in the past, contributed to the present depletion of the funds of the road.

Another important condition which the accountants have submitted in connection with their joint estimate is that a $2,000,000 bond issue be authorized in order to carry out the present proposed additions to the Municipal Railway. These include the construction of the Sunset line with additional cars, amounting to about $1,500,000 and the construction of new car barns and purchase of other new cars amounting to about $500,000. The accountants propose that of the suggested $2,000,000 bond issue $1,000,000 of bonds be sold as fast as possible to carry out the predicated program of extensions and betterments, and that the second $1,000,000 be held practically as a depreciation fund asset to be sold when needed for purposes of the depreciation fund.

'This,' the report of the accountants states, 'would have the effect of restoring the depreciation fund to something like its normal balance.'

With these conditions stipulated, and the proviso that the funds of the road be reimbursed out of the next budget for the improper diversion in the past of $131,123.73 which was applied to the cost of constructing the Twin Peaks and Stockton street tunnels, the estimate of the accountants shows that there should be on January 1, 1930, a total accumulation in the operating funds of $625,427. It was suggested by the accountants at the last meeting of your joint committee, that this sum could be distributed in the amount of $156,000 per year over the four-year period, among the employees of the railway for additional compensation. If the entire amount were so utilized, it is estimated that it would represent an increase over the present wage scale of about 40 cents per day.

Recognizing the fact that the wage-fixing power for Municipal Railway employees is at present vested in the Board of Public Works, and that the investigation authorized by the Supervisors was undertaken soley in the hope of being able to suggest to the Board of Works 'ways and means to provide the necessary moneys,' your committee respectfully recommends that the Board of Supervisors immediately transmit to the Board of Public Works the financial estimate herewith submitted, together with a copy of this report. It is also respectfully recommended that the Board of Supervisors take the necessary action to assure the Board of Public Works that if the suggested wage increase is allowed the Board of Supervisors will recommend the submission to the people of the proposed bond issue for extensions and refunding.

In closing, your committee desires to direct attention again to the splendid record made by the Municipal Railway as outlined in our previous report to your Honorable Board, and to reaffirm our confidence in its present stability and in the certainty of its future success.

The specific duty with which this joint committee was charged by your Honorable Board was to point out to the Board of Works, if possible, ways and means whereby an increase of pay could be granted to the Municipal Railway employees. Believing that it has discharged its duty faithfully, and that the report now submitted has the approval, in every major respect, of all the financial experts who have participated in our investigations, your joint committee respectfully requests that it be now dissolved."

Privilege of the Floor.

John O'Connell, Secretary Labor Council; *Mr. Vandeleur*, President of Carmen's Union; *Mr. Ferguson*, representing the trackmen; *Mr. Millinchoir*, *Mr. Scott* and *Mr. Bullock*, accountants, were granted the privilege of the floor and heard on the pending matter.

Proposed Amendment.

Resolution Adopted.

Whereupon, the following resolution was *adopted* by the following vote:

Resolution No. 25472 (New Series), as follows:

Whereas, the Municipal Railway employees are at present undercompensated and are entitled to an increase in compensation; and

Whereas, existing funds of the Municipal Railways are inadequate to furnish such increase and carry out other essential obligations as well; and

Whereas, this Board has furnished to the Board of Public Works a set-up of figures showing that a bond issue of $2,000,000 would adequately replenish the funds; therefore, be it

Resolved, That if the Board of Public Works, which alone possesses the wage-fixing power, sees fit to grant the said increase of forty cents (40c) a day, this Board of Supervisors will carry out that portion of the proposed arrangement which its powers permit it to perform and will pass the required legislation for a bond election of $2,000,000 for the Municipal Railways.

Ayes—Supervisors Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—14.

Absent—Supervisors Badaracco, Bath, Deasy, Welch—4.

National Conference, Weights and Measures.

The following was read by the Clerk:

San Francisco, Cal.,
April 12, 1926.

Honorable Board of Supervisors,
City Hall, San Francisco.

Gentlemen:

I am referring to you herewith a letter addressed to me by Mr. George K. Burgess, director of the Bureau of Standards and President of the National Conference on Weights and Measures, Washington, D. C.

Mr. Burgess calls attention to the forthcoming National Conference on Weights and Measures, which will take place in Washington, D. C., May 25-28, and asks that San Francisco be represented by our Sealer of Weights and Measures, the Hon. Thomas Flaherty.

I feel that this would be most valuable to San Francisco, and I hope that your Honorable Board may find it possible to send Mr. Flaherty to the conference.

Very sincerely yours,
JAMES ROLPH, JR.,
Mayor.

Department of Commerce,
Bureau of Standards,
Washington, D. C.,
April 5, 1926.

Hon. Jas. Rolph, Jr., Mayor of San Francisco, San Francisco, California.

Dear Sir:

I wish to bring to your attention the Nineteenth National Conference on Weights and Measures, which will be held in Washington, D. C., May 25-28, at this Bureau, and to invite you to be represented by your Sealer of Weights and Measures, Mr. Thomas Flaherty.

As you probably know, the Conference is made up of State and local weights and measures officials from all parts of the country, who gather each year for a serious consideration of mutual problems and an earnest study of the many technical phases of their work.

These meetings are fostered by the Bureau of Standards, and every facility is offered to make them of maximum benefit and interest to those in attendance. In our opinion they are of tremendous value

to the communities served by the officials in attendance, not only through the large amount of practical information secured, but also by reason of the personal contacts among the officials.

I am sure that you appreciate the great importance of efficient and adequate weights and measures supervision and will realize the constructive results which follow upon attendance at this National Conference. Mr. Flaherty has represented San Francisco at previous meetings and I am confident that he will assure you that the Conference has helped him in the discharge of his official duties. I hope that we may hear from you very soon to the effect that you have authorized Mr. Flaherty's attendance at this year's meetings so that we may be assured that San Francisco will again be represented.

Respectfully,
GEORGE K. BURGESS,
Director of the Bureau of Standards and President of the National Conference on Weights and Measures.

Whereupon, on motion duly made and *carried*, Thos. Flaherty, Sealer of Weights and Measures, was authorized to represent San Francisco at the proposed Conference.

Leave of Absence.

San Francisco, Cal.,
April 12, 1926.

Honorable Board of Supervisors,
City Hall, San Francisco.
Gentlemen:

Application has been made to me by Dr. T. B. W. Leland, Coroner of this City and County, for leave of absence, with permission to leave the State of California, for a period of sixty days commencing April 19.

I hereby request that you concur with me in granting said leave of absence.

Yours very truly,
JAMES ROLPH, JR.,
Mayor.

Whereupon, the following resolution was presented and *adopted*:

Resolution No. 25514 (New Series), as follows:

Resolved, That, in accordance with the recommendation of his Honor the Mayor, Dr. T. B. W. Leland, Coroner of the City and County of San Francisco, be granted a leave of absence for a period of sixty (60) days, commencing April 19, 1926, with permission to leave the State.

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havvener, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —16.

Absent—Supervisors Deasy, Welch —2.

Report of Mayor on Sale of City Land.

San Francisco, Cal.,
April 8, 1926.

Honorable Board of Supervisors,
City Hall, San Francisco.
Gentlemen:

I have the honor to report to you that, pursuant to the provisions of Ordinance No. 6999 (New Series) of your Honorable Board, a public sale took place in the chambers of the Board of Supervisors at 3 o'clock p. m., Monday, April 5, 1926, for the disposal of the following parcel of land in the City and County of San Francisco:

"Commencing at a point on the westerly line of Thirty-third avenue, distant thereon 285 feet southerly from the southerly line of Wawona street, running thence southerly along said westerly line of Thirty-third avenue 30 feet; thence at a right angle westerly 120 feet; thence at a right angle northerly 30 feet; thence at a right angle easterly 120 feet to the westerly line of Thirty-third avenue and point of commencement; being a portion of Outside Land Block No. 1273, also known as Lot 2, Block 2502, on Assessor's Map Book."

The highest bidder was the Parkside Realty Company of San Francisco, whose bid was $1,100. The sum of $110 in currency, ten per cent of the amount bid, was deposited in accordance with the law.

Inasmuch as the property was appraised at $900, and as the bid of the Parkside Realty Company was in excess of the amount required by law, I respectfully recommend to your Honorable Board that you confirm the sale of this land to the Parkside Realty Company.

Very respectfully yours,
JAMES ROLPH, JR.,
Mayor.

Establishing Set-Back Lines.

Bill No. 7542, Ordinance No. 7056 (New Series), as follows:

Establishing set-back lines along Shields street, Farallones street, Eighteenth avenue and Nineteenth avenue.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited that on the 1st day of March, 1926, the Board of Supervisors adopted Resolution of Intention No. 116 to establish set-back lines along Shields street, Farallones street, Eighteenth avenue and Nineteenth avenue, and fixed the 29th day of March, 1926, at the hour of 2 o'clock p. m., at the chambers of the Board of Supervisors, as the time and place for hearing objections thereto; that thereafter and more than ten days prior to said hearing the said resolution was published and notices of the passage of said resolution were posted along the line of said streets, in time, form and manner required by Ordinance No. 5636 (New Series); that said hearing was held at the time and place aforesaid, and that all objections made at said hearing have been properly overruled.

Section 2. Pursuant to the foregoing recitals and in accordance with the provisions of said Ordinance No. 5636 (New Series), set-back lines are hereby established as follows:

Along both sides of Shields street between Head street and Orizaba avenue, said set-back lines to be 10 feet.

Along the northerly side of Farallones street, commencing at a point 200 feet easterly from Capitol avenue and running thence easterly 50 feet, said set-back line to be 8 feet; thence easterly 300 feet, said set-back line to be 10 feet; thence easterly 125 feet, said set-back line to be 12 feet; thence easterly 25 feet, said set-back line to be 9 feet; thence easterly 25 feet, said set-back line to be 6 feet; thence easterly 25 feet, said set-back line to be 3 feet; along the southerly side of Farallones street, commencing at a point 100 feet easterly from Capitol avenue and running thence easterly 250 feet, said set-back line to be 6 feet; thence easterly 350 feet, said set-back line to be 10 feet.

Along the westerly side of Eighteenth avenue, commencing at a point 103½ feet northerly from Rivera street and running thence northerly to a point 82½ feet southerly from Quintara street, said set-back line to be 10 feet.

Along the westerly side of Nineteenth avenue between Rivera street and Santiago street, said set-back line to be 15 feet; along the easterly side of Nineteenth avenue between Rivera street and Santiago street, said set-back line to be 20 feet.

As shown on the maps filed in the office of the Board of Supervisors and to which reference is hereby made for further particulars.

Section 3. No structures shall be erected in the area between said set-back lines and the street lines, except as provided in said Ordinance No. 5636 (New Series), and the penalties for the violation of this ordinance shall be as fixed by the ordinance aforesaid.

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—18.

Retirement System, Hetch Hetchy Employees.

Bill No. 7543, Ordinance No. 7057 (New Series), as follows:

Amending Paragraph 10, Subdivision (b) of Section 4, Subdivision (e) of Section 5, Section 10 and Section 11 of Ordinance No. 5561 (New Series), entitled "Establishing a retirement system for employees of the City and County of San Francisco, providing for the payment of retirement allowances to aged and disabled employees and for the payment of death benefits; prescribing the conditions under which said allowances and benefits shall be paid; fixing rates of contribution and the amounts of retirement allowance and death benefits; and providing for the administration of said retirement system in accordance with Article XVII of the Charter."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Paragraph 10, Subdivision (b) of Section 4 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

(10) Employees engaged outside the City and County of San Francisco on the Hetch Hetchy project, provided that if any employee so excluded shall later become a member of the Retirement System through any change in status occasioned by transfer or assignment to other employment or by amendment to this ordinance, he shall receive credit for service with the City rendered prior to the date he enters the Retirement System, including service as an employee of the Hetch Hetchy project, in the same manner as credit for prior service is granted to employees who become members on April first, nineteen hundred and twenty-two; and provided, further, that on and after July first, nineteen hundred and twenty-six, employees of the Hetch Hetchy project on units certified, from time to time, to the San Francisco City Employees' Retirement System by the Board of Public Works as being completed and placed on a permanent operating basis shall not be excluded from membership in the Retirement System under this paragraph.

Section 2. Subdivision (e) of Section 5 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

(e) At the end of each pay-roll period the Board of Administration shall determine the aggregate amount of the normal contributions for such period, and shall certify such aggregate amount to the Auditor, who shall transfer an equal amount to the Retirement Fund, hereinafter provided for, from the money appropriated for that purpose in the budget for the then current fiscal year, except that an amount equal to such portion of the aggregate amount as shall be made up of contributions of Municipal Railway employees shall be transferred from the revenues of the Municipal Railway, and except that an amount equal to such portion of the aggregate amount as shall be made up of contributions

of employees of the Hetch Hetchy project on units certified from time to time by the Board of Public Works as being completed and placed on a permanent operating basis shall be transferred from the revenues of such units.

Section 3. Section 10 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

Section 10. There shall be paid into the Retirement Fund, by contributions of the City, the amounts necessary to pay all pensions and all other benefits allowable under this ordinance to members on account of prior service. Until the amount accumulated in the Retirement Fund becomes not less than the present value of all amounts thereafter payable from the Retirement Fund, the amount annually due to the said fund under this section shall be the amount payable from said fund in the ensuing fiscal year on account of prior service. Such proportion of the amount as is annually due to the Retirement Fund on account of the prior service of employees of the Municipal Railway shall be paid from the revenues of the Municipal Railway, and such proportion of the amount as is annually due to the Retirement Fund on account of the prior service of employees of the Hetch Hetchy project on units certified from time to time by the Board of Public Works as being completed and placed on a permanent operating basis shall be paid from the revenues of such units.

Section 4. Section 11 of Ordinance No. 5561 (New Series), the title of which is above recited, is hereby amended to read as follows:

Section 11. The payments of the City into the San Francisco City Employees' Retirement Fund, as provided in Subdivision (e), Section 5 of this ordinance, and the payments into the said fund, as provided in Section 10 of this ordinance, are hereby made obligations of the City. The Board of Supervisors shall appropriate such amounts as are necessary to make such payments, less the portion to be paid from the revenues of the Municipal Railway and from the revenues of the Hetch Hetchy project, in the budget for each fiscal year, and the amounts so appropriated shall be included in the tax levy. The Board of Supervisors shall also make provision for the payment from the revenues of the Municipal Railway of such amounts as shall be necessary to meet the obligations of the City under the Retirement System on account of Municipal Railway employees and from the revenues of the Hetch Hetchy project of such amounts as shall be necessary to meet the obligations of the City under the Retirement System on account of employees of the Hetch Hetchy project on units certified from time to time by the Board of Public Works as being completed and placed on a permanent operating basis.

Section 5. This ordinance shall take effect immediately.

Accepting Offer to Settle Claim for Damages of Lucy A. Curtin in the Sum of $300 for Injury to Her Property.

Supervisor McSheehy presented: Resolution No. 25491 (New Series), as follows:

Whereas, the construction of the Hetch Hetchy aqueduct tunnel in Tuolumne County, California, has caused various springs to dry up on the property owned by Lucy A. Curtin, and Lucy A. Curtin as executrix of the last will and testament of J. B. Curtin, deceased, said property being described as follows:

The north half of the southwest quarter of the northwest quarter and the north half of the south half of the southwest quarter of the northwest quarter of Section 26, Township 1 South, Range 16 East, M. D. B. and M.

And as a result of said drying up of the springs the value of said land has been materially diminished and the water supply has been taken away; and

Whereas, the above mentioned Lucy A. Curtin has offered to deed to the City and County of San Francisco all water rights which are intercepted or affected by said tunnel, and to release the City and County of San Francisco from all claims for damages which have been caused or may hereafter be caused by reason of the construction of said tunnel and the interception and drainage of said percolating waters, in consideration of the sum of three hundred dollars ($300); and

Whereas, the City Engineer of San Francisco has recommended the acceptance of said offer as a reasonable settlement of damage and injury to said land caused by the construction of said tunnel; now, therefore, be it

Resolved, That said offer of the above mentioned party be and it is hereby accepted, and said sum of $300 be paid to said party upon receipt of proper conveyance and release conveying said water rights to the City and County of San Francisco, and releasing the City from all further claims of damages; said conveyance and release to be in form satisfactory to the City Attorney of San Francisco.

Accepting Offer of Rushing Land and Cattle Company to Sell Certain Property Required in the Construction of Hetch Hetchy Aqueduct.

Supervisor McSheehy presented: Resolution No. 25492 (New Series), as follows:

Whereas, the City Engineer has recommended the purchase by the City and County of San Francisco from the following named owner of the following described right of way easements situated in the County of Tuolumne, State of California, required in connection with the construction, maintenance and operation of the Foothill Division of the Hetch Hetchy aqueduct, for the sum set forth opposite its name, viz.:

Rushing Land and Cattle Company, a corporation, $671.50.

Parcel 1: Portion of Lot 2, the east half of the northwest quarter and the west half of the northeast quarter of Section 31, the east half of the northwest quarter and the

northeast quarter of Section 32 and the south half of the northwest quarter of Section 33, Township 1 South, Range 13 East, M. D. B. and M., for aqueduct tunnel easement.

Parcel 2: The right to construct, maintain and operate, patrol and repair a water pipe line through the land described as Parcel 1.

Parcel 3: The right to construct, maintain, replace, patrol and operate an electric transmission line along, upon and over the surface of the land occupied by easement described as Parcel 1, including the right to cut down or trim trees or brush which may constitute menace to said transmission line.

Parcel 4: The right to construct, maintain and use a road through lands of the above named company in the northeast quarter and the east half of the northwest quarter, Section 32, Township 1 South, Range 13 East, M. D. B. and M., for the purpose of hauling or moving men, animals, vehicles, etc., for any and all purposes in connection with the construction, operation and maintenance of the Hetch Hetchy aqueduct.

Parcel 5: The right to construct, maintain, replace, patrol and operate a telephone line over portions of Parcels 1 and 4 above described.

(As per written offer on file.)

Now, therefore, be it

Resolved, That, in accordance with the recommendation of the City Engineer, the above described offer of the above named property owner to sell to the City and County of San Francisco the above mentioned easements for the sum set forth opposite its name and upon the terms and conditions contained in said option, be and the same is hereby accepted. Be it

Further Resolved, That the City Engineer is hereby authorized and directed to notify said party of the acceptance of its said offer, and the City Attorney is authorized and directed to examine the title to said easements, and, if the same are found in satisfactory condition, to accept, in behalf of the City and County of San Francisco, a deed conveying title thereto, containing the conditions and reservations agreed upon in said offer, and to file the same for record with a copy of this resolution attached thereto as evidence of acceptance by the City and County of San Francisco, upon payment of the above mentioned purchase price.

Municipal Bus Line Service Between Edna Street, Monterey Boulevard and Forest Hill Station.

On motion of Supervisor Shannon:

Bill No. 7545, Ordinance No. —— (New Series), as follows:

Providing for the operation of a bus line in connection with the Municipal Railway between Edna street and Monterey boulevard and Forest Hill Station, prescribing the route therefor and repealing certain portions of Ordinance No. 6724 (New Series) in conflict therewith.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whereas, under Ordinance No. 6724 (New Series), finally passed by the Board of Supervisors August 10, 1925, and approved by the Acting Mayor on August 11, 1925, the City did accept an offer of the Residential Development Company of San Francisco to purchase and furnish to

the City and County of San Francisco three (3) new busses, and the said City and County of San Francisco did agree to install and maintain a bus line on Monterey boulevard between Junipero Serra boulevard and Genesee street, to be operated in connection with and as a part of the Municipal Railway System, and to operate a certain number of busses between certain hours prescribed therein, and other prescribed conditions; and

Whereas, the Residential Development Company has delivered the three (3) busses in accordance with the terms of its offer; and

Whereas, the operation of the busses along the route on Monterey boulevard prescribed in said Ordinance No. 6724 (New Series) has been protested by the residents of St. Francis Wood; and

Whereas, the Residential Development Company, in order to eliminate the causes of such protest, has agreed in writing, under date of April 9, 1926, to a new route for the bus line as hereinafter set forth in lieu of that prescribed in Ordinance No. 6724 (New Series); Now, therefore, be it ordained that the Board of Public Works is hereby authorized and instructed to install and operate immediately upon the completion of the paving of Laguna Honda boulevard north of Portola drive, which work it is estimated will require ninety days to complete, a municipal bus line along and over the following route:

Commencing at the intersection of Monterey boulevard and Edna street, thence south on Edna street to Hearst avenue, thence westerly on Hearst avenue to Hamburg street, thence northerly on Hamburg street to Monterey boulevard, thence westerly on Monterey boulevard to Plymouth avenue, thence in a general northerly direction over Plymouth avenue, Yerba Buena avenue, Miraloma drive, Portola drive and Laguna Honda boulevard to Forest Hill Station, and thence returning via Laguna Honda boulevard, Portola drive, Miraloma drive, Yerba Buena avenue, Plymouth avenue and Monterey boulevard to Edna street.

Transfers shall be exchanged between said bus line and the Municipal cars operated through the Twin Peaks tunnel.

Section 2. Such portions of Ordinance No. 6724 (New Series) as prescribe a route for a bus line specifically from the intersection of Junipero Serra boulevard and Monterey boulevard, thence running along Monterey boulevard to Genesee street and returning, and such other portions of said ordinance as may conflict with the provisions of this ordinance are hereby repealed.

Lincoln Park Bus Line Discontinued.

Supervisor Shannon presented:

Resolution No. 25505 (New Series), as follows:

Whereas, Resolution No. 24565 (New Series), adopted by the Board of Supervisors on September 28, 1925, authorized and directed the Board of Public Works to install and maintain during the month of October, 1925, on Saturdays and Sundays only, a municipal bus, to be operated from the terminus of the "C" line of the Municipal Railway on California street and Thirty-second avenue to the California Palace of the Legion of Honor, in Lincoln Park, for the convenience of persons desiring to visit the world-famous Walker Loan Collection of Paintings, which were then on exhibit in the said California Palace of the Legion of Honor; and

Whereas, this bus is still being operated, at a considerable loss to the Municipal Railway, and there is no further necessity for the continuance of its operation; therefore, be it

Resolved, That the Board of Public Works be authorized and directed to discontinue the operation of said bus; and be it

Further Resolved, That Resolution No. 24565 (New Series) be and the same is hereby repealed.

Creating Municipal Railway Depreciation Fund.

On motion of Supervisor Shannon:

Bill No. 7546, Ordinance No. —— (New Series), as follows:

Creating certain funds into which shall be paid certain sums and percentages of revenues derived from the operation of the Municipal Railway, appropriating said sums and percentages for the purposes herein stated, and repealing Ordinance No. 3109 (New Series), approved February 9, 1915.

Be it ordained by the People of

the City and County of San Francisco as follows:

Section 1. All money derived from the operation of the Municipal Railway shall be deposited in the Treasury to the credit of the Municipal Railway Fund, and appropriations therefrom are hereby made for the following purposes:

1. To meet the costs and expenses of operation.

2. From time to time there shall be set aside from said Municipal Railway Fund a sum or sums that shall aggregate annually a sum equal to two and one-half per cent of the gross passenger revenue of said railway and credited to the "Accident Reserve Fund," which fund is hereby created, and shall be used, to pay claims for accidents and damages resulting from the operation of said railway (other than accidents to employees), and expenses incidental thereto, such as expenditures of claim and legal departments. Appropriations to pay such claims are hereby made.

3. From time to time there shall be set aside and transferred to the several bond interest and redemption funds sums sufficient to pay and in season to pay the principal and interest upon all bonds issued for the purpose of constructing said Municipal Railway.

4. From time to time there shall be set aside and transferred to the "Depreciation Reserve Fund," which fund is hereby created, a sum or sums which shall during the fiscal year aggregate a sum equal to 3 per cent of the total cost of the road and equipment of said Municipal Railway. The moneys in such "Depreciation Reserve Fund" shall be used for the purpose of meeting all charges and expenses that may arise on account of replacement, reconstruction and depreciation of and to the Municipal Railway. The Treasurer is hereby authorized to invest any surplus in said funds in such interest-bearing bonds as the law may authorize surplus municipal funds to be invested. All interest earned thereon shall be credited to the operative fund.

Section 2. It is hereby ordered that there shall be transferred from the existing Depreciation Fund provided for by Ordinance No. 3109 (New Series) and credited to the "Accident Reserve Fund," herein created, the sum of one hundred thousand dollars, and that there shall be transferred from said Depreciation Fund and credited to the Depreciation Reserve Fund the sum of one hundred thousand dollars. The money remaining in said "Depreciation Fund" after such transfers have been made shall be subject to appropriations heretofore made or to be hereafter made by the Board of Supervisors.

Section 3. That the Classification of Accounts as prescribed by the Interstate Commerce Commission for electric railways be adopted by the Board of Public Works as its authority in accounting for all transactions of the railroad, and, in accordance with common custom, accounts shall be so arranged that a complete profit and loss account and balance sheet may be furnished monthly.

Section 4. Ordinance No. 3109 (New Series), approved February 9, 1915, is hereby repealed.

Section 5. This ordinance shall take effect immediately.

Discontinuance of Robert Searls' Contract as Special Hetch Hetchy Counsel.

The following was taken up:

Resolution No. ——— (New Series), as follows:

Whereas, the contract under which Robert M. Searls is employed as Special Legal Counsel for the Hetch Hetchy project expired on March 1, 1926; and

Whereas, in the judgment of the Board of Supervisors the legal work in connection with the Hetch Hetchy project can be handled, at least temporarily, by the City Attorney; therefore, be it

Resolved, That the services of Robert M. Searls as Special Counsel for the Hetch Hetchy project be discontinued and the contract for his employment be not renewed.

Changing Grades, Green Street.

On motion of Supervisor Badaracco:

Bill No. 7547, Ordinance No. —— (New Series), as follows:

Changing and reestablishing the official grades on Green street between lines respectively 206.17 and 244 feet easterly from Jones street.

Whereas, the Board of Supervisors, on the written recommendation of the Board of Public Works, did, on the 13th day of February, 1926, by Resolution No. 25177 (New Series) declare its intention to change and reestablish the grades on Green street between lines respectively 206.17 and 244 feet easterly from Jones street; and

Whereas, said resolution was so published for ten days, and the

Board of Public Works within ten days after the first publication of said resolution of intention caused notices of the passage of said resolution to be conspicuously posted along all streets specified in the resolution, in the manner and as provided by law; and

Whereas, more than forty days has elapsed since the first publication of said resolution of intention; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The grades on the following named streets at the points hereinafter named and at the elevations above city base as hereinafter stated, are hereby changed and established as follows:

Intention to Open New Street, Fraser Street.

Supervisor Badaracco presented:

Resolution No. 25507 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors of the City and County of San Francisco to order the opening of a new street, to be known as Fraser street, from Newcomb avenue and Toland street to Jerrold avenue west of Toland street.

The land deemed necessary to be taken for the opening of said new street from Newcomb avenue and Toland street to Jerrold avenue west of Toland street is particularly described as follows, to-wit:

Beginning at a point distant 260 feet at right angles northeasterly from the northeasterly line of Oakdale avenue and distant 600 feet at right angles northwesterly from the northwesterly line of Selby street, said point of beginning being the northeasterly corner of proposed Toland street and proposed Newcomb avenue, as described in Resolutions Numbers 17639 and 24089 (New Series), of the Board of Supervisors of the City and County of San Francisco; thence northwesterly on a curve to the right of 274-foot radius, tangent to a line parallel with the northeasterly line of Oakdale avenue, central angle 90 degrees, a distance of 430.399 feet; thence northeasterly tangent to the preceding curve and parallel with Selby street 786 feet to a point on the southwesterly line of Jerrold avenue; thence at right angles northwesterly and along the southwesterly line of Jerrold avenue, a distance of 40 feet; thence at right angles southwesterly and parallel with Selby street, a distance of 786 feet; thence southeasterly on a curve to the left of 314-foot radius, tangent to the preceding course, central angle 90 degrees, a distance of 493-231 feet to a point distant 220 feet at right angles northeasterly from the northeasterly line of Oakdale avenue and distant 600 feet at right angles northwesterly from the northwesterly line of Selby street, said point being the southeasterly corner of proposed Toland street and proposed Newcomb avenue as described in the resolutions hereinbefore mentioned; thence northeasterly at right angles with the tangent to the preceding course and parallel with Selby street, a distance of 40 feet to the point of beginning, excepting therefrom those parcels described in Resolutions Numbers 17639 and 24089 (New Series) of the Board of Supervisors of the City and County of San Francisco, for the opening of McKinnon avenue, Newcomb avenue and Toland street.

The damages, costs and expenses of opening said street are nominal and no assessment district is necessary to be formed for the purpose of paying damages, costs and expenses thereof.

Said opening of said new street to be known as Fraser street from Newcomb avenue and Toland street to Jerrold avenue west of Toland street shall be done in pursuance of Chapter III of Article VI of the Charter of the City and County of San Francisco, and shall be done in the manner and in accordance with the provisions of Section 2 and sections following Section 2 of Chapter III of Article VI of said Charter of the City and County of San Francisco.

Bill No. 7554, Ordinance No. —— New Series), entitled, "Changing and reestablishing of the official grades on Fifteenth and Sixteenth avenues between Quintara and Rivera streets and on Rivera street between Sixteenth and Seventeenth avenues."

Replacement of Pavement by Private Corporations.

The following resolution, heretofore presented by Supervisor Badaracco, recommended by Streets Committee and laid over from last meeting, was taken up:

Resolution No. ——— (New Series), as follows:

Whereas, the public service corporations have been given undue privileges by the Board of Public Works to open up the streets of San Francisco, to the grave damage of said streets; and

Whereas, the surface of said streets is permitted to remain in a broken condition or with inadequate replacement of paving after such work is completed; and

Whereas, in several instances new concrete pavings recently laid by the City at the taxpayers' expense have been opened by said corporations immediately after completion, under permit from the Board of Public Works, to the lasting damage and partial destruction of said pavements; and

Whereas, such destruction is unnecessary, unjustifiable, and can be prevented by proper enforcement of the laws and protection of the City's interests; therefore, be it

Resolved, That the Board of Public Works be and it is hereby instructed to see that all ordinances dealing with this subject matter are properly enforced hereafter; and in particular that streets be immediately repaired, and with proper material, immediately upon completion of work done by any public service corporation; and be it

Further Resolved, That further legislation be adopted by this Board whereby the Board of Public Works will be instructed and directed to notify each public service corporation of the intention of the City to pave any section of streets within the city limits thirty days in advance of the commencement of the work by the City, to the end that all underground installation necessary to be made by said corporation in said streets will then and there be made, and further providing

that no permit to open such newly paved street shall be hereafter granted by the City for a period of two years after such paving is completed; and be it

Further Resolved, That the City Attorney be instructed to prepare such legislation as is necessary to carry this policy into effect.

Supervisor Harrelson's Substitute.

Supervisor Harrelson presented as a substitute:

Resolution No. ——— (New Series), as follows:

Whereas, the public service corporations and the Board of Public Works have opened up the pavements in the streets of San Francisco to the grave damage of the said pavements; and

Whereas, the surface of said pavements is permitted to remain in a broken condition, or with inadequate replacement after such work is completed; and

Whereas, in many instances newly laid pavements, constructed at the expense of the taxpayers, have been opened by such corporations and the Board of Public Works immediately after completion to the lasting damage and partial destruction of said pavements; and

Whereas, such damage is almost wholly unnecessary and unjustifiable and can be decreased by a proper enforcement of the laws and protection of the City's interest; and

Whereas, accumulated debris, resulting from the opening up and the replacement of said pavements is allowed to remain, causing unnecessary nuisance to the public; therefore, be it

Resolved, That the Board of Public Works be and is hereby instructed to enforce all ordinances dealing with this subject matter, and that pavements be immediately and properly reconstructed upon completion of work done in the street. Be it

Further Resolved, That the Board of Public Works shall be instructed and directed to notify each public service corporation of the intention of the City, or property owners to pave any section of the streets within the city limits thirty (30) days in advance of the commencement of the paving, to the end that all underground installation, necessary to be made, will then and there be made. Be it

Further Resolved, That the City Attorney in conjunction with the City Engineer be instructed to prepare such resolution as is necessary to carry this project into effect.

Action Deferred.

Whereupon, on motion of Supervisor Colman, both resolutions were *laid over one week and referred to the Streets and Commercial Development Committee.*

Summer Symphony Concerts, Citizens' Committee.

Supervisor Marks presented:

Resolution No. 25513 (New Series), as follows:

Whereas, an enterprise is in progress providing for a series of concerts in San Francisco during the summer months under the auspices of the Summer Symphony Association; and

Whereas, the said enterprise is intended for the cultural betterment of this City and its success will be of inestimable benefit to the entire community; now, therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco endorses the plan of the Summer Symphony Association for the said concerts and recommends the same to the wholehearted support of the people of this City; and be it

Further Resolved, That Hon. James Rolph, Jr., Mayor of the City and County of San Francisco, be and is hereby requested to appoint a citizens' committee of such number as he may deem advisable to cooperate with the Summer Symphony Association for the purpose of insuring its success.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —16.

Absent—Supervisors Deasy, Welch —2.

Thos. Flaherty, Sealer of Weights and Measures, Delegated to Represent San Francisco at Convention.

Supervisor Shannon presented:

Resolution No. 25515 (New Series), as follows:

Whereas, this Board has been advised by a communication from the Department of Commerce, Bureau of Standards, addressed to his Honor the Mayor, that the Nineteenth National Conference on Weights and Measures will be held in Washington, D. C., May 25 to 28, 1926, and inviting the City to be represented by the Sealer of Weights and Measures of the City and County of San Francisco at such conference; therefore, be it

Resolved, That Thomas Flaherty, Sealer of Weights and Measures of this City and County, be and is hereby authorized and directed to represent the City and County of San Francisco at said conference to be held in Washington, D. C., upon the dates as above set forth.

Adopted by the following vote:

Absent—Supervisors Deasy, Welch —2.

Rezoning Sunset District.

Supervisor Gallagher presented:

Resolution No. —— (New Series), as follows:

Whereas, the process of rezoning Judah and other streets in the Sunset District has occasioned much debate and some rancor; and

Whereas, it is the sense of this Board that these neighborhood difficulties are not in the best interest of this City; and

Whereas, there is likely to be a recurrence of the above conditions unless a general outline or plan is considered embracing the whole district, with an eye to its future growth; therefore, be it

Resolved, That the City Planning Commission is requested to make a survey of the Sunset District, and to indicate or recommend a plan rezoning that in its judgment will fit the future requirements of the so-called Sunset District; and which plan will, if approved by this Board, be notice to all persons of what kind of buildings and business will be allowed on certain streets in said district; and be it

Further Resolved, That in conjunction with the above the City Engineer is requested to advise this Board of any plans or suggestions as to what streets are to be selected for future car lines in the Sunset District.

Referred to City Planning Committee.

Heights of Buildings in Residence Districts.

Supervisor Gallagher presented:

Resolution No. ——— (New Series), as follows:

Whereas, the peace of neighborhoods, the convenience of citizens and the comfort of homes have been threatened and sometimes violated by the fact that property owners often insist on building higher than adjoining buildings and out of conformity with the homes already built; and

Whereas, there seems to be an imperative need for regulations on this subject; therefore, be it

Resolved, That the Building Committee, the City Planning Committee of this Board of Supervisors, the City Planning Commission and the Hon. John P. Horgan, Chief of the Bureau of Building Inspection, are requested to confer and to present to this Board at the earliest date an ordinance regulating and limiting the height of buildings in the residential areas and in any

other districts they deem such regulation necessary.

Referred to Public Buildings and City Planning Committees.

ADJOURNMENT.

There being no further business the Board at 6:30 p. m. adjourned.

J. S. DUNNIGAN,

Municipal Bus Line Service Between Edna Street, Monterey Boulevard and Forest Hill Station.

Bill No. 7545, Ordinance No. 7059 (New Series), as follows:

Providing for the operation of a bus line in connection with the Municipal Railway between Edna street and Monterey boulevard and Forest Hill Station, prescribing the route therefor and repealing certain portions of Ordinance No. 6724 (New Series) in conflict therewith.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whereas, under Ordinance No. 6724 (New Series), finally passed by the Board of Supervisors August 10, 1925, and approved by the Acting Mayor on August 11, 1925, the City did accept an offer of the Residential Development Company of San Francisco to purchase and furnish to the City and County of San Francisco three (3) new busses, and the said City and County of San Francisco did agree to install and maintain a bus line on Monterey boulevard between Junipero Serra boulevard and Genesee street, to be operated in connection with and as a part of the Municipal Railway System, and to operate a certain number of busses between certain hours prescribed therein, and other prescribed conditions; and

Whereas, the Residential Development Company has delivered the three (3) busses in accordance with the terms of its offer; and

Whereas, the operation of the busses along the route on Monterey boulevard prescribed in said Ordinance No. 6724 (New Series) has been protested by the residents of St. Francis Wood; and

Whereas, the Residential Development Company, in order to eliminate the causes of such protest, has agreed in writing, under date of April 9, 1926, to a new route for the bus line as hereinafter set forth in lieu of that prescribed in Ordinance No. 6724 (New Series);

Now, therefore, be it ordained that the Board of Public Works is hereby authorized and instructed to install and operate immediately upon the completion of the paving of Laguna Honda boulevard north of Portola drive, which work it is estimated will require ninety days to complete, a municipal bus line along and over the following route:

Commencing at the intersection of Monterey boulevard and Edna street, thence south on Edna street to Hearst avenue, thence westerly on Hearst avenue to Hamburg street, thence northerly on Hamburg street to Monterey boulevard, thence westerly on Monterey boulevard to Plymouth avenue, thence in a general northerly direction over Plymouth avenue, Yerba Buena avenue, Miraloma drive, Portola drive and Laguna Honda boulevard to Forest Hill Station, and thence returning via Laguna Honda boulevard, Portola drive, Miraloma drive, Yerba Buena avenue, Plymouth avenue and Monterey boulevard to Edna street.

Transfers shall be exchanged between said bus line and the Municipal cars operated through the Twin Peaks tunnel.

Section 2. Such portions of Ordinance No. 6724 (New Series) as prescribe a route for a bus line specifically from the intersection of Junipero Serra boulevard and Monterey boulevard, thence running along Monterey boulevard to Genesee street and returning, and such other portions of said ordinance as may conflict with the provisions of this ordinance are hereby repealed.

Creating Municipal Railway Depreciation Fund.

Bill No. 7546, Ordinance No. 7060 (New Series), as follows:

Creating certain funds into which shall be paid certain sums and percentages of revenues derived from the operation of the Municipal Railway, appropriating said sums and percentages for the purposes herein stated, and repealing Ordinance No. 3109 (New Series), approved February 9, 1915.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. All money derived from the operation of the Municipal Railway shall be deposited in the Treasury to the credit of the Municipal Railway Fund, and appropriations therefrom are hereby made for the following purposes:

1. To meet the costs and expenses of operation.

2. From time to time there shall be set aside from said Municipal

Railway Fund a sum or sums that shall aggregate annually a sum equal to two and one-half per cent of the gross passenger revenue of said railway and credited to the "Accident Reserve Fund," which fund is hereby created, and shall be used, to pay claims for accidents and damages resulting from the operation of said railway (other than accidents to employees), and expenses incidental thereto, such as expenditures of claim and legal departments. Appropriations to pay such claims are hereby made.

3. From time to time there shall be set aside and transferred to the several bond interest and redemption funds sums sufficient to pay and in season to pay the principal and interest upon all bonds issued for the purpose of constructing said Municipal Railway.

4. From time to time there shall be set aside and transferred to the "Depreciation Reserve Fund," which fund is hereby created, a sum or sums which shall during the fiscal year aggregate a sum equal to 3 per cent of the total cost of the road and equipment of said Municipal Railway. The moneys in such "Depreciation Reserve Fund" shall be used for the purpose of meeting all charges and expenses that may arise on account of replacement, reconstruction and depreciation of and to the Municipal Railway. The Treasurer is hereby authorized to invest any surplus in said funds in such interest-bearing bonds as the law may authorize surplus municipal funds to be invested. All interest earned thereon shall be credited to the operative fund.

Section 2. It is hereby ordered that there shall be transferred from the existing Depreciation Fund provided for by Ordinance No. 3109 (New Series) and credited to the "Accident Reserve Fund," herein created, the sum of one hundred thousand dollars, and that there shall be transferred from said Depreciation Fund and credited to the Depreciation Reserve Fund the sum of one hundred thousand dollars. The money remaining in said "Depreciation Fund" after such transfers have been made shall be subject to appropriations heretofore made or to be hereafter made by the Board of Supervisors.

Section 3. That the Classification of Accounts as prescribed by the Interstate Commerce Commission for electric railways be adopted by the Board of Public Works as its authority in accounting for all transactions of the railroad, and, in accordance with common custom, accounts shall be so arranged that a complete profit and loss account and balance sheet may be furnished monthly.

Section 4. Ordinance No. 3109 (New Series), approved February 9, 1915, is hereby repealed.

Section 5. This ordinance shall take effect immediately.

Denial of Zoning Change.

Supervisor Marks presented:

Resolution No. 25526 (New Series), as follows:

Whereas, Kernan Robson has filed his application to change the classification of his property, situated on the northwest corner of Jackson and Gough streets, from the First Residential District to the Second Residential District, as delineated upon the use of property zone maps constituting a part of Ordinance No. 5464 (New Series); and

Whereas, said application was denied by the City Planning Commission and thereafter a hearing was held by the City Planning Committee of this Board whereat said applicant appeared and presented arguments in favor of said application and, having heard all objections thereto, said City Planning Committee did recommend to this Board that said application be denied; and

Whereas, a further hearing has been held by this Board in the matter of said application, and said applicant has been given full opportunity to present all reasons why said application should be granted and the change of classification of

his property should be made; now, therefore,

Resolved, and it is hereby determined, That the public health, safety and welfare and public interest require that said application be denied, and it is accordingly so ordered.

Accepting Offer to Sell Lands Required for School Purposes.

Supervisor Powers presented:

Resolution No. 25528 (New Series), as follows:

Whereas, an offer has been received from Ben F. Sueffert to convey to the City and County of San Francisco certain land situate west line of Twenty-third avenue, distant 200 feet southerly from Quintara street, required for school purposes; and

Whereas, the price at which said parcel of land is offered is the reasonable value thereof; therefore, be it

Resolved, That the offer of the said owner to convey to the City and County of San Francisco a good and sufficient fee simple title to the following described land, free of all encumbrances, for the sum of $1,800 be and the same is hereby accepted, the said land being described as follows, to-wit:

Commencing at a point on the westerly line of Twenty-third avenue, distant thereon 200 feet southerly from the southerly line of Quintara street, running thence southerly along said westerly line of Twenty-third avenue 50 feet; thence at a right angle westerly 120 feet; thence at a right angle northerly 50 feet; thence at a right angle easterly 120 feet to the westerly line of Twenty-third avenue and point of commencement. Being a portion of Block 2194 on Assessor's Map Book.

The City Attorney is hereby directed to examine the title to said land, and, if the same is found to be vested in the aforesaid owner, free of all encumbrances, and that the taxes up to and including the current fiscal year are paid, and that the so-called McEnerney title has been procured or sufficient money reserved for the purpose of procuring the same, to report the result of his examination to the Board of Supervisors, and also to cause a good and sufficient deed for said land to be executed and delivered to the City and County upon payment of the agreed purchase price as aforesaid. And the said deed to said land is hereby accepted.

Declaring Fell Street Between Baker and Stanyan Streets, Bay Street Between Van Ness Avenue and Laguna Street to Be Public Boulevards.

On motion of Supervisor Bath:

Bill No. 7558, Ordinance No. —— (New Series), as follows:

Amending paragraphs (c), (d) and (e) of Section 18-A of Ordinance No. 1857 (New Series), regulating traffic on the public streets, in relation to certain streets declared to be boulevards.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Paragraphs (c), (d) and (e) of Section 18-A of Ordinance No. 1857 (New Series) are hereby amended so as to read as follows:

(c) Fell street between Baker street and Stanyan street, and Bay street between Van Ness avenue and Laguna street are hereby declared to be open public boulevards.

(d) No heavy traffic shall be allowed to pass upon and along Fell street between Baker street and Stanyan street and Bay street between Van Ness avenue and Laguna street, and the words "heavy traffic" herein used shall be held to include all trucks and all wagons and other vehicles employed in carrying goods, merchandise, hay, coal, lumber, building material, sand, manure, oil or other articles of commerce, but shall not be held to include vehicles carrying goods for retail delivery to persons residing upon said boulevards. All

vehicles shall be permitted to travel upon said boulevards for a distance of less than one block when carrying goods to be delivered at a point within the block so traveled.

(e) No permit shall be issued for the moving of any houses upon and along Fell street between Baker street and Stanyan street, and Bay street between Van Ness avenue and Laguna street, except as may be necessary to cross same at intersections.

Compromise of Gas and Electric Rate Litigation.

Resolution No. ——— (New Series), as follows:

Whereas, there are pending in the United States District Court for the Northern District of California four suits, numbered 27, 32, 97 and 190 on the equity file of said court, in all of which suits the Pacific Gas and Electric Company is plaintiff and the City and County of San Francisco and its officers are defendants; and

Whereas, said suits involve judicial determination of the validity under the United States Constitution of ordinances numbered 2349, 2348, 2814 and 3338 (all new series), of the City and County of San Francisco, prescribing and fixing respectively rates to be charged by public service corporations in San Francisco for electricity during the fiscal year 1913-14, and for gas during the fiscal years 1913-1914, 1914-15 and 1915-16; and

Whereas, the decrees previously rendered by the District Court in the City's favor in said suits numbered 27, 97 and 190, involving gas rates, have been reversed on appeal by the Supreme Court of the United States, and the suits sent back for retrial; and in case No. 32, involving electric rates, the report of the Master in Chancery recommends issuance of an injunction prohibiting the enforcement of said rates; and

Whereas, the City Attorney has transmitted to the Board of Supervisors a written communication from the Pacific Gas and Electric Company, dated December 16, 1925, offering to compromise and settle all of said suits upon certain terms therein set forth; and

Whereas, both former City Attorney George Lull, who was in office pending the trial and appeal of the foregoing litigation, and the present City Attorney, John J. O'Toole, have recommended in writing that this Board authorize and direct the settlement of said suits upon the terms set forth in said communication from the Pacific Gas and Electric Company dated December 16, 1925; and

Whereas, after a careful examination and consideration of all the facts relating to said suits and the controversies therein involved, which have been submitted, the Board of Supervisors believes, in view of the large number of consumers who are interested in the outcome of said suits, of the considerable time which must elapse and the large expense to the taxpayers that must be incurred before the suits could again be tried and a final decision had, of the doubt that the City Attorney expresses as to the eventual outcome of the litigation by reason of the opinion of the United States Supreme Court rendered in the reversal of previous decrees in the Citys' favor, and in view of the relatively small amounts payable to individual consumers under any outcome of the suits, that the best interests of the City and the ratepayers will be conserved by a compromise along the lines recommended by the City Attorney; now, therefore, be it

Resolved, That the offer of the Pacific Gas and Electric Company to settle and compromise said four suits be and it is hereby accepted: that the City Attorney be and he is hereby authorized and directed to enter into stipulations with counsel for the Pacific Gas and Electric Company for the entry of decrees in said four suits which shall finally settle and dispose of the same upon the terms and conditions set forth in said letter from said company dated December 16, 1925; that the City Attorney be and he is hereby directed to take all steps necessary to see that said decrees when entered by the court are duly executed so as to protect the interests of the City and the ratepayers in the premises.

Board of Public Works to Enforce Ordinance Regulating the Opening of Pavements by Public Service Corporations.

The following matter was ordered *rereferred to the Streets and Commercial Development Committee*:

Resolution No. ——— (New Series), as follows:

Whereas, the public service corporations have been given undue privileges by the Board of Public Works to open up the streets of San Francisco, to the grave damage of said streets; and

Whereas, the surface of said streets is permitted to remain in a broken condition or with inadequate replacement of paving after such work is completed; and

Whereas, in many instances newly laid pavements recently laid by the City at the taxpayers' expense have been opened by the said corporations and the Board of Public Works immediately after completion under permit of the Board of Public Works, to the lasting damage and partial destruction of said pavements; and

Whereas, such destruction is unnecessary and unjustifiable and can be prevented by proper enforcement of the laws and protection of the City's interests; and

Whereas, accumulated debris resulting from the opening up and replacement of said pavements is allowed to remain, causing unnecessary nuisance to the public; therefore, be it

Resolved, That the Board of Public Works be and is hereby instructed to see that all ordinances dealing with this subject matter are properly enforced hereafter, and in particular that streets be immediately repaired with proper material immediately upon completion of work done by any public service corporation or Board of Public Works. Be it

Further Resolved, That further legislation be adopted by this Board whereby the Board of Public Works will be instructed and directed to notify each public service corporation of the intention of the City to pave any section of streets within the city limits thirty days in advance of the commencement of the work by the City, to the end that all underground installation necessary to be made by said corporations in said streets will then and there be made, and further providing that no permit to open such newly paved streets shall be hereafter granted by the City for a period of two years without permission of the Board of Supervisors being first had and obtained. And be it

Further Resolved, That the City Attorney, in conjunction with the City Engineer, be instructed to prepare such legislation as is necessary to carry this policy into effect.

Extension of Time, Frank Bryant.

Supervisor Badaracco presented:

Resolution No. 25529 (New Series), as follows:

Resolved, That Frank Bryant is hereby granted an extension of thirty days' time from and after April 14, 1926, within which to complete the construction of the bridge on Evans avenue at Army street. This extension of time is granted for the reason that the contractor has been delayed by incompleted excavation under another contract.

Whereas, this Board has, by Resolution No. 25276 (New Series), declared its intention to close up and abandon a portion of Ellington avenue, situated in the City and County of San Francisco, and hereinafter more particularly described; and

Whereas, proper notice of said resolution and of said proposed closing and abandoning of a portion of Ellington avenue was duly given by the Board of Public Works of said City and County by publication and posting in the manner provided by Section 3, Chapter III, Article VI of the Charter of the City and County; and

Whereas, more than 10 days have elapsed after the expiration of the publication of said notice, and no objections to the closing and abandonment of said portion of Ellington avenue were made or delivered to the Clerk of this Board within said period of ten days, or at all; and

Whereas, it is the opinion of this Board that the public interests and convenience will be conserved by the closing and abandonment of said portion of Ellington avenue; and

Whereas, in and by said Resolution No. 25276 (New Series) this Board did declare that the damages, costs and expenses of closing said street is nominal, and no assessment district is necessary to be formed for the purpose of paying the damages, costs and expenses thereof, the Board of Supervisors hereby declares and determines that the whole damage, cost and expense of closing said street shall be paid out of the revenues of the City and County of San Francisco; and

Whereas, the said work is for closing of a portion of said Ellington avenue, and it appears to this Board that no assessment is necessary; now, therefore, be it

Resolved, That said closing and abandonment of a portion of said Ellington avenue be and the same is hereby ordered and that the said portion of Ellington avenue be and the same is hereby closed and abandoned as a public street. The said portion of Ellington avenue hereinabove referred to is more particularly bounded and described as follows, to-wit:

Commencing at the point of intersection of the northeasterly line of Foote avenue with the present northwesterly line of Ellington avenue, running thence northeasterly along the present northwesterly line of Ellington avenue 176.113 feet; thence deflecting 89 degrees 52 minutes to the right and running southeasterly 10 feet; thence deflecting 90 degrees 08 minutes to the right and running southwesterly, parallel with the present northwesterly line of Ellington avenue, 176.136 feet to the northeasterly line of Foote avenue; thence at right angles northwesterly along the northeasterly line of Foote avenue 10 feet to the point of beginning. Be it

Further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Works and that the Board of Public Works be instructed to proceed thereafter as required by law and the Charter of the City and County of San Francisco, and the Clerk of this Board is hereby directed to advertise this resolution in The Bulletin, as required by law.

Amending Western Pacific Spur Track Permit, Ninth Street.

On motion of Supervisor Badaracco:

Bill No. 7566, Ordinance No. —— (New Series), entitled, "Amending Section 1, Ordinance No. 6862 (New Series), which granted permission, revocable at will of the Board of Supervisors, to the Western Pacific Railroad Company, a corporation, to construct, maintain and operate spur tracks upon, along and across certain streets and alleys in the City and County of San Francisco, State of California, as hereinafter described, by terminating the privilege for such spur track on Ninth street at a projection of the southeasterly line of Sheridan street."

Spur Track Permit, Western Pacific Railroad Company.

On motion of Supervisor Badaracco:

Bill No. 7567, Ordinance No. —— (New Series), as follows:

Granting permission, revocable at will of the Board of Supervisors, to The Western Pacific Railroad Company to construct, maintain and operate a spur track along Illinois street and across Army street, Twenty-sixth street, Michigan street and a portion of Georgia street, as hereinafter described.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission, revocable at will of the Board of Supervisors, is hereby granted to The Western Pacific Railroad Company to construct, maintain and operate a spur track as follows:

Beginning at a point of connection in the existing track of The Western Pacific Railroad Company in Georgia street, said point being distant approximately 20 feet easterly from the westerly line of said Georgia street and approximately 110 feet southerly from the southerly line of Twenty-fifth street; thence in a general westerly direction, with turnout to the left, approximately 215 feet to a point in the easterly line of Michigan street, distant thereon approximately 125 feet southerly from the southerly line of said Twenty-fifth street, said point also being distant 13 feet southerly from the present "interchange track" of The Western Pacific Railroad Company; thence in a general westerly and southerly direction 13 feet easterly from and parallel with said "interchange track," and crossing Michigan street, Twenty-sixth street and along Illinois street to a point of connection with said "interchange track" in said Illinois street, said last named point being distant approximately 60 feet southerly from the southerly line of Army street.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and the provisions and conditions of Section 8 thereof are hereby specifically contained in the permit hereby granted and shall be construed as a part hereof as completely as though the same were written in this ordinance.

Provided, that said spur track shall be laid under the supervision and to the lines and grades as furnished by the City Engineer's office; and that any and all expenses connected with the installation of the track, restoration of the pavement, and any adidtional requirements for the surface drainage be paid for by The Western Pacific Railroad Company.

Provided, that The Western Pacific Railroad Company shall erect and maintain all-night lighted arc lamps to be placed where directed by the Lighting Committee of the Board of Supervisors.

Section 2. This ordinance shall take effect immediately.

Reconsideration, Lease of McLeran Building.

The following matter was read by the Clerk and on motion of Supervisor Shannon made a part of the record:

Opinion of City Attorney.

April 19, 1926.

Gentlemen:

Receipt is acknowledged of your letter dated the 13th inst., enclosing a letter of April 12th from Benjamin M. Gunn & Co.

You have requested me to express an opinion on the following subject:

"The Board of Supervisors desires to known if the agreement or contract to purchase such as Mr. Gunn proposes can be legally considered and entered into by the Board of Supervisors."

Opinion.

Under the authority of the matter of the controversy of the City and County of San Francisco and Thomas F. Boyle, 69 Cal. Dec. 183, it was held that the City has the power to lease property but that it has not the power to enter into an agreement for the conditional purchase of real property.

Mr. Gunn's proposal recites as follows:

"For the amount of rent which it seems you are willing to pay and in the same installments as you would pay during such ten years lease, I now offer you over three times the space, in a fine brick and steel frame building, directly opposite the Hall of Justtce, and in addition, without any additional extra payments will in consideration of such payments for ten years, give you clear and unincumbered title to the property. * * *

"The direct result of accepting this offer will be that instead of having 120 valuless rent receipts at the end of the ten-year period, you will have a fine building and lot for nothing, with permanently free rent forever thereafter. * * *"

From the language quoted from the letter of Gunn & Co. and other statements in their communication as well as an absence of the amount of the rent to be charged a court may construe it as not an offer to lease that is being made but that it is an offer to sell. The letter is susceptible of such an interpretation by the court and if the court concluded that it is a conditional agreement to purchase real property, it would also hold it was beyond your powers to make such an agreement.

There is nothing to inhibit your entering into a lease coupled with an option to purchase, but the option to purchase must be in such form that no liability, present or future, will attach to the City and County in the event you do not exercise the option.

It is my opinion that, as Benj. M. Gunn & Co. have made an offer which, despite the fact that it may be called a lease, is susceptible of being construed by the court as an agreement to purchase real property, it would be hazardous to accept the proposal as outlined in the letter of April 12, 1926.

Respectfully,

(Sgd) JNO. J. O'TOOLE,

City Attorney.

Communication From Adult Probation Department.

The following was read, and on motion of Supervisor Shannon, *made part of the record*:

April 13, 1926.

Hon. Board of Supervisors, City Hall, Civic Center, San Francisco, California.

Gentlemen:

This letter is sent at the request of Supervisor McSheehy of your Honorable Board, relative to the amount of office space required for proper housing of the Adult Probation Department.

At the present time the Adult Probation Department has about 1200 feet of floor space. It will need about 1800 to 2000 feet for the ten employees, including a room for 20 filing cabinets containing records of the department and a waiting room.

The present office is the old Grand Jury room divided by glass partitions into six offices. Two of these rooms are occupied by two assistants. Each officer should have a room to himself. It needs some method for proer ventilation as the ventilation is very bad.

It is the concensus of opinion of those interested in the work of this department, that it would be an advantage to probationers to have them report at some other environment rather than the Hall of Justice. A number of probationers and their relatives have made requests that probationers be allowed to report at some other place. I receive letters at my home from probationers who reside in small towns as they do not desire to have it known that they are writing to people at the Hall of Justice.

If the department could be accommodated with quarters in close connection with the Hall of Justice I fell that it would be an advantage to the work.

Respectfully submitted,

WM. H. NICHOLL,

Chief Adult Probation Department.

Communication From City Efficiency League.

The following was read, and on motion of Supervisor Shannon, *made part of the record*:

Hon. Board of Supervisors, San Francisco, California.

Gentlemen:

The City Efficiency League respectfully protests leasing outside offices.

(1) It sets a bad precedent.

(2) It is a temporary makeshift affair, matter should be settled now in a permanent manner.

The City Efficiency League respectfully suggests purchase of 68½ feet of frontage on Montgomery street with an irregular depth of 137½ feet on Merchant street. Immediate erection of a 5-story building to house the following:

Police garage in the basement (9500 square feet);

Police Department and Probation Officer on first and second floors;

Health Department (until building is erected at Civic Center) on third and fourth floors;

Women's Jail (now at Ingleside) on fifth floor, with roof garden.

Acquiring the remaining parcels of land in this block from time to time to meet future requirements of the various departments. Inevitable enlargement of Jail Branch No. 1 must be anticipated. Capacity 215. On April 18, 193 were in jail.

Locating the Women's Jail in this annex will make possible the elimination of duplication in the organization as follows:

On April 18th there were 21 women in Ingleside Jail.

On April 18th there were 8 women in the City Jail.

From the standpoint of efficiency these departments should be consolidated in order to avoid duplication of matron, police women and culinary department.

The buildings used for women prisoners at Ingleside are antiquated. They are located on four acres of ground and surrounded by an atrocious high whitewashed fence. Ridding Ingleside of this jail unit would certainly be a step in the right direction, Ingleside has become a residential district—the entire County Jail outfit should be removed from this residential district.

Present conditions have prevailed at the Hall of Justice for several years, delay of a year for acquiring property and erecting building will be no killing matter. We appeal to you to give this suggestion your serious and favorable consideration.

Yours truly,

CITY EFFICIENCY LEAGUE,

ADOLPH UHL,

Manager.

P. S.—We are advised there are 52 federal persons in Jail No. 1 and 43 prisoners at Ingleside Jail. The United States Government is paying San Francisco 60 cents a day for them. Pre-war price. Necessary steps should be taken to request of the United States Gov-

ernment an advance in price to one dollar ($1.00) a day. Why should the taxpayers be called upon to make up the loss sustained on federal prisoners. It is unjust.

Motion.

Supervisor Roncovieri, seconded by Supervisor Colman, moved that Rule 10 be suspended and Adolph Uhl be granted the privilege of the floor.

Motion *lost* by the following vote:

Ayes — Supervisors Badaracco, Colman, Harrelson, Havenner, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd—11.

Noes — Supervisors Bath, Gallagher, Hayden, Kent, Marks—5.

Absent—Supervisors Deasy, Welch—2.

Supervisor McSheehy, in accordance with motion of Supervisor Kent previously made and carried, moved that the Board now adjourn.

Motion *lost* by the following vote:

Ayes — Supervisors Badaracco, Harrelson, Kent, McSheehy, Powers, Todd—6.

Noes—Supervisors Bath, Colman, Gallagher, Havenner, Hayden, Marks, Roncovieri, Schmidt, Shannon, Stanton—10.

Whereupon, the following resolution was declared *adopted*, to-wit:

Resolution No. 25538 (New Series), as follows:

Whereas, heretofore the City and County of San Francisco, by Resolution No. 25055, adopted by the Board of Supervisors of said City and County of San Francisco, invited bids for the leasing to the City and County of San Francisco premises for use as offices for the District Attorney's office, the Adult Probation Officer, the Public Defender's office, and the Grand Jury; and

Whereas, an offer has been filed with the Clerk of the Board of Supervisors by Louis T. Samuels, to lease to the City and County of San Francisco, in accordance with said Resolution No. 25055, certain offices on the fourth and fifth floors and the entire sixth and seventh floors in that certain building situate on the west side of Kearny street between Bush and Pine streets, and known and designated as No. 333 Kearny street, as per floor plans of said premises submitted by said Louis T. Samuels, and containing 7902 square feet of floor space, for a term of five (5) years, two and one-half (2½) months, at a monthly rental of fifteen cents per square foot of floor space, or at an annual rental of $14,233.60, thus making $74,081.25 total rental payable for said floor space, and payable in lawful money of the United States, as follows:

The sum of five hundred ninety-two and 65-100 ($592.65) dollars due on April 15, 1926, for the one-half month commencing April 15, 1926, to and including April 30, 1926; the sum of $1,185.30 due for the month commencing May 1, 1926, and the sum of $1,185.30 due for the month commencing June 1, 1926, aggregating the sum of $2,963.25 to be payable on July 1, 1926, and the sum of $1,185.30 payable on July 1, 1926, for the month commencing July 1, 1926, and a like sum of $1,185.30 on the first day of each and every month thereafter until the said sum of $74,801.25 has been fully paid; and

Whereas, the said offer of said Louis T. Samuels is the best and lowest offer submitted pursuant to said resolution; therefore, be it

Resolved, That said offer of said Louis T. Samuels be and the same is hereby accepted; and be it

Further Resolved, That his Honor the Mayor be and he is hereby authorized and requested to enter into a lease on behalf of the City and County of San Francisco, with said Louis T. Samuels, for the said premises, as shown and described in the floor plan submitted by said Louis T. Samuels, located in said building known and designated as No. 333 Kearny street, for the period of five years, two and one-half months, for use as offices for the said District Attorney, the Public Defender, the Adult Probation Officer and the Grand Jury, at a monthly rental of fifteen cents per square foot of floor space, or at the annual rental of $14,223.60, thus making $74,081.25 total rental payable for said floor space, and payable in lawful money of the United States; and be it

Further Resolved, That the sum of $2,963.25 be and the same is hereby set aside, appropriated and authorized to be expended out of General Fund, Fiscal Year 1925-

1926, for payment of rental from April 15 to June 30, 1926; and be it

Further Resolved, That the Mayor and the City Attorney shall negotiate with the proposed lessor for the purpose of obtaining a clause in the lease providing for the cancellation of said lease within a reasonable time; and be it

Further Resolved, That when completed said lease shall be submitted to the Board of Supervisors for ratification and shall not be effective until approved by the Board of Supervisors.

Ayes—Supervisors Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Marks, Powers, Roncovieri, Schmidt, Shannon, Todd—12.

Noes—Supervisors Kent, McSheehy, Stanton—3.

Board of Public Works to Prepare Plans, Etc., and Call for Bids for Additions to Hall of Justice.

Thereupon, the following resolution was presented by Supervisor McSheehy and *adopted*:

Resolution No. 25539 (New Series), as follows:

Whereas, repeated requests have been made for several years for additional room in the Hall of Justice for the Police Department, District Attorney, Public Defender and Adult Probation offices; and

Whereas, the increase of business is such that additional space must be provided for the proper transaction of business in these offices; and

Whereas, on April 12, 1926, by invitation of the Board of Supervisors, these officers appeared before said Board and stated that if certain alterations, giving to them more floor space than they now have in the Hall of Justice, could be made, they could transact their business in a more efficient manner than at the present time.

Resolved, That the Board of Public Works be requested to prepare plans and specifications and call for bids in two units, as follows:

1. For the removal of the identification bureau and the photograph gallery to the roof of the Hall of Justice.

2. (a) For the alteration of the main light well over the police garage.

(b) The light well over the Coroner's office to be decked.

(c) Alterations in the County Clerk's branch office so that one room may be used for other purposes.

(d) Police Commissioners' suite, now used principally for meeting once a week, to be altered, which will provide one large room for active Police Department work.

(e) The locker room in the Central Station to be remodeled for extra traffic bureau.

(f) Entire fourth floor to be remodeled so as to provide proper ventilation for the offices now occupying same.

These alterations will give to these various departments 6500 feet of floor space which will be more than sufficient to meet their demands.

Also, Resolved, That the Board of Public Works be requested to make an estimate of the cost of these alterations and transmit such estimate to the Finance Committee so that the proper item may be placed in next year's budget.

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Havenner, Hayden, Marks, McSheehy, Powers, Schmidt, Shannon, Stanton, Todd —13.

Absent—Supervisors Deasy, Harrelson, Kent, Roncovieri, Welch —5.

Yacht Regatta, Citizens Committee.

Supervisor Kent presented:

Resolution No. 25541 (New Series), as follows:

Whereas, the Pacific Coast championship regatta, to be held in August of this year in San Francisco, will be, according to present plans, one of the most spectacular and outstanding weeks that San Francisco has known in her colorful career; and

Whereas, this regatta, which will determine the official championships for all classes of yacht activities, races, etc., will bring to this community hundreds of yachts of all classes, including power and sail boats, hydroplanes, speed boats and allied craft from all the yacht clubs of the Pacific area, including the Pacific Coast of the United States, British Columbia and Hawaii; and

Whereas, the value to San Francisco of this outstanding and spectacular event, the official Pacific Coast championship regatta, with its nine-day feature program and national publicity, cannot be overestimated; therefore, be it

Resolved, That the Board of Supervisors indorses this event and hereby authorizes his Honor the Mayor to appoint a citizens' committee to work in conjunction with the Public Welfare and Publicity Committee of the Board to the end that this unique event may be an unqualified success.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd —16.

Absent—Supervisors Deasy, Welch —2.

Completion of Aquatic Park.

Supervisor Badaracco presented: Resolution No. 25542 (New Series), as follows:

Whereas, there has been pending before the Board of Supervisors for over ten (10) years the development of an Aquatic Park on property acquired for such purpose at the foot of Van Ness avenue; and

Whereas, in that time other improvements and parks in other sections of the City have been started and completed without delay and an injustice has been done by this delay to the people of the northern section of the City which has been built up with high-class homes and apartments serving a very large population; therefore, be it

Resolved, That it be the sense of this Board of Supervisors that the Aquatic Park be completed at the earliest date possible and that the Finance Committee is hereby requested to make whatever appropriation may be necessary to bring about this long deferred and necessary improvement as soon as possible.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Havenner, Hayden, Marks, McSheehy, Powers, Schmidt, Shannon Stanton, Todd— 13.

Absent—Supervisors Deasy, Harrelson, Kent, Roncovieri, Welch—5.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Statement of Supervisor Havenner on Budget.

The following statement was read by Supervisor Havenner and ordered *spread in Journal*:

The fight to keep next year's tax rate up to $4.13, and to raise it above that figure, if possible, is now on in earnest. The big administrative departments of the City government, in open defiance of the mandate for economy issued by the people of San Francisco at the municipal election last fall, have combined to besiege the Board of Supervisors with one of the most extravagant programs of proposed expenditure in the history of this City.

The Budget requests of these administrative departments alone aggregate ten and one-half millions of dollars more than was allowed the same departments in the staggering Budget of last year. That Budget, which is now in effect, set a new high record in the cost of our municipal government and provoked a rebellion among the taxpayers that swept out of office every administration supervisor who stood for election.

Notwithstanding this unprecedented political rebuke, the administration forces have rallied again this year under the banner of extravagance and are making every effort to defeat the program of retrenchment to which this Board of Supervisors is now solemnly pledged.

I have sometimes thought, when I contemplated the orgy of extravagance which is now championed by the administration leaders, that if it were not our sacred duty to carry out the expressed wishes of the people it might be well, in view of the fact that the administration must seek the suffrage of the people next year, to include in next year's Budget all of the vast program of expense which they are now seeking to thrust upon us, and to present it to the people as the administration's platform in its campaign for reelection. However, this fanciful idea must, of course, be abandoned, because it is obvious that the costly proposals of the administrative departments are not presented in good faith; evidently their only object is to embarrass the Finance Committee of this Board in its earnest endeavor to practice economy in the Budget for the next fiscal year, and to throw every possible obstacle in the path of the proposed reduction of the tax rate.

The City Engineer, in submitting to the Budget makers a list of special projects which would total over seventeen millions of dollars, has gravely suggested the inclusion in the tax rate of the purchase of lands for a reservoir to be part of the auxiliary water supply system. This method of financing such a project has never before been submitted to the Supervisors. But the City Engineer, who courteously refrained from asking previous Boards of Supervisors to place such a direct burden upon the taxpayers, has evidently concluded that, in

this year, of all years, the propitious time has arrived to recommend this costly innovation.

One administrative department, which embraces the Juvenile Detention Home and the Juvenile Court, has seen fit to request large increases in its salary rolls, based upon a proposed system of zoning salaries which, at the time this Budget request was submitted, had not even been presented to the Board of Supervisors.

These are but a few illustrations of the concerted drive now being made by the administrative departments of our government to defeat the will of the people.

It is but fair to call attention to the fact that certain of our City and County officials have refused to participate in the program of extravagance, but have submitted Budget requests which do not exceed their allotment for the current fiscal year. In some instances these requests show an actual saving on this year's Budget figures. Among these departments are the Bureau of Supplies, the Auditor, the Tax Collector, the Treasurer, the District Attorney, the Public Defender, the City Attorney, the Sheriff, the Adult Probation Officer, the Widows' Pension Bureau, the Sealer of Weights and Measures, the Horticultural Commission, the M. H. deYoung Museum and the Palace of the Legion of Honor.

In contrast with this brief list of economical requests are the Budget demands submitted by the following administrative departments:

Appropriations for 1925-1926:	
Assessor	$ 242,500
Civil Service	27,350
County Clerk	189,740
Recorder	124,000
Superior Courts	163,400
Justices' Courts	51,000
Juvenile Detention Home	33,780
Juvenile Court	64,460
Board of Public Works	2,249,622
Fire Department	3,222,182
Police Department	3,165,108
Health Department	2,014,057
School Department	6,954,477
Playground Fund	350,000
Park Commission	700,000

Appropriations requested for 1926-1927:	
Assessor	$ 252,180
Civil Service	31,210
County Clerk	205,000
Recorder	132,500
Superior Courts	176,280
Justices' Courts	57,300
Juvenile Detention Home	47,016
Juvenile Court	79,620
Board of Public Works	2,558,681
Fire Department	3,909,190
Police Department	4,167,828
Health Department	2,380,982
School Department	11,472,087
Playground Fund	623,517
Park Commission	4,147,800

It should be remarked, in passing, that the Mayor himself has prudently joined with those who are standing for economy, and has submitted a Budget request for his own office which is $2,500 less than his present appropriation. But his appointed officials, who invariably reflect in all their public actions the true wishes of the chief executive, have significantly ignored the Mayor's example.

In considering these astounding demands for increased outlays of the people's money your Finance Committee has found no comfort in its consultations with the City and County Assessor concerning the assessment roll for the next fiscal year. Despite the fact that San Francisco has been enjoying during the past two years an era of unprecedented advance in building opertaions and land values, the Assessor professes to find a multiplicity of reasons for the gloomy prediction that next year's assessment roll will probably not exceed that of the present year; and may, indeed, fall below it.

It is interesting to note in this connection that during the last decade the City and County assessment roll has shown a steady increase year by year. The figures are as follows:

1915-1916	$538,692,750
1916-1917	542,563,056
1917-1918	554,456,505
1918-1919	562,278,347
1919-1920	566,808,447
1920-1921	585,105,569
1921-1922	609,884,624
1922-1923	615,305,268
1923-1924	644,180,600
1924-1925	683,667,338
1925-1926	733,693,760

Average annual increase, 36 per cent.

It is difficult for the lay mind to understand why, at a time when San Francisco is forging ahead more rapidly than ever before in its history, and land values in many parts of the city are showing spectacular increases, the assessment roll should suddenly reach an impasse.

One of the principal forebodings of the Assessor is based upon the estimated operation of the new State law fixing the basis of assessment of foreign securities and solvent credits at 7 per cent of value. It is reported on good authority from other cities in California that

the new law will produce an actual increase in tax revenue, but our Assessor expresses the opinion that it will result in a serious decrease in San Francisco.

The present Assessor is in office by virtue of appointment by the head of the City administration. It is therefore, perhaps, not surprising that his attitude should appear to be in consonance with that of the other administration officials who are so intensely interested in preventing a reduction of the tax rate. But I believe that public opinion, when it is fully informed of this situation, will compel him to give proper consideration to the obvious reasons for a proper increase in the assessment roll this year.

However, the matter of most urgent importance at this time is that the attention of every member of this Board of Supervisors, and of all of the people of San Francisco, should be concentrated upon the extent and the character of the opposition to the people's economy program. Last November, by overwhelming vote, the people declared their conviction that the present Budget was intolerably extravagant, and must, if possible, be materially reduced next year. They will not tolerate even the suggestion of an increase at this time, and it is safe to predict that any member of this Board who dares to vote for additional City expense now, and who must face the people next year, will suffer the fate of all of his ex-colleagues who carried the banner of extravagance last fall. The duty of the Board of Supervisors now is to disregard all of the absurd and insincere demands for increases from the administrative departments, and to concentrate its efforts upon the problem of reducing the present Budget by the application of sane economy.

This does not mean, nor will I permit any apostle of extravagance to read into it such an inference, that the normal progress of our City is to be halted, nor that any vital need for the welfare of our citizens shall be denied. San Francisco can more easily proceed, without delay, along its appointed course of growth and development if our executive and administrative officials are compelled to do their duty in conserving the City's funds.

Mayor Recommends Confirmation of Sale of City Lands.

The following was read and ordered *spread in Journal*:

April 21, 1926.

Hon. Board of Supervisors, City Hall, San Francisco.

Gentlemen: In accordance with Section 9, Article II, Chapter II, of the Charter of the City and County of San Francisco, I have the honor formally to notify you of the auction of a certain parcel of land heretofore under the control of the San Francisco Fire Department and described as follows:

Commencing at a point on the northerly line of O'Farrell street, distant thereon 197 feet 6 inches easterly from the easterly line of Stockton street, running thence easterly along said northerly line of O'Farrell street 22 feet 6 inches; thence at a right angle northerly 73 feet; thence at a right angle easterly 22 feet 6 inches; thence at a right angle southerly 73 feet to the northerly line of O'Farrell street and point of commencement. Being a portion of 50 Vara Block 121, also known as Lot 11, Block 313 on Assessor's Map Book.

The auction took place publicly at the meeting of your Honorable Board on Monday, April 19, and the highest bid was that of Mr. George Cohn, in the sum of $92,750, a check for ten per cent of which Mr. Cohn deposited with the Clerk of the Board of Supervisors.

As the appraised value of this property fixed by the Mayor, the Assessor and the chairman of the Finance Committee of your Honorable Board was $100,000, and as the bid of Mr. Cohn was over ninety (90) per cent of the appraised value, as required by law, I respectfully ask, in accordance with the charter provisions heretofore referred to, that your Honorable Board confirm the sale of this parcel of land.

Very respectfully yours,
(Signed)
JAMES ROLPH, JR.,
Mayor.

Spur Track Permit, Farnsworth & Ruggles.

Also, Bill No. 7573, Ordinance No. —— (New Series) as follows:

Granting permission, revocable at will of the Board of Supervisors, to Farnsworth & Ruggles to construct, maintain and operate a spur track on First street at Brannan street as hereinafter described.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission, revocable at will of the Board of Supervisors, is hereby granted to Farnsworth & Ruggles to construct, maintain and operate a spur track as follows:

Beginning at a point in the center line of the existing track in First street, 19.5 feet southeasterly from the southeasterly line of Brannan street, said point being 32.8 feet southwesterly, measured at right angles from the northeasterly line of First street; thence northwesterly, crossing Brannan street, through a switch, on a curve to the left, having a radius of 252.35 feet, for a distance of 74 feet to a point; thence tangent to said curve for a distance of 41 feet to a point; thence on a curve to the right with a radius of 191.53 feet for a distance of 66 feet to a point 10 feet northeasterly measured at right angles from the southwesterly line of First street; thence tangent to last mentioned curve and parallel to the said southwesterly line of First street for a distance of 203 feet to a point 80 feet southeasterly from the southeasterly line of Federal street produced.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and the provisions and conditions of Section 8 thereof are hereby specifically contained in the permit hereby granted and shall be construed as a part hereof, as complete as though the same were written in this ordinance.

Provided, that said spur track shall be laid with girder rails under the supervision and to the lines and grades as furnished by the City Engineer's office; and that any and all expenses connected with the installation of the track, restoration of the pavement, and any additional requirements for the surface drainage, be paid for by Farnsworth & Ruggles.

Provided, that provision be made to take care of storm water at the proposed track and to intercept the drainage; that the existing fire hydrant be relocated; that the valve chamber in the crossing of Brannan street be not covered to prevent its use; all pavement disturbed to be restored; and proper clearances to be allowed for.

Provided, that Farnsworth & Ruggles shall erect and maintain all-light lighted arc lamps to be placed where directed by the Lighting Committee of the Board of Supervisors.

Section 2. This ordinance shall take effect immediately.

Intention to Change Grades.

Supervisor Badaracco presented:

Resolution No. 25569 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above city base, as hereinafter stated, in accordance with Resolution No. 91292 (Second Series) of the Board of Public Works, adopted April 14, 1926, and written recommendation of said Board filed April 15 1926, to-wit:

On San Miguel street between Mount Vernon avenue and Ridge lane; on Ridge lane between San Jose avenue and Tara street; and on Caine avenue between Ridge lane and a line parallel with Lake View avenue and 600 feet northerly therefrom.

The Board of Supervisors hereby declares that no assessment district

is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

Absent—Supervisors Deasy, Roncovieri, Welch—3.

Board of Public Works to Enforce all Ordinances Relative to the Opening of Public Streets by Public Service Corporations.

Supervisor Badaracco presented: Resolution No. 25570 (New Series), as follows:

Whereas, the public service corporations and the Board of Public Works have opened up the pavements in the streets of San Francisco, to the grave damage of the said pavements; and

Whereas, the surface of said pavements is unduly permitted to remain in a broken condition, or with inadequate replacement after such work is completed; and

Whereas, in many instances, newly laid pavements, constructed at the expense of the taxpayers, have been opened by such corporations and the Board of Public Works immediately after completion, to the lasting damage and partial destruction of said pavements; and

Whereas, such damage is almost wholly unnecessary and unjustifiable and can be decreased by a proper enforcement of the laws and protection of the City's interest; and

Whereas, accumulated debris, resulting from the opening up and the replacement of said pavements, is allowed to remain, causing unnecessary nuisance to the public; therefore, be it

Resolved, That the Board of Public Works be and it is hereby instructed to enforce all ordinances dealing with this subject-matter, and that pavements be immediately and properly reconstructed upon completion of the work done in the street; be it

Further Resolved, That further legislation be adopted by this Board whereby the Board of Public Works will be instructed and directed to notify each public service corporation of the intention of the City to pave any section of streets within the City limits thirty days in advance of the commencement of the work by the City to the end that all underground installation necessary to be made by said corporation in said streets will then and there be made, and further providing that no permit to open such newly-paved streets for the installation of new work shall be hereafter granted by the City for a period of two years, without permission of the Board of Supervisors being first had and obtained; and, be it

Further Resolved, That the City Attorney, in conjunction with the City Engineer, be instructed to prepare such legislation as is necessary to carry this policy into effect.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Schmidt, Shannon, Stanton, Todd—15.

Absent—Supervisors Deasy, Roncovieri, Welch—3.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Maintenance Allowance Increase for Dependent Children.

Supervisor Shannon presented:

Resolution No. ——— (New Series), as follows:

Whereas, it is the general practice of the various counties of the State to provide for the maintenance of dependent children at a rate of twenty dollars each per month; and

Whereas, the City and County of San Francisco has heretofore made provision for the maintenance of such children and is desirous of establishing uniformity of practice in this respect; therefore,

Resolved, That it is the policy of this Board to provide in its annual budget a sum sufficient to provide twenty dollars a month for dependent children within its limits.

Referred to Finance Committee.

Golden Gate Ferry Franchise Favored.

Supervisor Shannon presented:

Resolution No. 25584 (New Series), as follows:

Whereas, it has been made to appear that the Railroad Commission of the State of California has fixed Tuesday, the 11th day of May, 1926, for hearing the application of the Golden Gate Ferry Company for a certificate of public convenience and necessity authorizing it to operate vessels between the City and County of San Francisco and the City of Berkeley for the purpose of carrying automobiles, passengers accompanied by automobiles and freight between said cities; and

Whereas, it appears to and is the opinion of this Board that the operation of said vessels, as sought by the Golden Gate Ferry Company, is a public necessity and would supply in part the present urgent demand of the motor traveling public for additional transportation facilities across the Bay of San Francisco; now, therefore, be it

Resolved, That the City Attorney be and he is hereby requested to

enter the appearance of the City and County of San Francisco before said Railroad Commission in the matter of the application of the Golden Gate Ferry Company for said certificate of public convenience and necessity and at the said hearing of said application present the case of the City and County of San Francisco in favor of the granting of same.

Finance Committee Asked to Recommend $100,000 for Traffic Signals.

Supervisor Gallagher presented:

Resolution No. ——— (New Series), as follows:

Resolved, That it be the sense of this Board of Supervisors that the Finance Committee be requested to recommend a sum not less than one hundred thousand dollars ($100,000) in the forthcoming budget, to be used exclusively for the increased efficiency of the traffic bureau and especially for the installation of so-called silent traffic signals.

Supervisor Todd, seconded by *Supervisor Schmidt*, moved to amend, increasing to $200,000.

Supervisor McSheehy moved as an amendment reference to Finance Committee.

So ordered.

Referred to Finance Committee.

Traffic Regulation, Left-Hand Turns.

Supervisor Gallagher presented:

Resolution No. ——— (New Series), as follows:

Whereas, a very great inconvenience is caused visitors and tourists to the different cities and towns of the State of California resulting from either misinformation or excusable ignorance of local regulations as to left-hand turns, boulevard stops, etc.; and

Whereas, all of this confusion is the result of failure of these cities and towns to place the proper signs to indicate what are the local regulations on the subject; and

Whereas, San Francisco might set a good example in this regard and thereby win the thanks and high regard of these visitors whom we are making every effort to attract; therefore, be it

Resolved, That the Traffic Committee of this Board of Supervisors. the newly organized Citizens Committee and the Police Department are requested to at their convenience consider this agravating lack of system and to recommend measures to obviate its evils; and be it

Further Resolved, That the said Traffic Committee, the Citizens Committe and Police Department confer and cooperate in the preparation of legislation to be presented to the forthcoming session of the California Legislature looking to the protection of the excusable ignorance of tourists and visitors.

Referred to Traffic Committee.

Accepting Offer to Sell Land for School Purposes.

Supervisor Powers presented:

Resolution No. 25586 (New Series), as follows:

Whereas, an offer has been received from Mrs. F. Fischer to convey to the City and County of San Francisco certain land situate west line of Twenty-third avenue, distant 250 feet northerly from Santiago street, required for school purposes; and

Whereas, the price at which said parcel of land is offered is the reasonable value thereof; therefore, be it

Resolved, That the offer of the said owner to convey to the City and County of San Francisco a good and sufficient fee simple title to the following described land, free of all encumbrances, for the sum of $1,100 be, and the same is hereby accepted, the said land being described as follows, to-wit:

Commencing at a point on the westerly line of Twenty-third avenue, distant thereon 250 feet northerly from the northerly line of Santiago street, running thence northerly along said westerly line of Twenty-third avenue 25 feet; thence at a right angle westerly 120 feet; thence at a right angle southerly 25 feet; thence at a right angle easterly 120 feet to the westerly line of Twenty-third avenue and point of commencement. Being a portion of Block No. 2326 on Assessor's Map Book.

The City Attorney is hereby directed to examine the title to said land, and, if the same is found to be vested in the aforesaid owner, free of all encumbrances, and that the taxes up to and including the current fiscal year are paid, and that the so-called McEnerney title has been procured or sufficient money reserved for the purpose of procuring the same, to report the result of his examination to the Board of Supervisors, and also to cause a good and sufficient deed for said land to be executed and delivered to the City and County upon payment of the agreed purchase price as aforesaid. And the said deed to said land is hereby accepted.

Requesting Nonpartisan Participation of Police in Industrial Dispute.

Supervisor Havenner presented:

Resolution No. 25630 (New Series), as follows:

Whereas, the Chief of Police has submitted a request for a Budget appropriation sufficient to provide for an increase of three hundred men in the Police Department of the City and County of San Francisco; and

Whereas, numerous crimes recently committed in the City and County are referred to by the Chief of Police as the chief reason for the proposed increase in the force; and

Whereas, it is a matter of common knowledge and report that a large number of men have recently been brought into San Francisco under the auspices of the Industrial Association to act as strikebreakers in a current industrial dispute; and

Whereas, Police Court records show that some of these men are ex-convicts with criminal records, and it is reasonable to assume that their presence in this City may be a contributory factor in any recent increase of crime; and

Whereas, it is known that a number of policemen have been taken off their regular beats recently and assigned to special duty of guarding building jobs on which these strikebreakers are employed; and

Whereas, it is further reported that other policemen have been assigned to special espionage duty, consisting of watching and reporting upon the actions and movements of certain citizens of San Francisco who are members of organized labor; and

Whereas, the members of the organized labor bodies who are involved in the current industrial dispute are reputable citizens of San Francisco who have publicly proclaimed their intention to conduct their cause in a peaceful manner; and

Whereas, the San Francisco police force has enjoyed the reputation of being one of the most capable and efficient organizations of its kind in America and of enforcing the law fairly and impartially; and

Whereas, there is every reason to believe that if the full strength of the present police force is restored to regular duty it will be adequate to prevent the increases of crime of which the Chief of Police complains; therefore be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, that the partisan participation of the police force of San Francisco in this or any other

industrial dispute, where peaceful methods are pursued, is to be deplored; and be it further

Resolved, That the Chief of Police be, and he is hereby, urged to restore, in so far as it is practically possible, all of the members of the police force to regular duty, to the end that future increases of crime may be prevented; and be it further

Resolved, That the Chief of Police be additionally urged to use every means at his command to prevent any further importations of ex-convicts or other undesirable characters into this City for use as strikebreakers.

Death of Rev. John E. Cottle.

Supervisor Gallagher presented:

Resolution No. 25589 (New Series), as follows:

Whereas, the death of Rev. John E. Cottle, pastor of St. Bridgid's Church, occurred in this city on April 24, 1926, bringing to a close a half-century of faithful service rendered in behalf of humanity; therefore, be it

Resolved, by the Board of Supervisors of the City and County of San Francisco, That by this event a severe loss has resulted to the community; that by his words and works he endeared himself to hosts of fellow citizens and contributed to the moral and spiritual well-being of the community. Sorrow is expressed over his departure and condolence tendered to those who have the deepest cause to mourn, and we know that his reward for the deeds he performed will indeed be great.

Adopted unanimously by rising vote.

Mayor's Veto.

The following was presented, read by the Clerk, and, on motion, *laid over two weeks*:

Hon. Board of Supervisors, City Hall, San Francisco.

Gentlemen:

I am returning to you herewith disapproved, Resolution No. 25540 (New Series), repealing Resolution No. 12941 (New Series) and appointing Robert G. Drady Managing Superintendent of the Exposition Auditorium, effective May 19, 1926.

I disapprove this resolution because it seeks to dismiss James P. Donohue from the employ of the City, a faithful employee of many years service, whose efficiency has been most admirable.

Within a short time he will become eligible to a pension under the City's retirement system, and I feel that surely his years of service entitle him to this consideration.

Very respectfully,
(Sgd.) JAMES ROLPH, JR.,
Mayor.

Resolution No. 25540 (New Series), as follows:

Resolved, That Robert G. Drady be and he is hereby appointed Managing Superintendent of the Exposition Auditorium to serve during the pleasure of the Board of Supervisors at a salary of $250 per month. This appointment to be effective as of May 19, 1926.

Resolution No. 12941 (New Series), adopted May 15, 1916, is hereby repealed.

Adopted—Board of Supervisors, San Francisco, April 19, 1926.

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Havenner, Hayden, Marks, McSheehy, Schmidt, Shannon, Stanton, Todd.

Noes—Supervisor Powers.

Absent—Supervisors Deasy, Harrelson, Kent, Roncovieri, Welch.

J. S. DUNNIGAN,
Clerk.

Disapproved, San Francisco, April 30, 1926.

JAMES ROLPH, JR.,
Mayor.

Employment of Expert to Assist Board of Equalization.

Supervisor McSheehy presented:

Resolution No. 25590 (New Series), as follows:

Whereas, it is important for the Board of Supervisors to determine the ratio of the assessed value to the full, true value of property listed on the assessment roll for taxation purposes, and to discover any discrepancies in assessed value, if such exist, in order that the Board, as a Board of Equalization, may properly discharge its duties, and also to determine whether provision should be made to secure a scientific appraisal of taxable property; and

Whereas, in order to secure information upon which to base such determination it is essential to employ an expert appraiser to make a preliminary investigation and report concerning the valuations herein stated, and it appearing that James G. Stafford is a qualified expert in such matters and has made such appraisals for many of the cities and counties of this State; now, therefore, be it

Resolved, That the Finance Committee of this Board is hereby authorized to enter into a contract with said James G. Stafford, to render service for the period of three months, for the purpose of ascertaining such facts as may be pertinent to the further determinations of this Board, as herein recited.

That the compensation of said James G. Stafford for the services so to be rendered shall be the sum of three thousand dollars ($3,000), payable as follows: Seven hundred and fifty dollars ($750) upon the execution of the contract, to cover the cost of starting the work; like sums on May 30 and June 30; the remainder to be paid on completion of the work.

Said Stafford agrees to furnish such further assistance as the work may require and submit a complete report prior to the time of meeting of the Board of Equalization.

Motion.

Supervisor Hayden moved that the Assessor be sent for and tell us whether or not this conflicts with his duties.

So ordered.

Supervisor Gallagher moved that

matter be made a Special Order of Business for 4:30 p. m. today.

So ordered.

Subsequently, the resolution was *adopted* by the following vote:

Ayes — Supervisors Badaracco, Bath, Gallagher, Kent, Havenner, Hayden, McSheehy, Marks, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Absent — Supervisors Colman, Deasy, Harrelson—3.

Notice of Reconsideration.

The following resolution was taken up on notice of reconsideration given by Supervisor Hayden:

Resolution No. 25630 (New Series), as follows:

Whereas, the Chief of Police has submitted a request for a budget appropriation sufficient to provide for an increase of three hundred men in the Police Department of the City and County of San Francisco; and

Whereas, numerous crimes recently committed in the City and County are referred to by the Chief of Police as the chief reason for the proposed increase in the force; and

Whereas, it is a matter of common knowledge and report that a large number of men have recently been brought into San Francisco under the auspices of the Industrial Association to act as strike breakers in a current industrial dispute; and

Whereas, police court records show that some of these men are ex-convicts with criminal records, and it is reasonable to assume that their presence in this City may be a contributory factor in any recent increase of crime; and

Whereas, it is known that a number of policemen have been taken off their regular beats recently and assigned to special duty of guarding building jobs on which these strike breakers are employed; and

Whereas, it is further reported that other policemen have been assigned to special espionage duty, consisting of watching and reporting upon the actions and movements of certain citizens of San Francisco who are members of organized labor; and

Whereas, the members of the organized labor bodies who are involved in the current industrial dispute are reputable citizens of San Francisco who have publicly proclaimed their intention to conduct their cause in a peaceful manner; and

Whereas, the San Francisco police force has enjoyed the reputation of being one of the most capable and efficient organization of its kind in America and of enforcing the law fairly and impartially; and

Whereas, there is every reason to believe that if the full strength of the present police force is restored to regular duty it will be adequate to prevent the increase of crime of which the Chief of Police complains; therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, That the partisan participation of the police force of San Francisco in this or any other industrial dispute where peaceful methods are pursued is to be deplored; and be it

Further Resolved, That the Chief of Police be and he is hereby urged to restore, in so far as it is practically possible, all of the members of the police force to regular duty, to the end that future increases of crime may be prevented; and be it

Further Resolved, That the Chief of Police be additionally urged to use every means at his command to prevent any further importations of ex-convict or other undesirable characters into this City for use as strike breakers.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Schmidt, Shannon, Stanton, Todd—13.

Noes—Supervisors Colman, Hayden—2.

Absent—Supervisors Deasy, Roncovieri, Welch—3.

Motion.

Supervisor Hayden moved reconsideration of the vote by which the foregoing resolution was adopted.

Privilege of the Floor.

The following were granted the privilege of the floor and addressed the Board:

Chief of Police Daniel J. O'Brien was granted the privilege of the floor and stated he thought some parts of the resolution casts a reflection on the police department. He stated that the request made for additional patrolmen was not due to the detailing of special police since the labor trouble begun in April. He said he did not know of his own knowledge that "a large number of men have recently been brought into San Francisco under the auspices of the Industrial Association to act as strike breakers," although this complaint had been made to his department from both sides.

As to the police protection which is being given, where it has been requested and found necessary,

Chief O'Brien said: "We must look upon each side without fear or favor and without taking sides and provide the proper police protection."

"I want to say to you in absolute sincerity, that the best you can expect from me as chief of police, is a square deal."

He said that the police department is not taking sides but must under the law give protection wherever required, no matter which side it is for.

A communication was read stating that a mass meeting had been held at eleven o'clock Monday morning in the Merchants' Exchange building under the auspices of the San Francisco Industrial Association. They said: "We pledged ourselves to assist in stamping out lawlessness."

The Kiwanis Club sent in a communication "protesting against the passage on reconsideration of the resolution before the Board of Supervisors, having for its purpose the withdrawal of the protection of the Police Department in industrial disputes."

Attorney Sylvester A. McAtee, representing the Down Town Association, stated that the directors of his association instructed him to appear and urge that the resolution be reconsidered and not be the final resolution of the Board. "The Down Town Association stands for law and order in San Francisco and for the impartial enforcement of law and order through the medium of the police department and deprecates anything that would hinder the police department in its work."

Frederick Koster, member of the advisory board of the San Francisco Industrial Association said: "What we are asking is that law and order be maintained strictly and that justice be impartially administered. We have nothing else to ask."

Senator A. E. Boynton denied the charges made against the Industrial Association of harboring criminals and committing crimes. He said: "It is the duty of the police department to enforce the law, irrespective of who it may affect."

A. J. Mooney, agent of the International Brotherhood of Carpenters and Joiners of America, said: "We are all here for the same purpose. We insist that the law of the City and County of San Francisco be enforced."

He further stated that had the right not been denied to the employees to sit down and deal with their employers the trouble which has existed since April 1 would not exist.

Supervisor Coleman stated that in his opinion the Board of Supervisors had nothing to say in the running of the Police Department, that the Police Department is under the supervision of the Board of Police Commissioners. He stated he could not agree to some of the statements made in the resolution and therefore would have to vote against it.

Supervisors Hayden and Harrelson also were opposed to some of the provisions of the resolution and voted against it.

Supervisor Havenner, the author of the resolution, in closing the discussion, said:

"The resolution is merely an official protest, on the part of the elected law makers of this City and County, against the partisan participation of our police force in any industrial dispute.

"The resolution which I introduced and which this Board has adopted, did not concern itself with the merits of this dispute but merely enunciated a principle in which I have always believed, and in which I shall continue to believe — that the police powers of a community should not be employed to the partisan advantage of either side in any industrial controversy.

"It is the contention of organized labor, in which I concur, that these members of the police force should be engaged in the regular duty of patrolling their beats and enforcing the law fairly and impartially, whenever and wherever the necessity may occur, for the protection of all citizens.

"This does not mean for a moment, nor will I permit any such interpretation to be placed upon my statement, that I condone outbreaks of violence of any character in this or any other community. The organized labor bodies which are involved in the present industrial dispute have publicly proclaimed their intention to conduct their cause in a peaceful manner, and I believe that they are entitled to the confidence and support of the public in the pursuit of this policy, and should be relieved from the embarrassment of official interference in the interest of their opponents.

"Organized labor has been one of the greatest factors in the upbuilding of San Francisco, both physically and governmentally, and public opinion will not support the attempt of any group of men, no matter how wealthy and powerful they may be, to break down the unions and establish themselves as

the dictators of conditions of labor in our city."

Motion Lost.

Thereupon, the roll was called on the motion to reconsider and the same was *lost* by the following vote:

Ayes—Supervisors Colman, Harrelson, Hayden—3.

Noes — Supervisors Badaracco, Bath, Gallagher, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—14.

Absent—Supervisor Deasy—1.

Relative to Conference on Industrial Dispute.

Supervisor Havenner asked both parties to the dispute whether or not they would enter into a conference with a view to settling the points at issue.

Frank McDonald for the Carpenters' Union replied in the affirmative; *A E. Boynton* for the Industrial Association answered in the negative.

(*Stenographic report of discussion on file in Clerk's office.*)

Mayor to Appoint Conference Committee.

Whereupon, the following resolution was presented by Supervisor Havenner and *adopted* by the following vote:

Resolution No. 25591 (New Series), as follows:

Whereas, San Francisco has recently enjoyed the greatest era of progress and development in its history; and

Whereas, an industrial dispute has arisen which threatens to halt the development of our city and to affect the welfare of all of our citizens; and

Whereas, the representatives of the organized labor bodies which are involved in this dispute have expressed a willingness to meet the employers of labor also involved in the dispute and to discuss with them the issues of the controversy; and

Whereas, it is of vital importance to our City that the dispute be satisfactorily adjusted at the earliest possible moment; therefore, be it

Resolved, That this Board of Supervisors, composed of the elected representatives of the people of San Francisco, regards it as a solemn duty to use all of the official influence to bring about such an adjustment; and be it

Further Resolved, That a committee of Supervisors be herewith appointed by the Mayor and charged with the duty of bringing about a conference as soon as possible between the representatives of the employers and the employees involved in the current dispute, to the end that the differences between them may be satisfactorily settled without further loss of time.

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Deasy—1.

His Honor Mayor Rolph appointed Supervisors Havenner, Colman, Gallagher, Harrelson, Hayden, Kent, Marks.

City Attorney's Opinion on Obligation of Street Railway Company to Repave Streets.

April 29, 1926.

Mr. John B. Badaracco, Board of Supervisors, City Hall.

Dear Sir:

You requested me to advise you if the Market Street Railway Company could be compelled to keep in repair the portions of the streets occupied by it.

Section 498 of the Civil Code provides that in addition to the restrictions set forth in the franchise granted the railway company a strict compliance with conditions enumerated was imposed on the company. Until 1921, the second condition set out under Section 498 read as follows:

"Second. To plank, pave or macadamize the entire length of the street used by their track between the rails and for two feet on each side thereof and between the tracks, if there be more than one, and to keep the same constantly in repair, flush with the street, and with good crossings."

In 1921 the section quoted was repealed. However, an examination of the franchises granted the individuals and the companies, which were later transferred to the Market Street Railway have set forth in the franchise the language similar to the following:

"The grantee operating under this franchise shall be required to pave the space between the rails and for two feet each side thereof and between the tracks if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County."

The language last quoted has not been employed in all of the franchises that were granted as some

of them state that the franchises are given under the terms provided for in the franchise and "upon such terms, conditions and restrictions as are now or may be hereafter imposed by the laws of the State of California, especially as prescribed in Section 498, 500, 502 and 503 of the Civil Code of this State."

As the second section of Section 498 of the Civil Code was in effect at the time the franchises were granted the mere repealing of this section does not relieve the Market Street Railway of its liability to keep "constantly in repair" the street between the rails and for two feet on each side thereof.

In the event the Market Street Railway Company fails to make repairs after having been requested to do so, I believe you would be justified in ordering the work done and recovering from the Market Street Railway for the cost of the work.

Yours truly,
(Sgd.) JNO. J. O'TOOLE,
City Attorney.

(*At 5:45 p. m. Mayor Rolph retired and Supervisor Gallagher was called to the Chair.*)

Assignment of Lease, Hale Bros.

Resolution No. —— (New Series), as follows:

Whereas, the City and County of San Frnacisco did, heretofore, pursuant to an ordinance of its Board of Supervisors, duly passed and duly approved by the Mayor of the City and County of San Francisco, on the 31st day of July, 1923, lease to Hale Bros., Inc., a California corporation, that certain lot, tract or parcel of land situate, lying and being in the City and County of San Francisco, State of California, described as follows:

Commencing at a point on the southeasterly line of Stevenson street one hundred and seventy-five (175) feet distant along said line southwesterly from the intersection of the southwesterly line of Fifth street with the southeasterly line of Stevenson street; thence at right angles southeasterly seventy-five (75) feet to the northwesterly line of Mint avenue; thence southwesterly fifty (50) feet along said line of Mint avenue; thence at right angles northwesterly seventy-five (75) feet to the southeasterly line of Stevenson street; thence northeasterly along said line of Stevenson street fifty (50) feet to the point of beginning. Being known as Lots 7 and 8 in Block 3704 on Assessor's Map;

for the term of twenty (20) years from and after the 30th day of September, 1923;

And whereas, the said lease to said Hale Bros., Inc., now remains in full force and effect;

And whereas, the said Hale Bros., Inc., are desirous of transferring the aforseaid lease to Hale Bros. Realty Co., the said Hale Bros. Realty Co. agreeing to perform all and singular the terms and conditions contained in said lease, and to pay to the City and County of San Francisco the rental therein reserved; now, therefore, be it

Resolved, That the consent of the City and County of San Francisco be, and the same is hereby given, that the aforesaid lease may be transferred and assigned by said Hale Bros., Inc., to Hale Bros. Realty Co., upon condition that said Hale Bros. Realty Co. perform all and singular the terms, covenants and conditions contained in said lease, and pay the rental therein reserved to the City and County of San Francisco, at the times and in the manner therein stated, and that the Mayor of the said City and County of San Francisco be, and he is hereby authorized, empowered and directed to make, execute and deliver such assignments or agreements as may be necessary to carry out the purport of this resolution.

Compromise of Gas and Electric Rate Litigation.

Resolution No. —— (New Series), as follows:

Whereas, there are pending in the United States District Court for the Northern District of California four suits, numbered 27, 32, 97 and 190 on the equity file of said court, in all of which suits the Pacific Gas and Electric Company is plaintiff and the City and County of San Francisco and its officers are defendants; and

Whereas, said suits involve judicial determination of the validity under the United States Constitution of ordinances numbered 2349, 2348, 2814 and 3338 (all new series), of the City and County of San Francisco, prescribing and fixing respectively rates to be charged by public service corporations in San Francisco for electricity during the fiscal year 1913-14, and for gas during the fiscal years 1913-1914, 1914-15 and 1915-16; and

Whereas, the decrees previously rendered by the District Court in the City's favor in said suits numbered 27, 97 and 190, involving gas rates, have been reversed on appeal by the Supreme Court of the United States, and the suits sent back for retrial; and in case No. 32, involving electric rates, the report of the Master in Chancery recommends issuance of an injunction prohibiting the enforcement of said rates; and

Whereas, the City Attorney has transmitted to the Board of Supervisors a written communication from the Pacific Gas and Electric Company, dated December 16th, 1925, offering to compromise and settle all of said suits upon certain terms therein set forth; and

Whereas, both former City Attorney George Lull, who was in office

pending the trial and appeal of the foregoing litigation, and the present City Attorney, John J. O'Toole, have recommended in writing that this Board authorize and direct the settlement of said suits upon the terms set forth in said communication from the Pacific Gas and Electric Company dated December 16, 1925; and

Whereas, after a careful examination and consideration of all the facts relating to said suits and the controversies therein involved, which have been submitted, the Board of Supervisors believes, in view of the large number of consumers who are interested in the outcome of said suits, of the considerable time which must elapse and the large expense to the taxpayers that must be incurred before the suits could again be tried and a final decision had, of the doubt that the City Attorney expresses as to the eventual outcome of the litigation by reason of the opinion of the United States Supreme Court rendered in the reversal of previous decrees in the City's favor, and in view of the relatively small amounts payable to individual consumers under any outcome of the suits, that the best interests of the City and the ratepayers will be conserved by a compromise along the lines recommended by the City Attorney; now, therefore, be it

Resolved, That the offer of the Pacific Gas and Electric Company to settle and compromise said four suits be and it is hereby accepted; that the City Attorney be and he is hereby authorized and directed to enter into stipulations with counsel for the Pacific Gas and Electric Company for the entry of decrees in said four suits which shall finally settle and dispose of the same upon the terms and conditions set forth in said letter from said company dated December 16, 1925; that the City Attorney be and he is hereby directed to take all steps necessary to see that said decrees when entered by the court are duly executed so as to protect the interests of the City and the ratepayers in the premises.

Method of Replacing Street Pavements by Public Service Corporations.

Supervisor Badaracco presented:

Bill No. ——, Ordinance No. —— (New Series), as follows:

Providing for the method of replacing paving in streets removed by public service corporations by the Board of Public Works and payment for cost of work done.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. All public service corporations having the privilege of using the streets of the City and County of San Francisco for the purpose of transmitting light, water, power, heat, gas, telephone service or other means of communication when about to extend or improve their service or make repairs or replacement thereto and it is necessary to remove paving on the streets, shall notify in writing the Board of Public Works of the City and County of San Francisco of the intended removal of paving, specifying the streets on which the work is to be done and the estimated length of time the work will take to complete.

Section 2. Upon the completion of any work described in Section 1 of this ordinance the public service corporation engaged in such work shall immediately notify the Board of Public Works in writing that the work has been completed.

Section 3. The Board of Public Works upon receiving notice from any public service corporation of intention to remove paving shall cause an estimate of the cost of replacing the pavement to be made and make all preparations necessary to actually replace the pavement upon receipt of notice from the public service corporation that their work of extension, improvement or repairing has been completed.

Section 4. The Board of Public Works shall upon completing the replacing of any pavement removed by a public service corporation render a bill to such public service corporation that caused the removal of the pavement for the cost of replacing the pavement, which cost shall be a reasonable sum to be measured by the prevailing market price for similar work.

Section 5. The Board of Public Works shall immediately upon completion of the replacing of any pavement forward a bill to the public service corporation which caused the paving to be removed and the public service corporation must within thirty days after receipt of the bill remit to the Board of Public Works the amount of said bill.

Section 6. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional it shall not affect the validity of the remaining portion of this ordinance, and the Board of Supervisors hereby declares that it would have passed this ordinance and each section,

subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more of the section, subsection, sentences, clauses or phrases be declared unconstitutional.

Section 7. This ordinance shall take effect July 1, 1926.

Section 8. All other ordinances in conflict with this ordinance are herbey repealed.

Motions.

Supervisor Bath moved to lay over one week.

Supervisor Kent moved as an amendment to lay over two weeks.

Supervisor Marks asked that the City Attorney's opinion be obtained as to the power of the Board of Supervisors to fasten the cost on the public service corporations and the method of enforcing the obligation.

So ordered

Action Deferred.

Whereupon, the foregoing matter was, on Supervisor Kent's motion, *laid over two weeks.*

Change of Grades.

Supervisor Badaracco presented:

Resolution No. 25618 (New Series), as follows:

Whereas, it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevatiions above city base as hereinafter stated, in accordance with Resolution No. 91388 (Second Series) of the Board of Public Works, adopted April 21, 1926, and written recommendation of said Board filed April 27, 1926, to-wit:

On Seventeenth avenue between the easterly line of and a line parallel with and 15 feet westerly therefrom, extending from Noriega street to Ortega street, and on Noriega street between the southerly line of and a line parallel with and 4 feet northerly therefrom, extending from Seventeenth avenue to a line 40 feet easterly therefrom.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Permits for Street Work, Private Contract.

On motion of Supervisor Welch:

Bill No. 7579, Ordinance No. —— (New Series), as follows:

Amending Section 2 of Ordinance No. 6278 (New Series), entitled "Ordinance authorizing, empowering and directing the Board of Public Works to issue permits to do street work or street improvements under private contract and repealing Ordinance No. 33 and all orders and ordinances and parts of orders and ordinances in conflict with this ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 6278 (New Series), the title of which is above recited, is hereby amended as follows:

Section 2. Such work or improvement must be in accordance with the specifications adopted by the Board of Supervisors for similar work, and be of a type approved by the City Engineer. The work must be done under the direction and to the satisfaction of the Board of Public Works. The time limit within which the work or improvement is to be commenced and when it is to be completed shall be fixed by the Board of Public Works, but in no event shall the Board extend the time for doing of the work or improvement more than 90 days beyond the time originally fixed for its completion unless authorized to do so by the Board of Supervisors.

Section 3. This ordinance shall take effect immediately.

Amending Ordinance No. 240, Black Base.

Bill No. 7580, Ordinance No. —— (New Series), as follows:

Amending Section 2 of Ordinance No. 240, entitled "Prescribing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks

in the City and County of San Francisco," approved March 1, 1901, and adding a new section thereto, to be known as Section 25½.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 2 of Ordinance No. 240 (New Series), the title to which is recited in the title to this ordinance, is hereby amended to read as follows:

Section 2. Except as in this section hereinafter provided, the roadway of any street or portion of a street shall not hereafter be fully or conditionally accepted, under the provisions of Section 23, Chapter II, Article VI, of the Charter of the City and County of San Francisco, unless the same be paved with one of the following types of pavement: With basalt blocks on sand; with basalt blocks or paving brick on a concrete foundation; with asphalt or asphaltic concrete on a concrete foundation; with asphalt with a binder course on a concrete foundation; with a concrete pavement; or with asphaltic concrete base and surface.

The Board of Supervisors, upon the recommendation of the Board of Public Works, may, however, by ordinance, fully or conditionally accept the roadway of any street, or portion of a street, in case the same be improved otherwise than as is in this section hereinbefore provided, if they deem the acceptance thereof expedient and conducive to the public interest.

Section 2. A new section, to be known as Section 25½, is hereby added to Ordinance No. 240 (New Series), the title to which is recited in the title to this ordinance, to read as follows:

Section 25½. Asphaltic concrete (black base):

Composition of Mixture — The asphaltic concrete base course, composed of broken stone or gravel, sand and asphalt, shall be laid upon the subgrade as heretofore described. The proportions of the asphaltic concrete mixture shall be proportioned by weight within the following limits:

Asphalt as hereinafter specified for asphaltic concrete base, between 4 and 6 per cent.

The mineral aggregate as hereinafter specified for asphaltic concrete base, consisting of broken stone or gravel and sand, between 94 and 96 per cent.

The mineral aggregate shall be graded according to the following sizes by weight: Passing 200-mesh screen, 5 per cent; passing 80, retained on 200, 5 to 15 per cent; passing 40, retained on 80, 5 to 15 per cent; passing 10, retained on 40, 5 to 15 per cent; passing ¾, retained on 70, 15 to 25 per cent; passing 1½, retained on ¾, 15 to 25 per cent; passing 2½, retained on 1½, 20 to 30 per cent.

Prepartion of Mixture — The mineral aggregate and asphalt shall be heated separately. The asphalt shall be heated in kettles or tanks designed to secure uniform heating of the entire contents and shall be brought to a temperature of 225 to 350 degrees Fahrenheit. The mineral aggregate shall be dried and heated at the paving plant in suitably designed revolving driers, and shall be heated to a temperature of 275 to 350 degrees Fahrenheit, as determined on the mixing platform. The aggregate shall be screened and stored in bins so that the sizes as above specified can be weighed out separately. The mixture of the mineral aggregate and asphalt shall be mixed in a mixer, approved by the City Engineer, for not less than 40 seconds or until the particles are thoroughly and uniformly coated.

Laying the Asphaltic Concrete Base Course—The asphaltic concrete mixture shall be brought upon the work in auto trucks at a temperature of not less than 225 nor more than 300 degrees Fahrenheit. It shall be immediately spread to such a depth that after compression a minimum thickness of 3½ inches is obtained. While still hot the asphaltic concrete mixture shall be thoroughly and uniformly compressed by a power-driven three-wheel roller weighing not less than ten (10) tons, and rolling shall be continued at a rate of not less than 5 hours for each 9000 square feet of surface. Rolling shall start longitudinally at the sides and proceed toward the center of the pavement, overlapping on successive trips by at least one-half the width of the roller, until suitable compaction is obtained. Soft spots in the subgrade which yield under the rolling of the asphaltic concrete base shall be cut out and filled with sand, dry earth, or gravel. The asphaltic base course must be covered with wearing surface at least 48 hours after it has been laid unless otherwise approved by the Engineer.

Spray Coat—If considered necessary by the Engineer, due to local conditions, upon the surface of the asphaltic concrete base shall be spread an asphaltic spray coat by means of a spraying machine, for the purpose of binding the wearing surface to the foundation. The sur-

face of the asphaltic concrete base shall be thoroughly cleaned just before the application of the spray coat. The asphalt used for the spray coat shall be as hereinafter specified. It shall be heated until thoroughly liquid so that a uniformly thin coating all over the cleaned base is obtained.

Asphaltic Concrete Surface Course (Topeka Type)—The asphaltic concrete surface course (Topeka Type), composed of broken stone, stand, stone dust and asphalt, shall be laid on the asphaltic concrete base prepared and laid as above described. The proportions of the asphaltic concrete mixture snall be proportioned by weight within the following limits: Asphalt as hereinafter described, between 6 and 8 per cent; mineral aggregate, consisting of broken stone, sand and stone dust, between 92 and 94 per cent. The mineral aggregate shall be graded according to the following sizes, by weight, but in no case shall the amount of material retained on the 10-mesh be less than 42 per cent by weight: Passing 200-mesh screen, 6 to 8 per cent; passing 80, retained on 200, 5 to 15 per cent; passing 40, retained on 80, 5 to 15 per cent; passing 10, retained on 40, 10 to 20 per cent; passing 4, retained on 10, 12 to 25 per cent; passing 2, retained on 4, 10 to 20 per cent; passing 1, retained on 2, 12 to 25 per cent.

Preparation of Mixture — The mineral aggregate and asphalt shall be heated separately. The maximum temperature of the mineral aggregate shall in no case be in excess of 375 degrees Fahrenheit. The stone dust or other inorganic mineral dust shall be mixed with the hot sand and broken stone in the required proportions, and these shall then be mixed for at least one (1) minute with the asphalt at the required temperature and in the proper proportions, in a suitable apparatus, so as to effect a thoroughly homogeneous mixture. In no case shall the asphalt be heated above 280 degrees Fahrenheit. The wearing surface mixture may be prepared by mixing bitumen in the form of asphalt with the sand and stone dust or by the combination of natural bituminous materials with the necessary ingredients to produce the proper mixture.

Laying Asphaltic Wearing Surface—The paving mixture so prepared shall be brought to the ground in auto trucks at a temperature of not less than 250 degrees Fahrenheit. The contractor must provide canvas covers for the loads for use in transit. The mixture shall be thoroughly spread immediatelv on reaching the ground with hot shovels and hot rakes in such manner that, after reaching its ultimate compression, it shall have a regular and uniform grade and a minimum thickness of one and one-half (1½) inches. The depth shall be constantly tested by means of gauges. The raking shall be continued until the surface shows no ridges. The surface shall be compressed immediately after spreading by a steam roller weighing not less than ten (10) tons, and the rolling shall be continued at the rate of not less than five (5) hours for every eighteen (18) thousand square feet of surface. The surface of the finished pavement shall be true and uniform, with no rolls or depressions in any ten (10) feet exceeding one-quarter (¼) inch from the true grade and cross-section of the pavement strip. No traffic shall be allowed on the pavement until it is thoroughly cooled and set. No new surface shall be laid when the foundation is wet or when the temperature of the atmosphere is less than 58 degrees Fahrenheit.

Asphalt—The asphalt must be a California product. It may be a natural asphalt, a mixture of refined liquid asphalt or be an oil asphalt. All shipments of asphalt shall be marked v'th the lot number and the penetration, which latter shall not be less than 50 nor more than 90 D. C. standard. When twenty (20) grams of the asphalt are heated for five (5) consecutive hours at a temperature of 325 degrees Fahrenheit in a tin dish two and one-half (2½) inches in diameter under uniform conditions, there must not be volatilized more than five (5) per cent of the bitumen, nor shall the penetration at 77 degrees Fahrenheit, after such heating, be less than twenty (20) D. C. standard. At least 98½ per cent of the asphalt shall be soluble in cold carbon tetrachloride, and at least 9½ per cent shall be soluble in cold carbon bisulphide.

Natural Bituminous Material—Natural bituminous material shall be construed to mean any natural, solid, mineral bitumen, either pure or mixed with foreign matter, from which, through natural causes in the process of time, the light oils have been driven off. At least 99 per cent of the contained bitumen which is soluble in carbon bisulphide shall be soluble in cold carbon tetrachloride.

Mineral Aggregate—The mineral aggregate shall consist of broken stone or gravel, sand and stone dust mixed in the proportions here-

inbefore specified. The broken stone shall be selected hard basalt or altered sandstone broken as nearly cubical as can practically be made. Rock containing in excess of ten (10) per cent of discolored or inferior material will be rejected. The sand must be clean, hard and sharp, and must not contain more than three (3) per cent of mica or other inferior ingredients. The stone dust shall be Portland cement or ground limestone, or it may be any crystalline or sharp fragmental material free from loam or organic matter, and must have a specific gravity of not less than two and five-tenths (2.5). It must all pass a screen of 50-mesh to the lineal inch.

Section 3. This ordinance shall takeeffect immediately.

ROLL CALL FOR THE INTRODUCTION RESOLUTIONS, BILLS AND AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Accepting Offers to Sell Hetch Hetchy Rights of Way.

Supervisor Badaracco presented:

Resolution No. 25628 (New Series), as follows:

Resolved, That the City and County of San Francisco does hereby accept that certain quitclaim deed from Joseph S. Raggio dated April 28, 1926, conveying title to a portion of the Hetch Hetchy aqueduct right of way, Foothill Division, said land being situated in the County of Tuolumne, State of California, and more particularly described as follows:

The northwest ¼ of the northeast ¼ of Section 34, Township 1 South, Range 15 East, M. D. B. and M.

The City Attorney is hereby authorized to file said deed for record.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Deasy—1.

Also, Resolution No. 25629 (New Series), as follows:

Whereas, the City Engineer has recommended the purchase by the City and County of San Francisco from the following named owners of the following described lands situated in the County of Tuolumne, State of California, required in connection with the construction, maintenance and operation of the Foothill Division of the Hetch Hetchy aqueduct, for the sums set forth opposite their respective names, viz.:

Thomas M. Hughes and Maud L. Hughes, $130. A portion of the Southwest ¼ of the Southwest ¼ of Section 27, T. I. S., R. 15 E., M. D. B. and M., containing 1.3 acres, required for road purposes. (As per written offer on file.)

J. Gilliam, $1. Portion of the Northwest ¼ of the Southwest ¼ of Section 27, T. 1 S., R. 15 E., M. D. B. and M., containing 0.36 acres, required for road purposes. (As per written offer on file.)

Now, therefore, be it

Resolved, That in accordance with the recommendation of the City Engineer the above described offers of the above named property owners to sell to the City and County of San Francisco the above mentioned lands for the sums set forth opposite their names and upon the terms and conditions contained in said options, be and the same are hereby accepted. Be it

Further Resolved, That the City Engineer is hereby authorized and directed to notify said parties of the acceptance of their said offers, and the City Attorney is authorized and directed to examine the titles to said lands, and if the same are found in satisfactory condition to accept in behalf of the City and County of San Francisco deeds conveying title thereto, containing the conditions and reservations agreed upon in said offers, and to file the same for record with a copy of this resolution attached thereto, as evidence of acceptance by the City and County of San Francisco.

Absent—Supervisor Deasy—1.

Registration of Voters.

Supervisor Schmidt presented:

Resolution No. ——— (New Series), as follows:

Whereas, the public press reports that the Registrar of Voters in Los Angeles has to date 550,000 voters registered and expects to have 750,000 registered by July 1 this year; and

Whereas, in the City and County of San Francisco the Registrar of Voters has only 133.000 voters registered to date, and data obtained from the telephone company and

other corporations, as well as civic organizations, places our population at not less than 800,000, showing San Francisco should have over 300,000 registered voters by July 31, 1926; and

Whereas, the registration of voters in the said City and County of San Francisco lags because the election authorities have not and will not take advantage of the law permitting them to employ canvassers who are compensated upon the basis of number of valid names registered. The Registrar of Voters has only 20 deputies in the field while Los Angeles has over 1000 deputies seeking registration; and

Whereas, at the ensuing general election, in addition to candidates for State office, the voters will be called upon to vote upon propositions which vitally affect San Francisco and the neighboring counties and towns, among which propositions is one calling for the apportionment of moneys for the State Highway purposes on the basis of one-half thereof for use in 13 southern counties, including Los Angeles, and one-half in the remaining 45 counties of the State; and another providing for a reapportionment of the legislative districts of the State under which San Francisco will be deprived of adequate representation in both Senate and Assembly; and

Whereas, it is particularly necessary for the well-being of this community that its voting strength be registered to its very last vote; now, therefore, be it

Resolved, That the Board of Election Commissioners and the Registrar of Voters be and they are urged to proceed immediately to the employment of the necessary help, as authorized by law, for a complete and speedy canvas and registering of the unregistered voters of this City and County and prosecute the work of such registration vigorously to the end that San Francisco may be prepared to poll its full strength on any candidate or proposition appearing on the ballot.

Referred to Finance Committee.

Lease of Building, 333 Kearny Street.

Supervisor Shannon presented the lease for the building at 333 Kearny street which had been prepared and presented to the Board and ordered printed in full on the calendar for next Monday and made a Special Order of Business at 3 o'clock.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

MONDAY, MAY 10, 1926, 2 P. M.

In Board of Supervisors, San Francisco, Monday, May 10, 1926, 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Powers—1.

Quorum present.

His Honor Mayor Rolph being absent, Supervisor Welch was called to the chair.

APPROVAL OF JOURNAL.

The Journal of Proceedings of the meeting of March 22, 1926, was considered read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Protest Against Operation of Garbage Incinerator.

Supervisor Shannon presented:

Protest, of C. T. Spader and numerous others doing business in the vicinity of the garbage incinerator on Illinois street, complaining of the insanitary method of disposing of the City's vast quantity of garbage, and requesting that said incinerator be shut down and abolished forthwith.

Read by the Clerk.

Relative to Civil Service Examination For Superintendency of Auditorium.

The following was presented and read by the Clerk:

Communication, from his Honor the Mayor, transmitting correspondence from Grover O'Connor, attorney for the San Francisco Municipal Civil Service Employees' Association, calling attention to Article 13 of the Charter, with reference to its provisions requiring civil service examination for the position of Superintendent of the Civic Auditorium, and requesting that said position be filled in the manner required by said provision of the Charter.

Referred to Civil Service Committee, to be considered jointly with the Auditorium Committee.

Bridges Across San Francisco Bay.

Supervisor Shannon, seconded by Supervisor Gallagher, moved that the action taken by the Board in continuing the hearing of the applications to construct bridges across San Francisco Bay to June 21st be rescinded.

He stated that the report of the hearing before the War Department has not been forwarded to Washington yet and in his opinion the Board should be hearing the applicants and making its decision even before the War Department has rendered a decision.

Supervisor Gallagher stated that he thought something should be done to speed the matter up, as he had been told the money is ready to build a bridge and also that certain interests will oppose the granting of any such franchise.

John J. O'Toole, City Attorney, and *Robert Mahoney*, attorney for the Construction Company of North America, one of the bridge applicants, were both inclined to believe that such a change in the procedure would invalidate the entire proceedings, although Mr. O'Toole stated he would not like to give a definite opinion in the matter without looking it up further.

The matter was continued for one week and Mr. O'Toole was requested to render an opinion to the Board at that time. It will be made a Special Order of Business at 3 o'clock.

Dedication of Douglas Memorial Bridge, Klamath River.

The following was presented and read by the Clerk:

Communication, from Clyde Edmondson, manager-secretary of the Redwood Highway Association, cordially inviting the members of the Board of Supervisors to participate in the celebration in connection with the dedication of the new Douglas Memorial Bridge, spanning

the Klamath river near Requa, on the Redwood highway, Monday, May 17, at noon.

Clerk directed to make proper acknowledgments. Communication *referred to Public Welfare Committee.*

California Street Cable Railway Accident.

The following was presented and read by the Clerk:

Communication, from his Honor the Mayor, transmitting letter addressed to him by M. L. Requa of 351 California street, regarding his observations of last Friday's accident on the California street cable car, in which he was a passenger, and requesting his Honor the Mayor to call upon the California Street Cable Company to add such necessary equipment to their cars as will prevent a recurrence of such an accident.

Referred to Public Utilities Committee.

Plan for Reinstatement of Street Railway Francise About to Expire.

The following was presented and read by the Clerk:

Communication, from the City Efficiency League, Adolph Uhl, manager, transmitting a plan whereby the franchise of the Market Street Railway Company, which will expire in 1929, may be adjusted, the five-cent fare continued, universal transfers arranged for and the cars on the outer tracks of Market street may be discontinued except during peak hours, and also secure the pavement of the right of way of the lines on Market street.

Referred to Public Utilities Committee.

Report on Traffic Signal Device.

The following was presented and read by the Clerk:

Communication, from Ralph W. Wiley, chief of the Department of Electricity, reporting as to the manufacture of traffic signals installed by the Department of Electricity and advising that the work was authorized by the Joint Board of Fire and Police Commissioners at a regular meeting held March 16, 1921, and that he was authorized to patent same with the understanding that San Francisco should at no time pay any royalties or other compensation for use of the device or for improvements that might be later added.

Referred to Traffic Committee.

Supervisor Richard Welch's Work in Washington for Islais Creek Reclamation Commended.

The following was presented, read and *ordered spread in the Journal*:

San Francisco Chamber of Commerce, 465 California street.

Office of Islais Creek Reclamation District.

San Francisco, May 10, 1926.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

On behalf of the Islais Creek Reclamation District and of the owners of property within this district, we wish to express our deep appreciation for the excellent work accomplished in Washington, D. C., by the Honorable Richard J. Welch, Supervisor.

Mr. Welch, on your recommendation, proceeded to Washington about a month ago, and, through his influence and efforts on behalf of San Francisco and this district, succeeded in getting the Secretary of War and the Chief of Engineers to recommend the dredging by the Government of the approach area to the entrance of Islais Creek, which will materially aid, both financially and from an engineering standpoint, the filling in of two hundred ninety-one acres of land embraced within the Islais Creek Reclamation District.

As you doubtless know, Congressmen Flaherty, Curry and Dempsey, as well as Congresswoman Kahn, by their activity and loyal efforts, initiated the necessary legislation in Congress, passage of which will be of extreme value to the city.

Very truly yours,

(Signed) COLBERT CALDWEL

Secretary.

Mayor's Veto Sustained.

The Mayor's veto of Resolution No. 25540 (New Series), appointing Robert G. Drady to the position of Superintendent of the Municipal Auditorium, which he had vetoed due to the fact that it would terminate the employment of the present Superintendent, James Donahue, and thus deprive him of his right to a pension, to which he would be entitled if he sreves the City continuously up until June 2d of this year was taken up and *sustained unanimously.*

Motion.

Supervisor McSheehy, seconded by Supervisor Hayden, moved to appoint James Foley Superintendent of the Auditorium.

Motion *lost* by the following vote:

Ayes—Supervisors Hayden McSheehy, Schmidt, Welch—4.

Noes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Kent, Marks, Roncovieri, Shannon, Stanton, Todd—12.

Absent—Supervisors Deasy, Powers—2.

Whereupon, the following resolution was presented and *adopted* by the following vote:

Resolution No. 25632 (New Series), as follows:

Resolved, That Resolution No. 12941 (New Series), adopted May 15, 1916, is hereby repealed, said repeal to be effective as of June 2, 1926.

Further Resolved, That Robert G. Drady be and he is hereby appointed Managing Superintendent of the Exposition Auditorium to serve during the pleasure of the Board of Supervisors at a salary of $250 per month; this appointment to be effective as of June 2, 1926.

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Absent—Supervisors Deasy, Kent, Powers—3.

Report of Mayor on Sale of City Lands.

The following matters were presented, read and *ordered filed*:

May 10, 1926.

Honorable Board of Supervisors,
City and County of San Francisco, City Hall, San Francisco.

Gentlemen:

Bids having been received by me at 11 o'clock Tuesday morning, May 4, for certain parcels of land, private sale of which was duly authorized by you through Ordinance No. 7046 (New Series), approved by me April 2, 1926, I beg to recommend that such parcels of land be sold in accordance with the provisions of the Charter and bids received by me, as follows:

Parcel No. 1: Mrs. Carrie P. Rhodes, 3198 Market street, $2,250; deposit of $250.

Parcel No. 2: Annie Keegan, deposit of $40 on bid of $350.

Parcel No. 3: Steve Durakoff, 851 Rhode Island street, bid of $500; deposit of $60.

Parcel No. 5: John Rudometkin, 871 Rhode Island street, bid of $800; deposit of $80.

Parcel No. 6: Annie T. Jones Scherf, 864 Carolina street, bid of $30; deposit of $30.

A deposit amounting to 10 per cent of the sum bid has been required of each of the bidders above listed.

For your information I will state that bid on Parcel No. 4 was insufficient to meet the requirement of the Charter that bids must equal at least 90 per cent of the appraised value of the property to be sold. I have therefore no recommendation to make relative to this parcel.

Respectfully yours,
(Signed) JAMES ROLPH, JR.,
Mayor.

Los Angeles Assessment of Solvent Credits.

The following excerpt from the Los Angeles Examiner was presented by Supervisor Havenner, read and *ordered spread in the Journal*:

"Foreign Stock Owners Swamp L. A. Assessor.

Citizens Now Play Square With Community on 7 Per Cent Assessment of Securities.

Probate Suits Dwindle as Holders Rush to Register Lists 'Like Snow Storm,' Says Clerk.

By Otheman Stevens.

The 750-odd attaches of the office of County Assessor E. W. Hopkins are working their heads off to keep from being submerged by tax returns which include stocks and bonds of other states than California.

Citizens can now play square with the city and county on a basis

of an assessment based on only 7 per cent of the value of foreign securities they own.

And it works.

Assessor Hopkins is beaming.

'Why, we've a return from one man who has heretofore lived much of his time in the county which includes about $8,000,000 of such securities,' he said.

Lived Elsewhere.

'He never had to return them before because his legal residence was in another state.

'But the law under which we now work is the cheapest on foreign securities in thirty-nine states, and it made it worth his while to make California his legal residence.

'There are scores of similar instances and hundreds more who are making the change of residence in order to benefit by the present law.'

And then he called in Mrs. D. C. Ross, who has much to do with handling the returns.

'It's like a snow storm,' she said, 'the way returns are coming in which include foreign securities which we never have been able to assess before.

'We had one just lately from a Pasadena man who has lived there many years, and he for the first time returns nearly $2,500,000 of such securities; another is close to $2,000,000.

'In fact, a great part of the returns effective under the new law come from Pasadena.

Put to Trouble.

'The only way we could get at such securities before was in the probate court, where accounts of estates were filed. When these were discovered we assessed them at full market value.'

'That is what the present law obliges us to do,' said Mr. Hopkins, 'where we discover that such securities have not been included in the returns made to this office.

'People have their choice of telling us what securities of other states they own and paying a negligible tax on an assessment of 7 per cent of their value, or risking our learning of their holdings and assessing them at the full market value.

'Under the present law, where returns are made a thousand dollar bond issued in other states would pay a tax of about $2.63.

Taxes Increased.

'But if that bond was not included in the return, and we found it out, the tax would be $18.75.'

At this point in the talk a man rushed into the office, vociferously saying he wanted to 'square' himself.

'Your deputy was at my house yesterday,' he said to Mr. Hopkins, 'and I made my return, but as I never had returned them I forgot all about some New York bonds I have and I want to get out from under and have them put on my statement.'

He was accommodated.

This new law (it works) was the result of the efforts of Dr. Milbank Johnson and Assessor Hopkins through the California Taxation Improvement Association.

The writer was at Sacramento during the last legislative session and saw the hard work both did there. They made the bill for the present law practically the one issue before the Senate and the Assembly whenever they appeared, which was almost incessantly, until the final vote was taken.

Decided Success.

'Yes,' said Mrs. Ross, as the talk closed, 'the present method is a decided success.

'Except for Long Beach people, who did turn in "Iowa" mortgages, the foreign securities reported to us were almost nil.

'Now, as I said, the returns are like a snow storm.'

It pays to be honest with the assessor on a 7 per cent basis."

Leave of Absence, A. I. Esberg, Member Board of Education.

The following was presented and read by the Clerk:

San Francisco, Cal.,
May 4, 1926.

Hon. Board of Supervisors, City Hall, San Francisco.

Gentlemen: Application has been made to me by Hon. Alfred I. Esberg, member of the Board of Education, for an extension to July 12, 1926, of the leave of absence recently granted him, with permission to leave the State of California.

I hereby request that you concur with me in granting said extension of his leave of absence.

Yours very truly,
JAMES ROLPH, JR.,
Mayor.

Whereupon, the following resolution was presented and *adopted* by the following vote:

Resolution No. 25676 (New Series), as follows:

Resolved, That, in accordance with recommendation of his Honor the Mayor, Hon. Alfred I. Esberg, member of the Board of Education, is hereby granted an extension of his leave of absence for a period of sixty days, commencing May 13, 1926, with permission to leave the State.

Ayes — Supervisors Badaracco,

Supervisor Powers' Report in re Board of Works' Lack of Cooperation.

The following, laid over from last meeting, was taken up and again *laid over one week*:

Supervisor Powers presents:

Your Committee on Public Buildings and Lands reports that its work is seriously handicapped, and, indeed, is at a standstill, owing to the deliberate failure and refusal of the Board of Public Works to render the proper and legal cooperation and information to City affairs.

Since January 19, no representative of the Building Repair Department or any other official of the Board of Public Works has attended any meeting of our committee.

On that date, having found an entire crew of Board of Works employees absent from duty during working hours on a building job, this committee requested the Superintendent of Building Repairs to investigate and explain this absence, and also to inform this committee of the whereabouts or supposed whereabouts of other crews of repair men at that time, so that we could study the situation further.

Two weeks later, the required information not being given and the failure to attend being noted, we addressed to the Board of Public Works a letter, requesting that the Superintendent of Building Repairs, or an authorized representative, be regularly present at our committee meetings, Tuesday afternoons at 2:30 o'clock.

No reply was received from the Board of Works, nor did any representative attend. Accordingly, on February 19, we, by letter, called the situation to the attention of Mayor Rolph, who verbally assured the chairman of this committee that the required cooperation from the Board of Public Works would be forthcoming by his instructions.

Either the Board of Works has failed to receive such instructions, or else has failed to carry out the Mayor's wishes, as no person connected with that Board has put in an appearance at any meeting of this committee since the date of January 19, or three and one-half months.

Being obviously entitled to such executive cooperation and information, this committee requests this Board of Supervisors to adopt the following resolution:

"Whereas, no representative of the Building Repairs Department or other person connected with the Board of Public Works has attended any meeting of the Committee on Public Buildings and Lands of this Board of Supervisors since January 19; and

"Whereas, this Board of Supervisors is entitled to full and proper cooperation and information from the executive departments of this City's government; therefore, be it

"Resolved, That this Board of Supervisors does hereby make emphatic and peremptory demand upon the Board of Public Works, that the Superintendent of Building Repairs or some proper and authorized representative shall be in attendance each Tuesday at 2:30 o'clock p. m., at the regular meeting of the Committee on Public Buildings and Lands of this Board, and shall promptly furnish such information concerning its activities as shall be requested by the committee."

Minority Report, Building Committee, on Additional Quarters for Hall of Justice Departments.

May 10, 1926.

The following was read by the Clerk and *laid over one week*:

To the Honorable Board of Supervisors.

Gentlemen: As chairman of the Building Committee of the Board of Supervisors, I was appointed on a special committee to find more floor space for officials in the Hall of Justice.

There was but one public meeting held on the important issue to move our public officials several blocks away from where their work is carried on. The time of this meeting was spent in discussing whether the lease should be accepted or not accepted.

As chairman of the Building Committee, I went with Supervisor McSheehy on a survey of the Hall of Justice. We found that with a few improvements in this building we can have as much floor space as the City is about to lease several blocks away.

The cost of improving the Hall of Justice would amount to $58,000. The cost of leasing and moving the offices of city officials to a building several blocks from the Hall of Justice is $100,000.

As a member of this special committee I would like to be heard on this matter. I was elected as a delegate to the convention of the

Native Sons of the Golden West and had to leave on Sunday evening.

I asked for a week's postponement of this issue, but was refused.

This lease is not of immediate necessity, so I hereby ask the remaining members of the Board of Supervisors to postpone this lease for one week.

Yours very truly,
(Signed) CHAS. J. POWERS,
Supervisor.

Report on Peninsula Water Supply.

Supervisor Shannon presented:

San Francisco, California,
May 6, 1926.

To the Mayor and Board of Supervisors, San Francisco, Cal.

A conference of representatives of the peninsula cities from Palo Alto to San Francisco was held on April 17th to discuss the present and future water supply of this region. It was pointed out that the population of the Peninsula communities, including portions of San Francisco, was increasing more rapidly than the visible water supply, and the following questions were asked:

1. When may we expect to obtain a water supply from Hetch Hetchy?
2. In the meantime is a supply obtainable from the Spring Valley Water Company, and if so, how?
3. Must the cities "go it alone" and seek individual sources of supply and to what extent?
4. May all the peninsula cities join in an investigation that will answer the foregoing questions?

At the conference an affirmative answer was given to the last question and it was recognized that the problem of the peninsula water supply had many features common to all the local communities and conclusions reached that might afford relief to all and insure the future growth and welfare of the entire peninsula area.

At the conference a committee was appointed to define the scope of an investigation and to outline a procedure that would secure the ends desired. The committee consists of Supervisors Warren Shannon and Milo F. Kent, and City Attorney John J. O'Toole of San Francisco; Professor C. D. Marx, President of the Board of Public Works of Palo Alto, and Oscar F. Weissgerber, City Manager of San Mateo.

This committee met on May 4th and outlines the following as indicative of the scope of the proposed investigation, designated those under whose direction the same was to be made, the text of which is as follows:

Subject of Investigation.

The present and future water supply of the peninsula region, with recommendations as to methods calculated to promote the development of this region and safeguard all local interests.

The scope of the inquiry will include a study of

Engineering, legal and politico-economic problems, with such publicity as may be necessary.

Engineering:

A report showing population, growth and underground water supplies by Prof. C. D. Marx, President, Board of Public Works, Palo Alto;

Municipal and private water supplies, by Oscar F. Weissberger, City Manager, San Mateo; George F. Kneese, City Engineer of Daly City, South San Francisco, San Bruno and Hillsborough, and L. C. Dimmitt, City Engineer, Redwood City.

Resources of the Spring Valley Water Company and the Hetch Hetchy Water Supply project by M. M. O'Shaughnessy, City Engineer, San Francisco.

Legal:

An inquiry into the laws relating to water districts and joint exercise of powers by municipalities, by H. A. Postlethwait, City Attorney, San Bruno; Alfred Mansfield, City Attorney of Redwood City; A. H. Redington, City Attorney of Atherton and Hillsborough, and Milton Marks, Supervisor, San Francisco.

Legal relations of San Francisco and the Spring Valley Water Company, by John J. O'Toole, City Attorney, San Francisco.

Politico-Economic:

A report to be prepared based on the foregoing reports with recommendation as future policies to be adopted by the communities interested and methods to be followed to secure the objects sought to be attained, and such arguments as may be necessary to sustain the recommendations.

It is expressly to be stated that the recommendations are merely advisory and each municipality will be free to adopt or reject them.

This report will be prepared by:

Warren Shannon, Supervisor, San Francisco;

Wm. P. Stanton, Supervisor, San Francisco;

Franck R. Havenner, Supervisor, San Francisco;

Professor C. B. Wing, Councilman, Palo Alto;

M. G. McClinton, City Trustee, Burlingame.

It may be that some degree of publicity may need to be given in order that the public may understand and appreciate the conditions that may be disclosed. A publicity committee, to function as the necessity may arise, is hereby designated as follows:

Supervisor Richard J. Welch, Chairman, and Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Hayden, McSheehy, Powers, Roncovieri, Schmidt, Todd, San Francisco.

Executives of cities: Mayors, James Rolph, Jr., San Francisco; H. H. Smith, Daly City; H. F. McNellis, South San Francisco; J. E. O'Connor, San Bruno; Gordon C. Hess, Burlingame; F. J. Smith, San Mateo; Robt. G. Hooker, Hillsborough; H. A. Reeger, Redwood City; G. H. Sisnon, San Carlos; E. L. Eyre. Atherton, and C. E. Jordan, Palo Alto.

Some expense will necessarily have to be incurred in making the studies necessary to develop the facts and in the publication of reports. For this purpose it is estimated that $4,500 should be provided. The payment of any salary is not anticipated. A suggested apportionment of this amount is hereby submitted:

San Francisco	$3,000
Daly City	150
South San Francisco	150
San Bruno	100
Burlingame	250
San Mateo	200
Hillsborough	100
San Carlos	50
Redwood City	200
Atherton	50
Palo Alto	250
Total	$4,500

Whatever funds are disbursed will be approved by the following auditing committee:

Milo F. Kent, Supervisor, San Francisco;

Milton Marks, Supervisor, San Francisco;

Thos. F. Boyle, Auditor, San Francisco;

Frank K. Towne, Treasurer, Redwood City;

Frank A. Bloom, Treasurer, Burlingame.

We therefore respectfully ask your honorable body to give such expression of interest in this subject as may be proper, and should it meet with your approval to so state.

In the event of such approval, would you kindly make an appropriation to meet a portion of the cost of the expenses of the investigation as herein stated?

Respectfully,

WARREN SHANNON,
Chairman.

H. A. MASON,
Acting Secretary,
235 City Hall.

Referred to Public Utilities Committee.

Thereupon, the following resolution was *referred to the Public Utilities Committee*:

Resolution No. —— (New Series), as follows:

Resolved, That the City and County of San Francisco approves of the proposition to investigate the present and future water supply of the Peninsula region, as proposed by the committee appointed at a conference of city officials of said region, and expresses its willingness to participate in such investigation; furthermore, and inasmuch as said investigation will concern the use of water from the Hetch Hetchy, that the Finance Committee of this Board be recommended to appropriate the sum of three thousand dollars ($3,000) from the Hetch Hetchy Operative Fund for the purpose of making the investigation.

PRESENTATION OF PROPOSALS.

Garbage Cans.

Sealed proposals were received and opened at 3 p. m. this day for furnishing 200 galvanized iron garbage cans for School Department.

Referred to Supplies Committee.

Confirmation of Sale of City Lands.

Consideration of the matter of confirming the sale to Parkside Realty Co. of San Francisco for the sum of eleven hundred ($1.100) dollars the following described City lands, to-wit:

Commencing at a point on the westerly line of Thirty-third avenue, distant thereon 285 feet southerly from the southerly line of Wawona street, running thence southerly along said westerly line of Thirty-third avenue 30 feet; thence at a right angle westerly 120 feet; thence at a right angle northerly 30 feet; thence at a right angle easterly 120 feet to the westerly line of Thirty-third avenue and point of commencement: being a portion of Outside Land Block No. 1273, also known as Lot 2, Block 2502, on Assessor's Map Book.

If at said meeting an offer of 10 per cent more in amount than that hereinabove named shall be made to the Supervisors in writing by a responsible person, the Supervisors will confirm such sale to such per-

son or order a new sale in conformity with the provisions of the Charter; otherwise said sale to Parkside Realty Co. of San Francisco will be confirmed for the price hereinabove stated.

There being no objection and no offer made to increase the bid of Parkside Realty Company of San Francisco, the property was struck off and sold to said company.

Passed for Printing.

Whereupon, the following bill was presented and *passed for printing*:

Bill No. 7581, Ordinance No. —— (New Series), as follows:

Confirming the sale of land owned by the City and County of San Francisco, heretofore set aside for Fire Department purposes.

Be it ordained by the People of the City and County of San Francisco as follows:

Whereas, by Ordinance No. 6999, approved March 10, 1926, the Board of Supervisors determined that public interest and necessity demanded the sale of the land hereinafter described and hereinbefore referred to as formerly dedicated for Fire Department purposes, and by said ordinance directed the Mayor of the City and County to sell all of said land at public auction, to be held on or before the 5th day of April, 1926, and directed that notice of said sale be given for three weeks successively next before the sale as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County for three weeks successively next before said sale was directed to be made, describing the land to be sold therein with common certainty and stating the date on or after which said sale would be made, as specified in Ordinance No. 6999 (New Series), and that all bids or offers would be received by the Mayor at the chambers of the Board of Supervisors in the City Hall, City and County of San Francisco, State of California, on or after said date; and

Whereas, the Mayor, the Assessor and the chairman of the Finance Committee, being the Board of Appraisement constituted by the Charter of the City and County of San Francisco, for such purpose, thereafter duly met and made an appraisement of said land and fixed the fair value thereof at the sum of $900 and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on the 5th day of April, 1926, at public auction, the Mayor sold said property to Parkside Realty Company of San Francisco for the sum of $1,100 and accepted from said Parkside Realty Company of San Francisco a deposit in cash in the amount of $110, being 10 per cent of the amount bid as aforesaid, and thereupon and on the 12th day of April, 1926, duly notified the Board of Supervisors in writing of the fact of such sale, stating the sum bid, the name of the bidder and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper in the City and County of San Francisco for a period of eighteen (18) days from and after the 15th day of April, 1926, that at a meeting of the Board of Supervisors to be held on the 10th day of May, 1926, the matter of said sale would come up for confirmation, stating also in said notice the fact of the sale, the amount for which the property had been sold as aforesaid, and the name of the purchaser, and also stating that if at such meeting on the 10th day of May, 1926, an offer of 10 per cent more in amount than that named in said notice should be made to the Supervisors in writing by a responsible person, the Supervisors would confirm such sale to such person or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived and a higher bid has not been obtained, and it appearing to the Board of Supervisors that the sum of $1,100 bid as aforesaid by Parkside Realty Company of San Francisco is not disproportionate to the value of the property sold and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The said sale of the said land hereinafter described to Parkside Realty Company of San Francisco for the sum of $1,100 is hereby ratified, approved and confirmed, and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchaser, upon payment of the balance of the pur-

chase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying to Parkside Realty Company of San Francisco all the right, title and interest of the City and County of San Francisco in and to the land sold as aforesaid, and more particularly described as follows, to-wit:

Commencing at a point on the westerly line of Thirty-third avenue, distant thereon 285 feet southerly from the southerly line of Wawona street, running thence southerly along said westerly line of Thirty-third avenue 30 feet; thence at a right angle westerly 120 feet; thence at a right angle northerly 30 feet; thence at a right angle easterly 120 feet to the westerly line of Thirty-third avenue and point of commencement. Being a portion of Outside Land Block No. 1273, also known as Lot 2, Block 2502, on Assessor's Map Book.

Section 2. The City Attorney is hereby directed to prepare the necessary conveyance and supervise the delivery of deed upon payment of purchase price as aforesaid.

Section 3. This ordinance shall take effect immediately.

SPECIAL ORDER—3 P. M.

Lease of Quarters for Hall of Justice Departments.

Resolution No. 25603 (New Series), as follows:

Resolved, That that certain lease, dated May 3, 1926, between Louis T. Samuels, lessor, and the City and County of San Francisco, lessee, whereby the lessor leases to the lessee 7902 feet of floor space in a building designated as 333 Kearny street for a term of five years two and one-half months, at a monthly rental of $1,185.30, and subject to certain conditions and stipulations contained therein, is hereby ratified and confirmed.

Motion.

Supervisor Shannon moved the adoption of the resolution.

Supervisor McSheehy, seconded by Supervisor Kent, moved to postpone action one week.

Motion *lost* by the following vote:

Ayes — Supervisors Badaracco, Havenner, Kent, Marks, McSheehy, Schmidt, Stanton, Welch—8.

Noes—Supervisors Bath, Colman, Deasy, Gallagher, Harrelson, Hayden, Roncovieri, Shannon, Todd —9.

Absent—Supervisor Powers—1.

Whereupon, Supervisor Shannon's motion *carried* and the resolution was *adopted* by the following vote:

Ayes—Supervisors Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Marks, Roncovieri, Schmidt, Shannon, Todd—12.

Noes — Supervisors Kent, McSheehy, Stanton, Welch—4.

Absent — Supervisors Badaracco, Powers—2.

Notice of Reconsideration.

Before the result was announced, Supervisor McSheehy changed his vote from *aye* to *no* and gave notice that he would move for reconsideration at the next meeting.

Hearing of Appeal, York Street.

The following matter was *rereferred to the Streets and Commercial Development Committee*:

Hearing the protest of the O'Neil Estate Company against the closing of all that portion of York street between Seventeenth street and Mariposa street, as provided in Resolution of Intention No. 25273 (New Series), fixed for 2 p. m. this day.

Report of Supervisor Power in re Lack of Cooperation of Board of Public Works.

The following matter, laid over from last meeting, was again *laid over one week*:

Your Committee on Public Buildings and Lands reports that its work is seriously handicapped, and, indeed, is at a standstill, owing to the deliberate failure and refusal of the Board of Public Works to render the proper and legal cooperation and information to City affairs.

Since January 19, no representative of the Building Repair Department or any other official of the Board of Pulic Works has attended any meeting of our committee.

On that date, having found an entire crew of Board of Works employees absent from duty during working hours on a building repair job, this committee requested the Superintendent of Building Repairs to investigate and explain this absence, and also to inform this committee of the whereaouts or supposed whereabouts of other crews of repair men at that time, so that we could study the situation further.

Two weeks later, the required information not being given and the failure to attend being noted, we addressed to the Board of Public Works a letter, requesting that the Superintendent of Building Repairs, or an authorized representative, be regularly present at our

committee meetings, Tuesday afternoons at 2:30 o'clock.

No reply was received from the Board of Works, nor did any representative attend. Accordingly, on February 19, we, by letter, called the situation to the attention of Mayor Rolph, who verbally assured the chairman of this committee that the required cooperation from the Board of Public Works would be forthcoming by his instructions.

Either the Board of Works has failed to receive such instructions or else has failed to carry out the Mayor's wishes, as no person connected with that Board has put in an appearance at any meeting of this committee since the date of January 19, or three and one-half months.

Being obviously entitled to such executive cooperation and information, this committee requests this Board of Supervisors to adopt the following resolution:

"Whereas, no representative of the Building Repairs Department or other person connected with the Board of Public Works has attended any meeting of the Committee on Public Buildings and Lands of this Board of Supervisors since January 19; and

"Whereas, this Board of Supervisors is entitled to full and proper cooperation and information from the executive departments of this City's government; therefore, be it

"Resolved, That this Board of Supervisors does hereby make emphatic and peremptory demand upon the Board of Public Works, that the Superintendent of Building Repairs or some proper and authorized representative shall be in attendance each Tuesday at 2:30 o'clock p. m., at the regular meeting of the Committee on Public Buildings and Lands of this Board, and shall promptly furnish such information concerning its activities as shall be requested by the committee."

UNFINISHED BUSINESS.

Board of Public Works to Issue Permits, Private Contracts for Street Work.

Bill No. 7579, Ordinance No. 7093 (New Series), as follows:

Amending Section 2 of Ordinance No. 6278 (New Series), entitled "Ordinance authorizing, empowering and directing the Board of Public Works to issue permits to do street work or street improvements under private contract and repealing Ordinance No. 33 and all orders and ordinances and parts of orders and ordinances in conflict with this ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 6278 (New Series), the title of which is above recited, is hereby amended as follows:

Section 2. Such work or improvement must be in accordance with the specifications adopted by the Board of Supervisors for similar work, and be of a tvpe approved by the City Engineer. The work must be done under the direction and to the satisfaction of the Board of Public Works. The time limit within which the work or improvement is to be commenced and when it is to be completed shall be fixed by the Board of Public Works, but in no event shall the Board extend the time for doing of the work or improvement more than 90 days beyond the time originally fixed for its completion unless authorized to do so by the Board of Supervisors.

Section 3. This ordinance shall take effect immediately.

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Absent—Supervisors Deasy, Kent, Powers—3.

Amending Ordinance No. 240, Black Base.

Bill No. 7580, Ordinance No. 7094 (New Series), as follows:

Amending Section 2 of Ordinance No. 240, entitled "Prescribing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco," approved March 1, 1901, and adding a new section thereto, to be known as Section 25½.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 2 of Ordinance No. 240 (New Series), the title to which is recited in the title to this ordinance, is hereby amended to read as follows:

Section 2. Except as in this section hereinafter provided, the roadway of any street or portion of a street shall not hereafter be fully or conditionally accepted, under the provisions of Section 23, Chapter II, Article VI, of the Charter of the City and County of San Francisco, unless the same be paved with one of the following types of pavement: With basalt blocks on sand; with basalt blocks or paving brick on a concrete foundation; with asphalt or asphaltic concrete on a concrete foundation; with asphalt with a binder course on a concrete foundation; with a concrete pavement; or with asphaltic concrete base and surface.

The Board of Supervisors, upon the recommendation of the Board of Public Works, may, however, by ordinance, fully or conditionally accept the roadway of any street, or portion of a street, in case the same be improved otherwise than as is in this section hereinbefore provided, if they deem the acceptance thereof expedient and conducive to the public interest.

Section 2. A new section, to be known as Section 25½, is hereby added to Ordinance No. 240 (New Series), the title to which is recited in the title to this ordinance, to read as follows:

Section 25½. Asphaltic concrete (black base):

Composition of Mixture — The asphaltic concrete base course, composed of broken stone or gravel, sand and asphalt, shall be laid upon the subgrade as heretofore described. The proportions of the asphaltic concrete mixture shall be proportioned by weight within the following llmits:

Asphalt as hereinafter specified for asphaltic concrete base, between 4 and 6 per cent.

The mineral aggregate as hereinafter specified for asphaltic concrete base, consisting of broken stone or gravel and sand, between 94 and 96 per cent.

The mineral aggregate shall be graded according to the following sizes by weight: Passing 200-mesh screen, 5 per cent; passing 80, retained on 200, 5 to 15 per cent; passing 40, retained on 80, 5 to 15 per cent; passing 10, retained on 40, 5 to 15 per cent; passing ¾, retained on 70, 15 to 25 per cent; passing 1½, retained on ¾, 15 to 25 per cent; passing 2½, retained on 1½, 20 to 30 per cent.

Preparation of Mixture — The mineral aggregate and asphalt shall be heated separately. The asphalt shall be heated in kettles or tanks designed to secure uniform heating of the entire contents and shall be brought to a temperature of 225 to 350 degrees Fahrenheit. The mineral aggregate shall be dried and heated at the paving plant in suitably designed revolving driers, and shall be heated to a temperature of 275 to 350 degrees Fahrenheit, as determined on the mixing platform. The aggregate shall be screened and stored in bins so that the sizes as above specified can be weighed out separately. The mixture of the mineral aggregate and asphalt shall be mixed in a mixer, approved by the City Engineer, for not less than 40 seconds or until the particles are thoroughly and uniformly coated.

Laying the Asphaltic Concrete Base Course—The asphaltic concrete mixture shall be brought upon the work in auto trucks at a temperature of not less than 225 nor more than 300 degrees Fahrenheit. It shall be immediately spread to such a depth that after compression a minimum thickness of 3½ inches is obtained. While still hot the asphaltic concrete mixture shall be thoroughly and uniformly compressed by a power-driven three-wheel roller weighing not less than ten (10) tons, and rolling shall be continued at a rate of not less than 5 hours for each 9000 square feet of surface. Rolling shall start longi-

tudinally at the sides and proceed toward the center of the pavement, overlapping on successive trips by at least one-half the width of the roller, until suitable compaction is obtained. Soft spots in the subgrade which yield under the rolling of the asphaltic concrete base shall be cut out and filled with sand, dry earth, or gravel. The asphaltic base course must be covered with wearing surface at least 48 hours after it has been laid unles otherwise approved by the Engineer.

Spray Coat—If considered necessary by the Engineer, due to local conditions, upon the surface of the asphaltic concrete base shall be spread an asphaltic spray coat by means of a spraying machine, for the purpose of binding the wearing surface to the foundation. The surface of the asphaltic concrete base shall be thoroughly cleaned just before the application of the spray coat. The asphalt used for the spray coat shall be as hereinafter specified. It shall be heated until thoroughly liquid so that a uniformly thin coating all over the cleaned base is obtained.

Asphaltic Concrete Surface Course (Topeka Type)—The asphaltic concrete surface course (Topeka Type), composed of broken stone, sand, stone dust and asphalt, shall be laid on the asphaltic concrete base prepared and laid as above described. The proportion of the asphaltic concrete mixture shall be proportioned by weight within the following limtis: Asphalt as hereinafter described, between 6 and 8 per cent; mineral aggregate, consisting of broken stone, sand and stone dust, between 92 and 94 per cent. The mineral aggregate shall be graded according to the following sizes, by weight, but in no case shall the amount of material retained on the 10-mesh be less than 42 per cent by weight: Passing 200-mesh screen, 6 to 8 per cent; passing 80, retained on 200, 5 to 15 per cent; passing 40, retained on 80, 5 to 15 per cent; passing 10, retained on 40, 10 to 20 per cent; passing 4, retained on 10, 12 to 25 per cent passing 2, retained on 4, 10 to 20 per cent; passing 1, retained on 2, 12 to 25 per cent.

Preparation of Mixture — The mineral aggregate and asphalt shall be heated separately. The maximum temperature of the mineral aggregate shall in no case be in excess of 375 degrees Fahrenheit. The stone dust or other inorganic mineral dust shall be mixed with the hot sand and broken stone in the required proportions, and these shall then be mixed for at least one (1) minute with the asphalt at the required temperature and in the proper proportions, in a suitable apparatus, so as to effect a thoroughly homogeneous mixture. In no case shall the asphalt be heated above 280 degrees Fahrenheit. The wearing surface mixture may be prepared by mixing bitumen in the form of asphalt with the sand and stone dust or by the combination of natural bituminous materials with the necessary ingredients to produce the proper mixture.

Laying Asphaltic Wearing Surface—The paving mixture so prepared shall be brought to the ground in auto trucks at a temperature of not less than 250 degrees Fahrenheit. The contractor must provide canvas covers for the loads for use in transit. The mixture shall be thoroughly spread immediately on reaching the ground with hot shovels and hot rakes in such manner that, after reaching its ultimate compression, it shall have a regular and uniform grade and a minimum thickness of one and one-half (1½) inches. The depth shall be constantly tested by means of gauges. The raking shall be continued until the surface shows no ridges. The surface shall be compressed immediately after spreading by a steam roller weighing not less than ten (10) tons, and the rolling shall be continued at the rate of not less than five (5) hours for every eighteen (18) thousand square feet of surface. The surface of the finished pavement shall be true and uniform, with no rolls or depressions in any ten (10) feet exceeding one-quarter (¼) inch from the true grade and cross-section of the pavement strip. No traffic shall be allowed on the pavement until it is thoroughly cooled and set. No new surface shall be laid when the foundation is wet or when the temperature of the atmosphere is less than 58 degrees Fahrenheit.

Asphalt—The asphalt must be a California product. It may be a natural asphalt, a mixture of refined liquid asphalt or be an oil asphalt. All shipments of asphalt shall be marked with the lot number and the penetration, which latter shall not be less than 50 nor more than 90 D. C. standard. When twenty (20) grams of the asphalt are heated for five (5) consecutive hours at a temperature of 325 degrees Fahrenheit in a tin dish two and one-half (2½) inches in diameter under uniform conditions, there must not be volatilized more than five (5) per cent of the bitumen, nor shall the penetration at 77 de-

grees Fahrenheit, after such heating, be less than twenty (20) D. C. standard. At least 98½ per cent of the asphalt shall be soluble in cold carbon tetrachloride, and at least 9½ per cent shall be soluble in cold carbon bisulphide.

Natural Bituminous Material—Natural bituminous material shall be construed to mean any natural, solid, mineral bitumen, either pure or mixed with foreign matter, from which, through natural causes in the process of time, the light oils have been driven off. At least 99 per cent of the contained bitumen which is soluble in carbon bisulphide shall be soluble in cold carbon tetrachloride.

Mineral Aggregate—The mineral aggregate shall consist of broken stone or gravel, sand and stone dust mixed in the proportions hereinbefore specified. The broken stone shall be selected hard basalt or altered sandstone broken as nearly cubical as can practically be made. Rock containing in excess of ten (10) per cent of discolored or inferior material will be rejected. The sand must be clean, hard and sharp, and must not contain more than three (3) per cent of mica or other inferior ingredients. The stone dust shall be Portland cement or ground limestone, or it may be any crystalline or sharp fragmental material free from loam or organic matter, and must have a specific gravity of not less than two and five-tenths (2.5). It must all pass a screen of 50-mesh to the lineal inch.

Section 3. This ordinance shall take effect immediately.

The following bill was *passed for printing*:

Ordering Construction of Additional Rooms, Spring Valley School.

On motion of Supervisor McSheehy:

Bill No. 7582, Ordinance No. —— (New Series), as follows:

Ordering the construction of three additional rooms at the Spring Valley School, and authorizing the Board of Public Works to enter into contract for said construction in accordance with plans and specifications prepared therefor.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The construction of three additional rooms at the Spring Valley School is hereby ordered, and the Board of Public Works is hereby authorized, instructed and empowered to enter into contract for said construction in accordance with the plans and specifications prepared therefor.

Section 2. This ordinance shall take effect immediately.

Registrar of Voters to Employ Necessary Help to Obtain the Complete Registration of Voters.

The following resolution, heretofore presented by Supervisor Schmidt and referred to the Finance Committee, was returned by said committee with favorable recommendation and *laid over one week*:

Resolution No. ——— (New Series), as follows:

Whereas, the public press reports that the Registrar of Voters in Los Angeles has to date 550,000 voters registered and expects to have 700,000 registered by July 1 this year; and

Whereas, in the City and County of San Francisco the Registrar of Voters has only 133,000 voters registered to date, and data obtained from the telephone company and other corporations, as well as civic organizations, places our population at not less than 800,000, showing San Francisco should have over 300,000 registered voters by July 31, 1926; and

Whereas, the registration of voters in the said City and County of San Francisco lags because the election authorities have not and will not take advantage of the law permitting them to employ canvassers who are compensated upon the basis of number of valid names registered. The Registrar of Voters has only twenty deputies in the field while Los Angeles has over 1000 deputies seeking registrations; and

Whereas, at the ensuing general election, in addition to candidates for state office, the voters will be called upon to vote upon propositions which vitally affect San Francisco and the neighboring counties and towns, among which propositions is one calling for the apportionment of moneys for the State Highway purposes on the basis of one-half thereof for use in thirteen southern counties, including Los Angeles, and one-half in the remaining forty-five counties of the state; and another providing for a reapportionment of the legislative districts of the state under which San Francisco will be deprived of adequate representation in both Senate and Assembly; and

Whereas, it is particularly necessary for the well-being of this community that its voting strength be registered to its very last vote; now, therefore, be it

Resolved, That the Board of Election Commissioners and the Registrar of Voters be and they are hereby urged to proceed immediately to the employment of the necessary help, as authorized by law, for a complete and speedy canvass and registering of the unregistered voters of this City and County and prosecute the work of such registration vigorously, to the end that San Francisco may be prepared to poll its full strength on any candidate or proposition appearing on the ballot.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Restoration of Santa Barbara Mission.

Supervisors Colman and Marks presented:

Resolution No. 25670 (New Series), as follows:

Whereas, the old Mission buildings of California form the strongest visible evidence of the early history, traditions and romance of California, and, as such, are held in general esteem as public monuments; and

Whereas, the restoration and preservation of these Mission buildings should be a work of love and reverence as well as a duty for all; and

Whereas, in the year 1906, the citizenry of Santa Barbara showed its love and sympathy in a most substantial manner to the City of San Francisco in its great calamity; therefore, be it

Resolved, That the City of San Francisco, through its Board of Supervisors, express to those in charge

of the restoration of the Santa Barbara Mission its unqualified admiration and esteem for the spirit in which this most commendable work has been undertaken; and be it

Further Resolved, That the citizens of San Francisco be urged to help in a substantial way to do their share toward the restoration of one of the Missions which did so much to bring to this glorious State of ours Christianity and love for mankind, and that they not ignore the appeal of the Old Mission at Santa Barbara, known throughout the world as California's Queen of Missions.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Roncoiveri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Absent—Supervisors Deasy, Kent, Powers—3.

Citizens' Reception Committee, All-Ireland Hurling Team.

Supervisor Gallagher presented:

Resolution No. 25671 (New Series), as follows:

Whereas, the press has announced that the Champion All-Ireland Hurling Team is to come to San Francisco on June 13, 1926, to play a match against a California hurling team, namely the California All-Stars; and

Whereas, this is the first time in the history of San Francisco that a champion team from Ireland has come here to give an exhibition of their athletic ability; now, therefore, be it

Resolved, That the Mayor be authorized to appoint the members of the Board of Supervisors and a representative committee of citizens to make plans for the proper reception and entertainment of Ireland's athletes during their stay in San Francisco.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Committee of Hotel Association on Traffic Problem.

Supervisor Shannon presented:

Resolution No. ——— (New Series), as follows:

Be it Resolved, by the San Francisco Section of the California Hotel Association, that it adheres to the policy heretofore announced by the California Hotel Association with respect to the operation of hotel busses within the City and County of San Francisco to the end that any hotel operator who desires to operate a bus may do so. Be it

Further Resolved, That the California Hotel Association is opposed to the disturbing of the hotel busses from their present location at Third and Townsend streets and at the Ferry.

That we recommend the removal by the Market Street Railroad Company of the spur track on Townsend street to the end of providing a location for taxicabs on Townsend street and their removal from Berry street. We oppose the operation of any taxicabs in San Francisco at the positions at Third and Townsend streets or the Ferry or the docks which are not metered in accordance with the ordinance of the City and County of San Francisco. Be it

Resolved, That a committee consisting of Messrs. Kirk Harris, J. W. Flannery, John Zeeman, George W. Hooper, Chas. Green, John F. Shea, Willis Hershey and Albert I. Loeb be named as a permanent San Francisco Traffic Committee to deal with all traffic problems. Be it

Further Resolved, That John F. Shea, president, and Albert I. Loeb, attorney and secretary, be authorized to transmit a copy of this resolution to the San Francisco Chember of Commerce, the Mayor and Board of Supervisors of the City and County of San Francisco and all civic organizations interested.

In witness, the California Hotel Association has hereunto caused its name to be signed by its president and secretary April 29, 1926.

JOHN F. SHEA,
President.

ALBERT I. LOEB,
Attorney and Secretary.

Referred to Traffic Committee.

Opinion of City Attorney, re Accident Occurring on Line of California Street Railroad.

The following was presented and read by the Clerk:

May 14, 1926.

Dear Sirs:

Your request for an opinion, dated May 11, 1926, to be given to the Public Utilities Committee of the Board of Supervisors, was received in due course, as follows:

Request.

"Your attention is called to the following resolution adopted by the Board of Supervisors on motion of Supervisor Shannon:

Whereas, a very serious accident occurred on the California Street Railroad on Friday, May 7, 1926, resulting in the injury of a large number of persons, some seriously if not fatally, and causing much property damage; and

Whereas, the public interest requires that steps be taken to devise ways and means to prevent a recurrence of such an accident in the future; therefore, be it

Resolved, That the City Attorney be requested to report to the Public Utilities Committee as soon as possible what public official or body would have jurisdiction and authority to make an investigation as to the cause of the accident, particularly with a view to determining if it was due to faulty equipment; and be it

Further Resolved, That the City Attorney be requested to advise the committee if there is any provision or requirement of law for the inspection of the equipment of street railway companies and if not to recommend the proper procedure for providing for such inspection as a safeguard to the traveling public."

Opinion.

Section 369a of the Penal Code provides:

"Any person, company, or corporation operating cars on the streets of cities or towns, or on the county roads within the State, for the conveyance of passengers, propelled by means of wire ropes attached to stationary engines, or by electricity or compressed air, who runs, operates or uses any car or dummy, unless each car or dummy, while in use, is fitted with a brake capable or bringing such car to a stop within a reasonable distance, and a suitable fender, or appliance placed in front or attached to the trucks of such dummy or car, for the purpose of removing and clearing obstructions from the track, and preventing any obstacles, obstructions, or person on the track from getting under such dummy or car, and removing the same out of danger, and out of the way of such dummy or car, is guilty of a misdemeanor."

Under and by virtue of this Penal Code section a warrant may be sworn to by any person who desires to do so, charging any person, company or corporation which has not fitted its cars with a brake capable of bringing the cars to a stop within a reasonable distance. It is then the duty of the Police Department to make the necessary arrest, and the duty of the District Attorney to prosecute the case.

The franchise given by the City and County of San Francisco for the operation of the California Street Road, page 11, Book of Franchises, Section 6, provides in part:

"The cars shall be of the most approved pattern for the comfort and convenience of passengers, and shall be provided with sufficient brakes and other means of stopping the same when required."

A municipal franchise, while a privilege, is in effect nothing more than an agreement between a city and a person or corporation, giving the obtainer of the franchise the right to do a certain thing. If the franchise holder substantially violates the agreement, the franchise can be revoked. Several isolated violations would not, however, be sufficient to revoke a franchise.

The Police Department, therefore, could make an investigation of this accident to ascertain whether or not the Penal Code section aforesaid had been violated; or the Board of Supervisors could themselves make an investigation to determine whether or not the terms of the franchise had been violated, and by so doing ascertain whether faulty equipment was being used.

There is at present no provision for the regular inspection of the equipment of street railway companies. The Board of Supervisors, by virtue of Article XI, Section 11, of the State Constitution, has the power to pass an ordinance in the City and County of San Francisco for the examination and inspection of the equipment of street railways. Since Article V, Section 9, Part I, of the said Charter provides that the Board of Public Works shall have charge, superintendence and control under such ordinances as may from time to time be adopted by the Supervisors concerning the matter of the use of all public highways, streets, avenues, lanes, alleys, places, courts, roads and boulevards, the Board of Supervisors might pass an ordinance providing for the regular inspection and examination by the Board of Public Works of the equipment of street cars operating within the confines of the city.

Respectfully yours,
(Sgd.) JNO. J. O'TOOLE,
City Attorney.

Motion.

Supervisor Shannon moved that the City Attorney be requested to prepare such ordinances as may be necessary to carry into effect the purport of his opinion as above, and when prepared, *refer to Public Utilities Committee.*

Motion *carried.*

Report of Mayor's Office on Bid for City Property.

May 17, 1926.

The following was presented and read by the Clerk:

Honorable Board of Supervisors,
City and County of San Francisco,
City Hall, San Francisco.

Gentlemen:

The following bid has been received by me on a certain parcel of land as described below, private sale of which was duly authorized by you through Ordinance No. 7046 (New Series), approved by me April 2, 1926:

Parcel No. 4—Fred Slepnikoff bids $150.

Parcel 4. Beginning at a point distant 325 feet at right angles northerly from the northerly line of Twenty-second street, and distant 58.944 feet at right angles westerly from the westerly line of De Haro street, and running thence westerly parallel with Twenty-second street 41.056 feet; thence at right angles northerly 17.413 feet; thence deflecting 112 deg. 59 min. to the right and running southeasterly 44.596 feet to the point of beginning; being portion of Potrero Nuevo Block 159.

A deposit of $15, 10 per cent of the sum bid, has been required of the bidder, and I recommend that such parcel of land be sold to Mr. Slepnikoff, in accordance with the provisions of the Charter and bid received by me.

Yours very truly,
(Signed) JAMES ROLPH, JR.,
Mayor.

Opinion of City Attorney on Bridges.

The following was presented and read by the Clerk:

May 15, 1926.

In re right to cancel order postponing hearing on toll bridge franchise.

Dear Sirs:

I have before me the inquiry made by you at your meeting of May 10, wherein you ask to be advised as to the right of the Board to set aside an order continuing the hearing of the applications for certain toll bridge franchises.

Opinion.

I have not before me the applications for these franchises, but presume that they are made pursuant to the provisions of Chapter IV of Title VI of the Political Code of California. Section 2870 of the Political Code provides:

"Every applicant for authority to construct a toll bridge must publish a notice in at least one newspaper in each county in which the bridge or any part of it is to be, or if no paper is published therein, in an adjoining county, once a week for six consecutive weeks, specifying the location, the length and breadth of the bridge, and the time at which the application hereinafter required will be made."

The Supreme Court of this State, in the case of Galvin vs. Board of Supervisors of Contra Costa County, reported in Vol. 235 of Pac. Rep. at page 450, holds that the compliance with the provisions of this section is mandatory upon the Board.

Section 2871 of the Political Code provides that on the hearing any person may appear and be heard regarding the granting of the franchise, and that the Board may adjourn the hearing from time to time. The purpose of fixing a definite time and place for the hearing is for the purpose of advising all interested parties when the Board will hear the application, to the end that those interested may be present and present their arguments for or against the granting of the application.

If the hearing is adjourned, those interested have the right to rely upon the order of adjournment as an indication that the matter will not be heard until the date fixed by the order adjourning the hearing, and should the order of adjournment be set aside, those interested could well complain that they had not the opportunity to be heard, and any order made by the Board on any date prior to the date of the adjourned hearing would, in my opinion, invalidate the proceedings leading to the granting or denying of the franchise.

You are therefore advised that the Board, having adjourned the hearing of the applications for the franchises to a definite date, it has not the power to set aside that order and hear said applications at an earlier date.

Respectfully yours,
(Signed) JNO. J. O'TOOLE,
City Attorney.

Motion.

Supervisor Shannon moved that the Clerk be directed to communicate with the War Department and request a ruling at as early date as possible of said Commission on its attitude toward the bridge program and its previous action prohibiting the construction of any bridge structure north of Hunter's Point.

Supervisor Gallagher moved to amend as follows: That the Clerk take up with the War Department and our Representatives in Congress when the matter of the Schultz report is before them in Washington, the proposition of expediting a decision at as early a date as possible.

Amendment *carried.*

Supervisor Shannon moved that all bridge matters be set for a special order of business for 2:30 p. m. June 21, 1926, and that the Clerk be directed to notify all applicants of the time and place.

Motion *carried.*

Leave of Absence, Mrs. Ernest J. Mott, School Director.

The following was presented and read by the Clerk:

San Francisco, Cal.,
May 15, 1926.

Honorable Board of Supervisors,
City Hall, San Francisco.

Gentlemen:

Application has been made to me by Mrs. Ernest J. Mott, member of the Board of Education, for a leave of absence, with permission to absent herself from the State of California, for a period of one week beginning May 18, 1926.

Will you please concur with me in granting this leave of absence?

Respectfully yours,
JAMES ROLPH, JR.,
Mayor.

Whereupon, the following resolution was presented and *adopted*:

Resolution No. 25697 (New Series), as follows:

Resolved, That Mrs. Ernest J. Mott, member of the Board of Education, be granted a leave of absence of one week, beginning May 18, 1926, with permission to leave the City.

Ayes — Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Bath—1.

Mayor's Veto Power.

Resolution No. 25590, adopted by the Board on May 3, 1926, was returned by the Mayor without his signature. The Mayor gave as his reason for the disapproval of the resolution that the Charter sets forth that the Assessor shall assess all the taxable property within the City and County of San Francisco and that taking away from him his duties, even in part, is contrary to the state law and therefore illegal. The Assessor is elected by the people, whose duty it is to assess the property. The resolution provides for what the Mayor terms a "super-assesssor," and he says he is informed this is illegal. The Supreme Court has held that the tax report or assessment roll must be certified by the Assessor.

Supervisor Havenner moved that the Clerk be directed to ask the City Attorney for his opinion as to a legal status of the Mayor's veto on his resolution pertaining to the power of the Board of Supervisors to employ expert assistance, whether the veto has any binding effect on this Board, and defining the right of this Board in the matter of the employment of extra assistance. Also, what is the limit of the power of the Board to employ such extras. And, lastly, what matters the Mayor may exercise his veto power over.

Motion *carried.*

Action Deferred.

Whereupon, consideration of the Mayor's veto was *laid over one week.*

Swedish Ex-Councilwoman.

Miss Alma Andeen of Stockholm, Sweden, visited the Board meeting. She said she had been a member of the city council of Stockholm for six years, but left the work for active social service work. She says that in Sweden, instead of taking care of the old people out of the taxpayers' money they have arranged a different system.

At the time of the death of an individual, instead of sending flowers to the home, the friends send a sum of money to what they call the flower house and the money is used to build houses for the poor people.

NOTICE OF RECONSIDERATION.

Lease of 333 Kearny Street for Hall of Justice Departments.

The following resolution was taken up on notice of reconsideration given by Supervisor McSheehy:

Resolution No. 25631 (New Series), as follows:

Resolved, That that certain lease, dated May 3, 1926, between Louis T. Samuels, lessor, and the City and County of San Francisco, lessee, whereby the lessor leases to the lessee 7902 feet of floor space in a building designated as 333 Kearny street for a term of five years two and one-half months at a monthly rental of $1,185.30, and subject to certain conditions and stipulations contained therein, is hereby ratified and confirmed.

Motion.

Supervisor McSheehy moved to reconsider action whereby the foregoing resolution was adopted.

Supervisor Powers raised to a point of order that the Board had agreed to adjourn at 6 p. m. and that it was now past that hour. He therefore moved to continue one week.

Motion to postpone *lost* by the following vote:

Ayes—Supervisors McSheehy, Powers, Stanton, Welch, Todd—5.

Noes — Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Marks,

Roncovieri, Schmidt, Shannon—11.

Absent—Supervisors Bath, Kent —2.

Rental Stipulation.

The following was presented and made part of the record:

San Francisco, Cal., May 17, 1926.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

Confirming our understanding and my voluntary promises:

Until such time as alterations have been completed to conform with the diagram upon which our offer to lease was based, and until the City Architect or any official authorized by the City shall declare such alterations to have been satisfactorily completed, the City shall not be called upon to pay any rent, anything to the contrary in the lease notwithstanding.

Yours very truly,

LOUIS T. SAMUELS.

Refused Reconsideration.

Whereupon, the roll was called on Supervisor McSheehy's motion and a reconsideration was *refused* by the following vote:

Explanation of Vote.

The following was ordered *spread in the Journal*:

May 17, 1926.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

On Monday, May 10th, I gave notice of reconsideration as called for in Rule 12, of the resolution providing for the leasing of offices at 333 Kearny street, which are to be occupied by the District Attorney, Public Defender and Adult Probation offices.

This lease is for a term of five years at a yearly expenditure of $14,223.60, or a total of $74,081.

On April 19th the Board of Supervisors unanimously adopted Resolution No. 25539 asking the City Architect for an estimate of certain alterations at the Hall of Justice as specified in said resolution.

On May 5th the City Architect forwarded to this Board a report as called for in Resolution No. 25539, and in that report he stated that it would cost $36,000 to make the alterations called for, $22,500 of this amount to be expended for a new photograph gallery and identification bureau, the same to be erected on the roof. This gallery and bureau was destroyed by fire in August, 1925, and the debris is there today in the same state as it was left after the fire. This expenditure will have to be made irrespective of the leasing of the offices at 333 Kearny street, and there is in this fiscal year's budget the sum of $22,500 for this purpose. On the calendar today you will find a recommendation from the Finance Committee for this expenditure.

A great mistake will be made if we enter into this lease.

1. The difference between $22,500 and $36,000 is $13,500, and this is the amount of money required to make the necessary alterations and will give the same amount of floor space as called for in the lease.

2. The lease calls for an expenditure of $14,223.60 per year and the alterations call for an expenditure of $13,500. Therefore, we will accomplish the same purpose at a saving by making the alterations. The lease calls for a total rental of $74,081 for five years. It will cost approximately $20,000 to move and install the offices at 333 Kearny street and to rearrange the Hall of Justice so that the Police Department can occupy the space vacated by them.

There will be a loss of $80,581 to the City and County of San Francisco for the five years that these offices occupy the office building at 333 Kearny street, and there will also be the inconvenience to the citizens having business with the District Attorney, Public Defender and the Adult Probation offices on account of the withdrawal from the Hall of Justice to 333 Kearny street, which is approximately four blocks away.

In closing, I hope your Honorable Board will reconsider the vote taken on this lease on last Monday. A mandate was decidedly expressed by the citizens of San Francisco on last November calling for an economic expenditure of all monies collected by the City, and as chairman of the Finance Committee I have opposed this expenditure from its first inception, and I feel that I would be derelict in my duty if I did not present these facts to you as I see them.

Trusting that you will reconsider your vote of last Monday and not attempt to establish a dangerous precedent of renting offices on the outside when we can alter our own buildings for the first year's rent payable for these offices, I remain

Sincerely,

JAMES B. McSHEEHY,
CHAS. J. POWERS,
Supervisors.

REPORT OF FINANCE COMMITTEE ON BUDGET OF MUNICIPAL EXPENDITURES FOR 1926-1927.

The following was presented and read by the Clerk:

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen: Your Finance Committee presents to you herewith Budget estimates for the fiscal year 1926-27, totaling $33,206,473. These estimates represent a reduction of approximately $1,850,000 from the total Budget of the current fiscal year, 1925-26, which amounted to $35,060,509.

The tax rate required to finance these estimated expenditures, if the present assessment roll of our City and County is not reduced, will be considerably less than the rate now in effect. If the City and County Assessor gives proper consideration to the increases in real property values which have occurred during the current year in various sections of our City and County, the decrease in the tax rate will be augmented to an important extent.

At the municipal election of last November the people of the City and County of San Francisco, by overwhelming vote, issued a mandate for strict economy to the officials who were then elected. Your Finance Committee has faithfully endeavored to carry out this mandate and we believe that a careful analysis of this Budget estimate will convince the people of the sincerity of our endeavor. Incidentally, we desire to express the belief that the mandate for economy applied not only to the members of this Board of Supervisors, who are invested with the responsibility of making the Budget and fixing the tax rate, but also to the officials and the employees of all of the executive and administrative branches of the City and County government. Acting upon this belief, your Finance Committee has not recommended a single increase in the salary of any city official or employee beyond the amount heretofore fixed by this Board of Supervisors, nor have we recommended the abolition of a single employment which has been authorized by this Board.

Your Committee has given careful attention to the requirements for education in our City and County, and has recommended a total set up of funds for the use of the School Department which will exceed that of last year. In view of the fact that we are informed that our Board of Education will reach the end of the present fiscal year with a surplus of approximately $100,000 in its treasury, we believe that the provision recommended for next year is ample in every respect. There is at present in the City Treasury a fund of more than $100,000 which has been obtained from the sale of school lands, and your Committee recommends that the Board of Supervisors shall pledge itself herewith to utilize this sum in the purchase of additional school sites or the construction, repair and equipment of schools during the coming year. If this be done, the amount of money available will be at least equal to the provision for the fiscal year ending June 30, 1926. The total amount of money to be devoted to school purposes in the next fiscal year, if these recommendations are adopted, will represent more than 25 per cent of the entire Budget for the upkeep of the City and County government.

For the reconstruction of streets and the construction of boulevards and highways, your Committee recommends a total provision of more that $1,250,000. In the interest of economy we recommend that $506,961 of this amount shall be included in this Budget, and reflected directly in the tax rate, and that the remainder be made a charge against the Good Roads Fund obtained from the State government. We urge that the Board of Supervisors pledge itself at this time to the following appropriations from the Good Roads Fund for the street, boulevard and highway projects hereinafter set forth:

Bay Shore highway, land and options	$135,000
Ocean Shore, land and options	45,000
Bernal cut, land and options	135,000

PUBLIC LIBRARY

Market street extension, third contract unit	90,000
Third street, Berry to Eighteenth	67,500
Mission viaduct	12,600
Grand View avenue	45,000
Turk street, Masonic to Willard	36,000
Masonic avenue, McAllister to Turk	6,480
Harrison street, Sixth to Eleventh	29,700
Telegraph Hill boulevard	13,500
Vermont street, Twentieth to Twenty-second	20,518
San Jose avenue, Cotter to Monterey boulevard	27,000
Silver avenue, widening	22,500
Southern Heights diagonal	9,000
Portola drive, Twenty-fourth street to Laguna Honda boulevard	18,000
California street, Powell to Mason, Leavenworth to Hyde	14,400
Garfield street, from Junipero Serra boulevard to Grafton avenue	18,000
Capitol avenue, from Montana to Lake View	9,000
Total	$754,198

Your Committee has given a great deal of thought to the Budget allowances for the Police and Fire departments, and we are confident that our recommendations are sufficient to maintain the high degree of efficiency which both of these departments have demonstrated in the past. We are glad to call the attention of the Supervisors to the fact that the executive heads of both departments have displayed a most commendable desire to cooperate in the program of economy which has been laid down by the people and that each department has reported that there will be a surplus in its funds at the end of the current fiscal year.

Equally careful attention has been given to the needs of the City and County Health Department, and we believe that San Francisco's reputation as a leader among the cities of the world in its care for the health of its people will be preserved without impairment.

Your Committee is happy to be able to present to you a list of recommendations for special projects to be undertaken during the next year which it believes to be thoroughly constructive:

An appropriation of $100,000 is recommended as an initial expenditure for the acquisition and development of a municipal air port. All plans thus far being purely tentative, this sum can be used at any time to bind whatever final plan is decided upon. Aeronautical experts are agreed that San Francisco is an ideal place for the development of the aeroplane industry. It is a fact of official record that there are more flying days in California than in any other section of the United States, and the natural resources of our State make this the logical location for the establishment and maintenance of a great, new industry for the equipment and exploitation of aeronautics. We urge the Board of Supervisors to give all possible aid and encouragement to the development of a great national air port in our City.

Your Committee recommends an appropriation of $100,000 for the improvement and perpetuation of the Exposition of Fine Arts Palace. This recommendation is based upon an estimate submitted to this Board by representative citizens of San Francisco who have given assurance that it will be sufficient to put this historic building in condition for permanent use.

The importance of establishing a public park in the Mission district is recognized by all of our citizens. Provision for acquiring such a park should be made while it is possible to procure the necessary land at a reasonable cost. In order to make a start toward the realization of this project your Committee has recommended an appropriation of $100,000 for the initial purchase of land. After the site is selected the project can proceed progressively over a period of years and within a comparatively short time the people of San Francisco will possess another splendid recreational area.

An appropriation is included in this year's Budget to continue the acquisition of land for the War Memorial project, adjacent to the Civic Center. Your Finance Committee intends to carry on the agreement previously made with the War Memorial trustees and to cooperate with them in every possible way to the end that the project may be completed as soon as it is economically and physically possible.

Since the organization of the present Board of Supervisors more progress has been made in the solution of our ever-growing traffic problems than ever before in the history of San Francisco. The installation of additional traffic signals in congested centers and of other devices for the efficient regulation of traffic has won the commendation of all of our citizens and has, incidentally, reduced the necessity for police supervision and enabled the Chief of Police to utilize his men in attention to other departments of public safety. Your Committee has recommended an appropriation, which, it is reliably advised, will be sufficient to provide for all of the traffic regulation work that is physically possible of accomplishment during the coming year.

The need for additional public provision for charitable work in San Francisco has been met by your Committee's recommendation that last year's Budget appropriation for the maintenance of minors be increased from $615,000 to $690,000. In recommending this increase your Committee has complied with the estimates submitted by leading citizens of our community who devote a great part of their time and attention to the interest of helpless humanity.

The development of the Civic Center is provided for in this Budget estimate by recommendation for an appropriation of $100,000 for the construction of a facade building along the Fulton-street entrance.

During recent years many of the largest and most important cities of California and the United States have recognized and put into effect the necessity for a scientific reappraisement of all of their real property and improvements for assessment and taxation purposes. It is admitted that San Francisco is urgently in need of such a scientific adjustment of its assessment roll, and your Committee recommends an appropriation of $50,000 to be expended by the Board of Supervisors in the employment of expert assistants to reappraise the real property of this City and County for the guidance of the Board in its future duties as a Board of Equalization.

In closing, your Committee desires to compliment those officials of the City and County government who have voluntarily cooperated in the program of economy advocated by the people at the last election. It is only fair to enumerate among these the Auditor, the Tax Collector, the Treasurer, the District Attorney, the Public Defender, the City Attorney, the Sheriff, the Adult Probation Department, the Sealer of Weights and Measures and the Department of Electricity. At the same time your Committee feels that it is a duty to direct public attention to the fact that certain of the larger deparments of the City and County government have built up what may be properly described as a system of "bookkeeping legerdemain" which is apparently designed to serve no other purpose than to baffle the Budget makers and to increase the difficulty of their task in endeavoring to conserve the public moneys and to practice reasonable economy in the interest of the taxpayers.

This is the first Budget in eight years which represents a decrease in governmental costs over the preceding year. At the same time, the progress of San Francisco is, we believe, carefully fostered and upbuilt along every line of major importance. We believe that the labor of the past weeks has brought about a turning-point in the financial policy of San Francisco.

Action Deferred.

The following matters heretofore passed for printing was taken up and on motion *laid over one week*:

Confirmation of Sale of City Lands.

Bill No. ——, Ordinance No. —— (New Series), as follows:

Confirming the sale of land owned by the City and County of San Francisco, heretofore set aside for Fire Department purposes.

Whereas, by Ordinance No. 6999, approved March 10, 1926, the Board of Supervisors determined that public interest and necessity demanded the sale of the land hereinafter described and hereinbefore referred to as formerly dedicated for Fire Department purposes, and by said ordinance directed the Mayor of the City and County to sell all of said land at public auction, to be held on or before the 5th day of April, 1926, and directed that notice of said sale be given for three weeks successively next before the sale, as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County for three weeks successively next before said sale was directed to be made, describing the land to be sold therein with common certainty and stating the date on or after which said sale would be made, as specified in Ordinance No. 6999 (New Series), and that all bids or offers would be received by the Mayor at the chambers of the Board of Supervisors in the City Hall, City and County of San Francisco, State of California, on or after said date; and

Whereas, the Mayor, the Assessor and the Chairman of the Finance Committee, being the Board of Appraisement constituted by the Charter of the City and County of San Francisco, for such purpose, thereafter duly met and made an appraisement of said land and fixed the fair value thereof at the sum of $900, and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on the 5th day of April, 1926, at public auction, the Mayor sold said property to Parkside Realty Company of San Francisco for the sum of $1,100, and accepted from said Parkside Realty Company of San Francisco a deposit in cash in the amount of $110, being 10 per cent of the amount bid as aforesaid, and thereupon and on the 12th day of April, 1926, duly notified the Board of Supervisors in writing of the fact of such sale, stating the sum bid, the name of the bidder, and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper in the City and County of San Francisco for a period of eighteen (18) days from and after the 15th day of April, 1926, that at a meeting of the Board of Supervisors to be held on the 10th day of May, 1926, the matter of said sale would come up for confirmation, stating also in said notice the fact of the sale, the amount for which the property had been sold as aforesaid, and the name of the purchaser, and also stating that if at such meeting on the 10th day of May, 1926, an offer of 10 per cent more in amount than that named in said notice should be made to the Supervisors in writing by a responsible person, the Supervisors would confirm such sale to such person, or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived and a higher bid has not been obtained, and it appearing to the Board of Supervisors that the sum of $1,100 bid as aforesaid by Parkside Realty Company of San Francisco is not disproportionate to

the value of the property sold and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The said sale of the said land hereinafter described to Parkside Realty Company of San Francisco for the sum of $1,100 is hereby ratified, approved and confirmed, and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchaser, upon payment of the balance of the purchase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying to Parkside Realty Company of San Francisco all the right, title and interest of the City and County of San Francisco in and to the land sold as aforesaid, and more particularly described as follows, to-wit:

Commencing at a point on the westerly line of Thirty-third avenue, distant thereon 285 feet southerly from the southerly line of Wawona street, running thence southerly along said westerly line of Thirty-third avenue 30 feet; thence at a right angle westerly 120 feet; thence at a right angle northerly 30 feet; thence at a right angle easterly 120 feet to the westerly line of Thirty-third avenue and point of commencement. Being a portion of Outside Land Block No. 1273, also known as Lot 2, Block 2502, on Assessor's Map Book.

Section 2. The City Attorney is hereby directed to prepare the necessary conveyance and supervise the delivery of deed upon payment of purchase price as aforesaid.

Section 3. This ordinance shall take effect immediately.

Construction of Photograph Gallery, Hall of Justice.

On motion of Supervisor McSheehy:

Bill No. 7591, Ordinance No. —— (New Series), as follows:

Ordering the construction of a photograph gallery for the Police Department on the Hall of Justice, on Kearny street between Washington and Merchant streets; authorizing and directing the Board of Public Works to enter into contract for said construction, approving plans and specifications therefor, and permitting progressive payments to be made during the course of said construction.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized, instructed and empowered to enter into contract for the construction of a photograph gallery for the Police Department on the Hall of Justice, situate on Kearny street between Washington and Merchant streets, in accordance with plans and specifications prepared therefor, which plans and specifications are hereby approved and adopted.

Section 2. The Board of Public Works is hereby authorized and permitted to incorporate in the contract for the construction of said photograph gallery conditions that progressive payments shall be made in the manner set forth in said specifications and as provided by Section 21, Chapter I, Article VI, of the Charter.

Section 3. This ordinance shall take effect immediately.

Registration of Voters.

The following resolution, heretofore presented by Supervisor Schmidt and referred to the Finance Committee, was returned by said Committee with favorable recommendation and *adopted* by the following vote:

Resolution No. 25684 (New Series), as follows:

Whereas, the public press reports that the Registrar of Voters in Los Angeles has to date 550,000 voters registered and expects to have 700,000 registered by July 1st this year; and

Whereas, in the City and County of San Francisco the Registrar of Voters has only 133,000 voters registered to date, and data obtained from the telephone company and other corporations, as well as civic organizations, places our population at not less than 800,000, showing San Francisco should have over 300,000 registered voters by July 31st, 1926; and

Whereas, the registration of voters in the said City and County of San Francisco lags because the election authorities have not and will not take advantage of the law permitting them to employ canvassers who are compensated upon the basis of number of valid names registered. The Registrar of Voters has only twenty deputies in the field while Los Angeles has over one thousand deputies seeking registrations; and

Whereas, at the ensuing general election, in addition to candidates for State office, the voters will be called upon to vote upon propositions which vitally affect San Francisco and the neighboring counties and towns, among which propositions is one calling for the apportionment of moneys for the State Highway purposes on the basis of one-half thereof for use in thirteen southern counties, including Los Angeles, and one-half in the remaining forty-five counties of the State; and another providing for a reapportionment of the legislative districts of the State under which San Francisco will be deprived of adequate representation in both Senate and Assembly; and

Whereas, it is particularly necessary for the wellbeing of this community that its voting strength be registered to its very last vote; now, therefore, be it

Resolved, That the Board of Election Commissioners and the Registrar of Voters be and they are hereby urged to proceed immediately to the employment of the necessary help, as authorized by law, for a complete and speedy canvass and registering of the un-

registered voters of this City and County and prosecute the work of such registration vigorously to the end that San Francisco may be prepared to poll its full strength on any candidate or proposition appearing on the ballot.

Action Deferred.

The following matter was *laid over one week*:

Compromise of Gas and Electric Rate Litigation.

Resolution No. ——— (New Series), as follows:

Whereas, there are pending in the United States District Court for the Northern District of California four suits, numbered 27, 32, 97 and 190 on the equity file of said court, in all of which suits the Pacific Gas and Electric Company is plaintiff and the City and County of San Francisco and its officers are defendants; and

Whereas, said suits involve judicial determination of the validity under the United States Constitution of ordinances numbered 2349, 2348, 2814 and 3338 (all new series) of the City and County of San Francisco, prescribing and fixing respectively rates to be charged by public service corporations in San Francisco for electricity during the fiscal year 1913-14, and for gas during the fiscal years 1913-1914, 1914-15 and 1915-16; and

Whereas, the decrees previously rendered by the District Court in the City's favor in said suits numbered 27, 97 and 190, involving gas rates, have been reversed on appeal by the Supreme Court of the United States, and the suits sent back for retrial; and in case No. 32, involving electric rates, the report of the Master in Chancery recommends issuance of an injunction prohibiting the enforcement of said rates; and

Whereas, the City Attorney has transmitted to the Board of Supervisors a written communication from the Pacific Gas and Electric Company, dated December 16, 1925, offering to compromise and settle all of said suits upon certain terms therein set forth; and

Whereas, both former City Attorney George Lull, who was in office pending the trial and appeal of the foregoing litigation, and the present City Attorney, John J. O'Toole, have recommended in writing that this Board authorize and direct the settlement of said suits upon the terms set forth in said communication from the Pacific Gas and Electric Company dated December 16, 1925; and

Whereas, after a careful examination and consideration of all the facts relating to said suits and the controversies therein involved, which have been submitted, the Board of Supervisors believes, in view of the large number of consumers who are interested in the outcome of said suits, of the considerable time which must elapse and the large expense to the taxpayers that must be incurred before the suits could again be tried and a final decision had, of the doubt that the City Attorney expresses as to the eventual outcome of the litigation by reason of the opinion of the United States Supreme Court rendered in the reversal of previous decrees in the City's favor, and in view of the relatively small amounts payable to individual consumers under any outcome of the suits, that the best interests of the City and the ratepayers will be conserved by a compromise along the lines recommended by the City Attorney; now, therefore, be it

Resolved, That the offer of the Pacific Gas and Electric Company to settle and compromise said four suits be and it is hereby accepted; that the City Attorney be and he is hereby authorized and directed to enter into stipulations with counsel for the Pacific Gas and Electric Company for the entry of decrees in said four suits which shall finally settle and dispose of the same upon the terms and conditions set forth in said letter from said company dated December 16, 1925; that the City Attorney be and he is hereby directed to take all steps necessary to see that said decrees when entered by the court are duly executed so as to protect the interests

of the City and the ratepayers in the premises.

Method of Replacing Street Pavement.

Bill No. 7595, Ordinance No. —— (New Series), as follows:

Providing for the method of replacing paving in streets removed by public service corporations by the Board of Public Works and payment for cost of work done.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. All public service corporations having the privilege of using the streets of the City and County of San Francisco for the purpose of transmitting light, water, power, heat, gas, telephone service or other means of communication, when about to extend or improve their service or make repairs or replacement thereto and it is necessary to remove paving on the streets, shall notify in writing the Board of Public Works of the City and County of San Francisco of the intended removal of paving, specifying the streets on which the work is to be done and the estimated length of time the work will take to complete.

Section 2. Upon the completion of any work described in Section 1 of this ordinance the public service corporation engaged in such work shall immediately notify the Board of Public Works in writing that the work has been completed.

Section 3. The Board of Public Works upon receiving notice from any public service corporation of intention to remove paving shall cause an estimate of the cost of replacing the pavement to be made and make all preparations necessary to actually replace the pavement upon receipt of notice from the public service corporation that their work of extension, improvement or repairing has been completed.

Section 4. The Board of Public Works shall upon completing the replacing of any pavement removed by a public service corporation render a bill to such public service corporation that caused the removal of the pavement for the cost of replacing the pavement, which cost shall be a reasonable sum to be measured by the prevailing market price for similar work.

Section 5. The Board of Public Works shall immediately upon completion of the replacing of any pavement forward a bill to the public service corporation which caused the paving to be removed and the public service corporation must within thirty days after receipt of the bill remit to the Board of Public Works the amount of said bill.

Section 6. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional it shall not affect the validity of the remaining portion of this ordinance, and the Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases be declared unconstitutional.

Section 7. This ordinance shall take effect July 1, 1926.

Section 8. All other ordinances in conflict with this ordinance are hereby repealed.

Changing Grades, Certain Streets.

On motion of Supervisor Welch:

Bill No. 7598, Ordinance No. —— (New Series), entitled "Changing and reestablishing the official grades on Beverly, Monticello and Byxbee streets between Garfield street and Worcester avenue; on Ralston street between Garfield and Randolph streets; on Shields street between Ralston street and the westerly line of Byxbee street, and on Sargent street between Vernon street and Worcester avenue."

Also, Bill No. 7599, Ordinance No. —— (New Series), entitled "Changing and reestablishing the official grades on Gaven street between Barneveld avenue and Boylston street, and on Merrill street between Sweeny and Gaven streets."

Also, Bill No. 7600, Ordinance No. —— (New Series), entitled "Changing and reestablishing the official grades on Seventeenth avenue between Ulloa and Vicente streets."

Also, Bill No. 7601, Ordinance No. —— (New Series), entitled "Changing and reestablishing the official grades on Munich street between Brazil avenue and a line parallel with and 300 feet southerly therefrom."

Also, Bill No. 7602, Ordinance No. —— (New Series), as follows:

Changing and reestablishing the official grades on Sixteenth avenue between Ulloa and Vicente streets.

Whereas, the Board of Supervisors, on the written recommendation of the Board of Public Works, did, on the 20th day of March, 1926, by Resolution No. 25360 (New Series), declare its intention to change and reestablish the grades on Sixteenth avenue between Ulloa and Vicente streets; and

Whereas, said resolution was so published for ten days, and the Board of Public Works within ten days after the first publication of said resolution of intention caused notices of the passage of said resolution to be conspicuously posted along all streets specified in the resolution, in the manner and as provided by law; and

Whereas, more than forty days has elapsed since the first publication of said resolution of intention: therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The grades on the following named streets at the points hereinafter named and at the elevations above city base as hereinafter stated are hereby changed and established as follows:

Sixteenth Avenue.

Ulloa street, 362 feet. (The same being the present official grade.)

300 feet southerly from Ulloa street, 347 feet.

Vicente street, 340 feet. (The same being the present official grade.)

On Sixteenth avenue between Ulloa and Vicente streets changed and established to conform to true gradients between the grade elevations above given therefor.

Section 2. This ordinance shall take effect immediately.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 25694 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets at the points hereinafter specified and at the elevations above city base as hereinafter stated, in accordance with Resolution No. 91587 (Second Series) of the Board of Public Works, adopted May 5, 1926, and written recommendation of said Board filed May 7, 1926, to-wit:

On Scott street between Chestnut and Lewis streets; on Divisadero street between Chestnut and Bay streets and between Jefferson and Lewis streets; on Broderick street between Lewis street and a line parallel with Chestnut street and 137 feet 6 inches southerly therefrom; on Baker street between Francisco and Lewis streets; on Lyon street between Jefferson and Lewis streets; on Chestnut street between Divisadero and Baker streets; on Francisco street between Scott and Broderick streets; on Bay, North Point, Beach and Jefferson streets between Scott and Lyon streets, and on Tonquin and Lewis streets between Pierce and Lyon streets.

The Board of Supervisors hereby declares that no assessment district is necessary, as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Bath—1.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Clerk to Call for Proposals for Garbage Disposal.

Supervisor Hayden presented:

Resolution No. 25695 (New Series), as follows:

Whereas, the Health Committee of the Board of Supervisors has been investigating the garbage disposal methods of various cities of the Pacific Coast, including Seattle, Portland, Oakland, Berkeley and Los Angeles and find that dumping on dry land, dumping at sea and incineration were the principal means used for disposal purposes: and

Whereas, many propositions are now on file offering to dispose of San Francisco's garbage in the manner above mentioned; and

Whereas, it is necessary to publicly advertise that San Francisco is determined to abolish the present incinerator now used for garbage disposal; therefore, be it

Resolved, That sealed proposals will be received by the Board of Supervisors on Monday, June 14, 1926, 3 p. m., for disposing of garbage either by dumping on land or sea, by incineration or any other modern method.

Adopted by the following vote:

Ayes—Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Bath—1.

Boulder Dam Project Approved.

Supervisor Welch presented:

Resolution No. 25696 (New Series), as follows:

Whereas, a measure is pending in Congress providing for the erection of a dam at Boulder Canyon on the Colorado River, and such project

contemplates a vast amount of storage of flood waters which are a menace to property of a great region, and which measure also involves the reclamation of an immense area of arid land, the supplying of water to the inhabitants of a large portion of the State and the generation of electricity which will relieve the use of the waters of northern California for their local needs; therefore,

Resolved, That this Board views the Boulder Canyon Dam Project as one which will benefit the entire State of California, and that the Swing-Johnson measure now pending in Congress is deserving of our unqualified endorsement; that a copy of this resolution be transmitted to Senator Johnson and Congressman Swing.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Bath.—1.

Appropriation for Peninsula Water Supply Investigation.

Supervisor Shannon presented:

Resolution No. ——— (New Series), as follows:

Resolved, That the City and County of San Francisco approves of the proposition to investigate the present and future water supply of the Peninsula Region as proposed by the committee appointed at a conference of city officials of said region, and expresses its willingness to participate in such investigation; furthermore, and inasmuch as said investigation will concern the use of water from the Hetch Hetchy, that the Finance Committee of this Board be recommended to appropriate the sum of three thousand dollars ($3,000) from the Hetch Hetchy Operative Fund for the purpose of making the investigation.

Referred to Finance Committee.

Citizens' Committee Summer Symphony Concerts.

Supervisor Havenner presented:

Resolution No. 25698 (New Series), as follows:

Resolved, That the Mayor be authorized to appoint a Citizens' Committee to aid in the holding of summer symphony concerts at the Auditorium in this City.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Bath.—1.

Public Utilities Committee Meeting Postponed.

Supervisor Shannon moved that the Clerk be instructed to send notices to all interested parties that Public Utilities Committee meeting next Wednesday will be *postponed one week.*

Street Carnival.

Supervisor Schmidt presented:

Communication, from San Francisco Retailers' Protective Association, requesting permission to hold a street carnival on Van Ness avenue between Market and Mission streets on June 5th to 13th.

Referred to Police Committee.

Report on Industrial Dispute Conferences.

Supervisor Havenner, chairman of Committee on Industrial Dispute, reported verbally on conferences had with both sides of the controversy and said that he hoped soon to report progress.

Public Hearing on Budget.

Supervisor McSheehy moved that when we adjourn we do so to meet again for a public hearing on the proposed Budget of Municipal Expenditures for the Fiscal Year 1926-1927 on Wednesday, May 19, 1926, at 2 p. m.

ADJOURNMENT.

There being no further business, the Board at the hour of 6:30 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

Approved by the Board of Supervisors July 26, 1926.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated, and approved as above recited.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

WEDNESDAY, MAY 19, 1926, 2 P. M.

In Board of Supervisors, San Francisco, Wednesday, May 19, 1926, 2 p. m.

The Board of Supervisors met pursuant to adjournment for the purpose of conducting a public hearing on the proposed Budget of Municipal Expenditures for the Fscal Year 1926-1927, as presented by the Finance Committee.

CALLING THE ROLL.

The roll was called and the following Supervisors were noted present:

Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Hayden—1.

Chairman.

His Honor Mayor Rolph being absent, Supervisor Marks was nominated and elected to preside.

The Chairman announced that the meeting was being held pursuant to Section III of Chapter I of Article III of the Charter, which provides that the Supervisors, in making up their annual Budget, and before finally determining same, shall fix such time or times as may be necessary to allow the taxpayers to be heard in regard thereto.

Privilege of the Floor.

Mr. W. S. Lunsford, representing the Transcontinental Highway Commission, Reno, Nevada, was granted the privilege of the floor. He wanted it understood that he was not a taxpayer, but was before the Board in the interest of the Nevada Transcontinental Highway Exposition, which will be held at Reno in 1927, which he assured the Board will be positively held, rumors to the contrary notwithstanding. The State of Nevada, he said, has already erected and has at least 50 per cent completed its $250,000 building. The County of Washoe, wherein the Exposition is to be held, has already appropriated $300,000. $750,000 is a conservative estimate of the amount of money that is appropriated by the State of Nevada and the County of Washoe for the successful conduct of the proposed Exposition. We are reliably informed, he said, that no appropriation for San Francisco's representation at the Exposition has been made in this year's Budget. $50,000, he said, had been previously appropriated for the purpose, but was turned back into the General Fund. He called attention to the importance and benefit to be derived by San Francisco from the proposed Exposition at Reno, and urged that adequate provision be made for this City's representation at the proposed Exposition.

Joseph Cummings, representing the Down Town Association, also addressed the Board, reinforcing what Mr. Lunsford had to say, and pointing out Nevada's appropriation for participation in our own Panama-Pacific Exposition in 1915. He urged that the appropriation be made.

Mr. C. A. Fleming, representing the Chamber of Commerce, was granted the privilege of the floor and addressed the Board. He cordially thanked the Finance Committee for the consideration and forward-looking attitude they had taken toward the establishment of an airport for San Francisco by the appropriation in this year's Budget of the sum of $100,000 for that purpose. Mr. Fleming declared in reply to query by Supervisor Welch that the very minimum for an airport was about 30 acres. That, he said, would be the first unit. As the industry grows there will be need for more and more room, not only for landing purposes, but for the industries that will grow up around the field. The 30 acres would be necessary for the hangars and for the storage of private airplanes, mail planes, etc. The airplane industry will presumably grow up around that field in the adjacent territory. Down in Santa Monica, he said, one industry, the Douglas Airplane Company, has a payroll of nearly four hundred people, and they are making planes on quite a large scale there.

We have an opportunity of getting into the field and getting the industry here. In reply to Supervisor Shannon's question as to the maximum acreage needed, he said it was purely a matter of development. The chamber, he said, had made a study of the 30-acre unit, which could be developed into a 140-acre unit provided the money was forthcoming.

Edward O'Dea, representing the Spring Valley Water Company, was granted the privilege of the floor and read a protest from Spring Valley Water Company against the alleged inadequacy of the appropriation made in Budget Item No. 721 for water for hydrant service, to-wit:

"In the proposed Budget estimates for the fiscal year 1926-1927, as submitted to your Board by the Finance Committee, dated May 17, 1926, Budget Item No. 721, under the general heading of Fire Department items, municipal expenditures for the said fiscal year for hydrant service, Spring Valley rental and water for buildings, at $150,000. A conservative estimate of the expenditures of the City for the above purposes during the current fiscal year prior to June 30, 1926, may be itemized as follows: Fire hydrants, $169,000; high-pressure system for steaming and miscellaneous purposes only, $3,000; water for Fire Department buildings, $6,200; Department of Electricity and fire boats, $1,000; making a total, exclusive of water actually used in filling Twin Peaks reservoir and high-pressure pipe system, $179,000. Your attention is directed to the fact that the bills actually paid for water and serving to the Fire Department for the ten months of the current fiscal year amount to $154,-423, which is more than $5,000 in excess of the total figure set out in your proposed estimate for the whole of the next fiscal year, and with no allowance whatever for normal increase in the growth of the city. A conservative estimate for the next fiscal year is as follows: Hydrants, $174,500; high-pressure system, including water for steaming and also filling Twin Peaks reservoir and high-pressure pipes, $27,000; buildings, $6.500; total, $208,000. The Finance Committee apparently has arbitrarily cut $58,000 from the necessary expenditures for the above services. In this reduction of $58,000 the Finance Committee may have in mind a saving of $24,000 by the elimination for the next fiscal year of brush water in the Twin Peaks reservoir and the high-pressure system. The balance of the reduction, to-wit, $34,000, must come out of the hydrant service, which would mean the crippling of the City's fire protection by the elimination of from 900 to 1000 fire hydrants.

Very truly yours,
SPRING VALLEY WATER COMPANY,
By G. A. ELLIOTT,
Vice-President."

Mrs. Elizabeth Gerberding, representing the Preservation League, commends the Finance Committee recommendation for $100,000 for preservation of Fine Arts Palace.

John O'Connell, spoke for wage increases for janitors, elevator operators and draftsmen.

Mr. Grover O'Connor, representing the Municipal Civil Service Employees' Association, requested an additional appropriation to the Civil Service Commission for the purpose of holding examinations for temporary positions—between 200 and 300 jobs.

J. F. Kelly requests street work on Washington and Clay; protests appropriation for voting machines as being illegal; protests Mulvey increase and auto hire Horticultural Commission.

Jack Rose, San Francisco Fire Department, complains that No. 652 and No. 653 are short three battalion chiefs and two operators, respectively. Will result in reduction in rank.

Wm. J. Ostrolow, East and West Castro Street Improvement Club, protests that no provision was made for playground at Twenty-sixth and Douglass streets (site of old quarry). Requests $15,000. Told that $15,000 in this year's Budget will be used immediately for this purpose. This promise satisfied him.

Ralph McLeran requests additional appropriation for Tubercular Sanitarium in San Mateo County and completion of Civic Center. Suggests $100,000 for purchase of rights of way to open up Van Ness avenue from Mission street to Howard street.

Dr. Hassler explained the necessity for carrying out the Tubercular Sanitarium project by making additional appropriation.

Mrs. Tate Thompson, director of Tuberculosis Bureau, urged an adequate appropriation for the care of tubercular patients.

Frank Olmo urged action on Bernal Cut.

Dr. Sahlfield spoke in favor of Bernal Cut. Wants $22,500 for street work, Haight street, Buchanan to Divisadero.

Jos. M. Cummings, Down Town

Association, discussed the lighting appropriation. Thinks the appropriation is inadequate to meet the growth of the city.

Daniel O'Connell—Item No. 321 and other employees of Superior Court should be abolished; City would save $60,000 a year. Item No. 36 a misnomer; not a War Memorial; illegal.

Mrs. De Bryan wants $4,000 for Mount Vernon street work. Will be taken care of out of Good Roads Fund.

Louis C. Towne, representing seasonal clerks, wants their salary scale fixed at $190 per month, same as regular clerks.

Mr. Wahlin—Same request.

Clyde Farrell, Bernal Heights Clubs, wants $10,000 for Bernal boulevard and park.

Mrs. Bauman and *Mrs. Wissing*, Douglass street between Twentieth and Twenty-first, want $21,500; property owners will share other half.

Mrs. R. D. Hutchinson and *Mrs. Peterson*—Extend bond sewer, College Hill, Schwerin street, $25,000.

Mrs. Schneurt, secretary Haight and Ashbury Improvement Club—Masonic avenue between Oak and Fell street.

Miss Margaret O'Callaghan wants definite determination of City's intention as to how far Van Ness avenue is to be extended, because of effect on property holdings.

Mr. Lukrawka wants recompense for service in securing opinion in favor of City relative to extension of water service against Spring Valley Water Company.

George Gerhard, secretary Civic League of Improvement Clubs, due to lack of quorum, requested the privilege of sending in a written statement urging an additional appropriation for the Tubercular Sanitarium, to be read at the full Board meeting to be held May 20, 1926, at 3 p. m., it being understood that the public would not be heard at this meeting, the Budget being in the hands of the Board for action. Request *granted*.

RECESS.

Whereupon, the Board took a recess until 3 p. m., May 20, 1926.

J. S. DUNNIGAN,
Clerk.

REASSEMBLED.

THURSDAY, MAY 20, 1926, 3 P. M.

In Board of Supervisors, Thursday, May 20, 1926, at 3 p. m.

The Board of Supervisors reassembled at the hour of 3 p. m. for the purpose of continuing the public hearing on the Budget.

Supervisor Marks presiding.

CALLING THE ROLL.

The roll was called and the following members were noted present:

Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Absent—Supervisor Deasy—1.

Motion.

Supervisor McSheehy, seconded by Supervisor Kent, moved that the Budget be passed for printing.

Resolution of Condolence on the Death of Judge Partridge.

The following was presented, read by the Clerk, and *unanimously adopted by rising vote*:

Resolution No. 25699 (New Series), as follows:

It is with feelings of deep emotion and poignant sorrow that this Board learns of the death of that distinguished jurist, John S. Partridge, Judge of the United States District Court. Many years of his life have been spent in useful public service, as a teacher in the public schools, as a legal adviser of the City and as a dispenser of law and equity. In the discharge of these duties he gave the best of his ability with a conscientious and noble purpose that won for him the highest esteem of his fellow citizens.

His passing away is a decided loss to the community, and this Board desires to have recorded in its Journal of Proceedings these expressions of its regard for his past services and its belief that his life was one worthy of emulation. That he has been here, one of us, playing a man's part in life with courage and with charity, is an event of such consequence that our memories of him will long endure.

Communication From Civic League of Improvement Clubs and Associations.

The following was presented and read by the Clerk:

San Francisco, May 20, 1926.

Board of Supervisors, City Hall,
Civic Center, San Francisco.

Gentlemen:

In compliance with the suggestion of Supervisor James B. McSheehy, Chairman of your Finance Committee, Supervisor Andrew J. Gallagher and others, the Civic League of Improvement Clubs and Associations herewith places its pleadings relative to changes in the 1926-1927

municipal Budget in writing before your honorable Board.

At the meeting of our Board of Governors, presided over by our president, Mr. W. W. Watson, last Tuesday, this Budget for the ensuing year was most carefully scrutinized and the members of the Board expressed nothing but words of commendation on the excellent manner in which it had been prepared, for the constructive items contained therein, and in finding all but two items requested by the League included in the Budget.

One item, the Esplanade, while a most desirable improvement, can be readily postponed without any particular financial disadvantage to the City. The other, the Van Ness avenue extension, we will take up later in this communication.

There is one other item, however, not in this year's Budget, which we regret exceedingly—the Tubercular Sanitarium.

The Civic League feels that if it is at all possible to transfer items in the present Budget, even though they be of great aesthetic value to the City, it would be better at this time to do so in order that progress in the creation of this sanitarium may not be impdeded or delayed, because the eventual saving or preserving of human life and health is of such value that it cannot be measured by dollars and cents.

It is true that a construction program will be carried far into the ensuing fiscal year, but we hope that some funds can be provided at least for securing plans and specifications for other units of the project, that their construction may be immediately taken up upon the completion of the first unit, shortly to be placed under contract.

We therefore respectfully request that as much as possible of the total sum of $200,000 requested by the Board of Health be found in the new Budget to be transferred to this purpose, in order that there may be a continuation of progress in creating this institution which has for its purpose the building of good, healthy, useful citizens out of those who might otherwise become helpless chronic invalids, demanding the care of the City for years to come at a far greater financial sacrifice.

The other item not included in the Budget is that of the Van Ness avenue extension from Mission to Howard street.

The Civic League has requested your Finance Committee either to make some provision for the completion of this important connecting link or, in default thereof, to take such action as will remove the cloud now hanging over the realty property in the block affected.

Private projects of considerable magnitude are proposed to be placed on this block if definite assurance is given that the avenue will not be cut through it.

The property owners, who can now neither rent, lease, sell or improve their property because of the uncertainty existing, are entitled to definite action one way or the other, so that they may turn their property holdings into producing factors to the City's advantage as well as to their own.

In favoring the extension, however, the Civic League, if permitted, would desire to draw the Board's attention to the advantages the extension of the avenue would bring to San Francisco.

Your Board has given assurance to the promoters of the Redwood Highway of assistance wherever possible, and yet this one block extension of Van Ness avenue, if put through, will prove the most important link between the Redwood Highway from the north to the State Highway to the south, through San Francisco.

Travelers from the Redwood Highway would enter the city at North Beach, traversing the full length of Van Ness avenue through its extension to Howard street, which latter in turn will provide a natural outlet to the south, connecting at Army street with either the Mission street highway to the south or with San Bruno avenue and following the Bay Shore Highway over the new State construction, paid for by the City, to San Jose and the south.

This means that Howard street property values would be bound to rise, because many automobile concerns will desire to establish assembly plants in this part of the State in the near future, and where more logically can they be located than on the most important automobile highway through San Francisco from the most northern to the most southern limits of the State?

Here, unlike the present automobile row on Van Ness avenue, will be found level territory, easily accessible to railway spur track facilities, more conveniently located to the industrial and commercial sections of the city. It would cause Howard street property values to increase enormously, because it would become one of the principal automobile business thoroughfares of the city, not injuring any adjacent streets, but aiding in their further development. That is what the

extension of Van Ness avenue would mean to San Francisco—a superhighway from the northern to the southern limits of the city—a superhighway such as are now being constructed at an expense of millions of dollars in other cities.

If not accomplished while property values still remain low, the City at some future date will be bound to carry through this improvement at a cost of millions; at least that is the opinion of those with a wide vision. We therefore plead for the inclusion of a sum, even though it may be small, which may be the entering wedge to accomplish it, and at the same time definitely inform the owners of the property just what is intended, in order that they may improve the same in accordance with the plans to be perfected.

Respectfully submitted,

CIVIC LEAGUE OF IMPROVEMENT CLUBS AND ASSOCIATIONS,
GEO. W. GERHARD,
Secretary.

Timothy Riordan, President of the Board of Public Works, was granted the privilege of the floor. He called attention to what he said were some minor mistakes in the Budget. He asked for $15,000 for maintenance and repair of bridges in lieu of $10,000 allowed and $300,000; as recommended by the City Engineer, instead of $200,000 as allowed, for the extension of main sewers. He asked for more money for repairs to buildings outside of school buildings, also more inspectors for the Bureau of Building Inspection. Appropriations for lighting public buildings are cut $30,000 or $35,000 and water appropriation is $18,000 or $20,000 less than last year. The fireman in charge of the night gang has been omitted through error. No foreman is provided for in the produce district. Budget allowance for auto line is reduced. Items 76 to 79, taking from the Board of Works rental of teams, etc., and placing same in control of the Board of Supervisors is a radical change and an error.

Clyde Healy spoke of the necessity for an appropriation of $15,000 for erection of buildings for housing necessary street equipment on property purchased at Etna street, off First avenue, for that purpose last year.

Board of Works Teams.

Supervisor Gallagher moved that the City Attorney be requested to give his opinion at the earliest possible moment on the subject as to whether or not the Board of Supervisors has power and authority to take over control from the Board of Public Works in the matter of hiring its teams and automobiles used in the performance of the functions of that department as indicated in this Budget by Items Nos. 76, 78, 79, 79A, 79B and 79C.

Supervisor McSheehy, seconded by Supervisor Powers, moved, as an amendment, that this subject matter be referred to the Finance Committee and that the Finance Committee ask for the opinion requested in the Gallagher motion.

Whereupon, Supervisor Gallagher withdrew his motion in favor of the amendment.

Thereupon, the amendment was *carried unanimously*.

Justices' Clerk's Office.

Robert Dennis, Justices' Clerk, was granted the privilege of the floor and addressed the Board. He declared that in the Budget proposed no provision had been made for the Small Claims Court and that it was not included in the copy in his possession.

Fire Hydrants.

Supervisor Gallagher presented a communication from President Sykes of the Fire Commission with reference to the necessity for an increased appropriation for fire hydrant service, which was read by the Clerk.

Frank T. Kennedy, Secretary of the Fire Commission, was granted the privilege of the floor and was heard in reference to the charge for hydrant service and the manner in which the amount of water used at fires is computed. The City, he said, buys the hydrants at $87 or $90 each and the installation cost is $40. The rate per hydrant was $2.50 each, but was increased to $3 by the Railroad Commission.

Motion.

Supervisor Badaracco moved that it be the sense of this Board that only contested matters be taken up for consideration.

So ordered.

School Appropriation.

Supervisor Hayden requested that it be made a matter of record that the $900,000 appropriated in this year's budget for plans and construction of new school buildings, etc. is $600,000 more than the Chairman of the present Finance Committee was willing to allow in last year's Budget.

Supervisor McSheehy, Chairman of the Finance Committee, declared that last year the Finance Commit-

tee had millions of bond money to draw upon.

Motions.

Supervisor Shannon moved that we take up the Budget by departments.

Supervisor Hayden moved as an amendment that the Budget be taken up seriatim.

So ordered.

Consideration of the Budget.

Thereupon, the following items, Nos. 2 to 154, were, on motion of Supervisor Shannon, taken up for consideration:

Supervisor Gallagher, seconded by Supervisor Bath, moved to insert Item No. 66 D, "for the purpose of securing options and rights of way for the extension of Van Ness avenue as recommended by the Board of Public Works," $50,000.

Supervisor Powers. seconded by Supervisor Schmidt, moved reference to the Finance Committee.

Point of Order.

Supervisor Gallagher raised the point of order that Supervisor Powers' motion to refer is out of order for two reasons: Subject is now in committee and has been considered by it; also, matter has been in committee over thirty days and any member has a right to bring it before the Board now.

Chair ruled point of order not well taken.

Motion.

Supervisor Gallagher moved that the subject matter of Van Ness avenue be withdrawn from committee and placed in the hands of the Board.

Supervisor Baddaracco: I make the point of order that a motion is pending and the motion to withdraw is out of order.

Chair: *So ruled.*

Supervisor Roncovieri moved as an amendment reference to the Finance Committee's report to be made to the Board by the committee before the Budget goes to print.

Amendment *lost* by the following vote:

Ayes—Supervisors Colman, Gallagher, Harrelson, Hayden, Roncovieri—5.

Noes—Supervisors Badaracco, Havenner, Kent, Marks, McSheehy, Powers, Schmidt, Shannon, Stanton, Todd, Welch—11.

The Journal of Proceedings of the

meeting of March 29, 1926, was considered read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Law Enforcement, Labor Controversy.

The following was presented by Supervisors Colman, Hayden and Harrelson:

Whereas, there is at present an industrial controversy in the City and County of San Francisco; and

Whereas, it has been published in the public press of this community and generally elsewhere that said controversy is being accompanied by repeated acts of violence; and

Whereas, continuance of such conditions must inevitably result in a loss to this community of its reputation as a peaceful and law-abiding community; therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, that while it expresses no opinion as to the merits of said controversy (and while it fully recognizes the undisputed rights of both parties to such controversy to endeavor to obtain their desired objects in every lawful way) it does, nevertheless, now call upon every public official in this community whose sworn duty it is so to do, to take every necessary step to enforce law and order and to prevent the commission of criminal acts and to punish all persons guilty thereof.

Motions.

Supervisor Colman moved suspension of the rules and adoption of the resolution.

Supervisor Havenner moved as an amendment that the resolution be referred to the Special Committee.

Thereupon, the following was presented by Supervisor Hayden, read by the Clerk and ordered *spread in the Journal*:

"THIS CITY'S AUTHORITIES MUST END THE REIGN OF STRIKE VIOLENCE.

("Examiner" Editorial)

San Francisco is being injured seriously through the State and Nation by the impression which is abroad that our administration of justice has broken down.

Day after day crimes of violence ranging from simple assault to murder are occurring, and up to the present time the record shows there has been a tragic inefficiency or lack of determination upon the part of the duly constituted authorities to meet the situation.

The names of Herrin and Cicero, two cities in the Middle West, are today synonymous with violence and lawlessness. The name of San Francisco must not be bracketed in any such company.

During the past month there have been practically daily riots in which mobs of men have assaulted individual workingmen and left them maimed and beaten. Arrest after arrest has been made, under circumstances which require that the District Attorney and the criminal courts should entertain charges of felony. The record shows that in practically every instance bail has been fixed in these cases at some ridiculously low amount and that subsequently the cases either have been dismissed or the fines assessed have been so nominal in character as to put a premium on further commission of crime.

The charge is openly made that several of the police judges are aspirants for other political offices and that deliberately they are avoiding their sworn duty. The charge is openly made that the District Attorney displays an utter indifference to the situation and that the prosecution, in cases where arrests have resulted, has been nothing more than perfunctory. The charge is openly made that the police department of San Francisco at the outset of the present reign of violence was willing, and attempted, to do its sworn duty, but that its morale has been destroyed by the attitude assumed by the judges of the police courts and by those higher in authority in the city government.

The present outburst has obtained for several weeks. It has been concurrent with the existence of the carpenters' strike. There has been ample time to verify the character of these attacks, and the record shows clearly and conclusively that in practically every instance of 102 cases of assault the victim has been either a nonunion workingman or a union workingman who had refused to quit employment on the strike order.

The evil results of this reign of lawlessness are many. First and outstanding has been the injury to organized labor in San Francisco. Every thoughtful labor leader and member of a union realizes that these daily acts of crime are throwing over the entire organized labor movement in San Francisco a pall of suspicion, distrust and ill-feeling on the part of the community at large.

At the outset of the strike there was a large body of citizens of San Francisco sympathetic with the carpenters, conscious of the prosperity of the city, and anxious and willing to bring about an adjustment which

would result advantageously to the workers. Repeated disturbance has resulted in a conviction upon the part of these citizens that no self-respecting community can countenance an attempted reign of terror.

While San Francisco is spending a million and a half a year inviting people to come to Northern California and San Francisco to make their homes, the current news of the past weeks has been of such a character that it has largely neutralized the beneficial advertising and discouraged people who would have come.

Not the least consideration is the fact that violence begets violence. Any observer of events would be stupid indeed if he did not sense the present serious trend. It is an hourly occurrence to hear law-abiding citizens denounce the supposedly constituted authorities of San Francisco who have permitted this situation to grow unchecked. Anyone who knows human nature must be convinced that further duration of the present conditions will culminate inevitably in some incident which will arouse the community and set in motion forces which it might be impossible to control.

It is the sworn duty of the Mayor, the District Attorney, the police judges and the police of San Francisco to enforce the law.

They have been elected or appointed to office for this purpose, and they have sworn to do their duty.

The time has come to determine whether the lawfully constituted authorities of San Francisco propose to do their duty or whether, through lack of courage, they choose to ignore it.

'The Examiner' is not expressing any opinion on the merits of the carpenters' strike. The attitude of this newspaper in relation to proper working conditions and wages of workingmen is written in the records for many years.

'The Examiner' is interested vitally with every citizen of San Francisco in the protection of life and the maintenance of law and order. When any body or group of men seeks, in defiance of law, to bring the community to submission, all right-thinking people can be of only one opinion, namely, that no such attempt can be permitted to succeed.

Any candidate for public office in San Francisco who hopes to satisfy a political ambition on a record of compromise with public duty or submission to lawlessness insults the intelligence of the San Francisco electorate.

The people of San Francisco are law-abiding, home-loving and God-fearing people and they are demanding that law and order shall be maintained in this community."

Point of Order.

Supervisor Shannon raised the point of order: "This matter is not properly before the Board. Havenner amendment is not in order. We should first vote on suspension of the rules."

Chair: Point of order well taken.

Action Deferred.

Thereupon, on motion of Supervisor Havenner, further action was *continued until* 5 *p. m.*

Consideration of the foregoing was thereupon *deferred until* 5 *p. m.*, when the matter was taken up and the following proceedings had:

Supervisor Colman said he considered this a matter of tremendous importance; that criminal acts of violence are hurting our city to a terrible degree, and renewed his motion for the suspension of the rules and the adoption of the resolution.

Supervisor Havenner: I would like at this time prior to voting upon the motion for the suspension of the rules to explain why I moved at the time this resolution was brought in to refer it to the committee appointed by the Mayor to attempt to effect a conciliation in the present industrial dispute in San Francisco.

Supervisor Gallagher: I rise to a point of order. My point is that the only thing we can discuss is the suspension of the rules for the introduction of this resolution.

The Chairman: The point of order is not well taken. You are in order, Supervisor.

Supervisor Havenner: My reason for moving, when this resolution was so suddenly and unexpectedly interjected into the Board, that it be referred to the committee, was that our committee has been proceeding in the utmost good faith, so far as I was aware, to arrive at a basis of settlement of the dispute which is referred to in this resolution. There was a joint agreement, a specific joint agreement, among the members of that committee, that no publicity would be given out which might tend in any way to affect our efforts, and this at least was implied—that no action of any member of the committee would be of such a nature as to affect adversely the efforts that we were trying to make. I believe

that the introduction of this resolution in the fashion in which it has come before this Board, signed by the three members of the committee, is a most unfortunate thing for the committee itself and its work. It was upon that theory that I rather hastily decided that the resolution should go to the committee. But after the speech made by Supervisor Hayden, who made an entirely unwarranted and malicious attack upon the committee on which he is now serving, indicating that I was a supporter of violence, whereas he knows from his experience in that committee that that is false and untrue, and that my efforts have been directed entirely towards ending this controversy and bringing a stop to violence in San Francisco, I feel that it is a personal affront which should not be tolerated on this Board. However, in veiw of the fact that the attempt has been made to make me appear as a proponent of violence, I shall vote in favor of this resolution at this time. I want the Supervisor to know why I vote in favor of it. I want him to know that I think it is a most regretable thing that this resolution was brought in in the fashion in which it was brought in. Of course, every member of this Board is going to vote for any declaration against violence, and the original statement which I made to the Board in support of the resolution which was adopted here three weeks ago, and which was referred to by Supervisor Hayden, contained a specific declaration that I was opposed to violence. I do not believe any body in San Francisco who knows me would in good faith say that I would stand for violence. I do not believe that any member of the Board except Supervisor Hayden would make such a statement. I say that that statement was malicious and false and should not have been tolerated. I am merely explaining my vote at this time.

Supervisor Gallagher moved to amend by inserting the following "Whereas" and "Resolved" in the resolution:

Whereas, the members of this Board of Supervisors have been attacked in the public press by what seems to be an intentional effort to misstate our declaration against partisan participation (by constituted authority) in the enforcement of law in the present industrial conflict; therefore, be it

Resolved, That the Public Welfare Committee is hereby authorized to convey (out of the Publicity and Advertising Fund) through the most advisable channels the real attitude and purpose which actuated the action of a majority of this Board in the adoption of Resolution No. 25630 (New Series), dealing with the above-mentioned industrial dispute.

Thereupon, the resolution, as follows, was *adopted*, together with the amendment of Supervisor Gallagher, by the following vote:

Resolution No. 25709 (New Series), as follows:

Whereas, there is at present an industrial controversy in the City and County of San Francisco; and

Whereas, it has been published in the public press of this community and generally elsewhere, that such controversy has been and is being accompanied by repeated criminal acts of violence; and

Whereas, the continuance of such conditions must inevitably result in the loss by this community of its reputation as a peaceful and law-abiding community; and

Whereas, the members of this Board of Supervisors have been attacked in the public press by what seems to be an intentional effort to mistake our declaration against partisian participation (by constituted authority) in the enforcement of law in the present industrial conflict; now, therefore, be it

Resolved by the Board of Supervisors of the City and County of San Francisco, That, while it expresses no opinion as to the merits of such controversy (and while it fully recognizes the undisputed rights of both parties to such controversy to endeavor to obtain their desired objects in every lawful way), it does, nevertheless, now call upon every public official in this community whose sworn duty it is so to do, to take every necessary step to enforce law and order and to prevent the commission of criminal acts and to punish all persons guilty thereof.

Further Resolved, That the Public Welfare Committee is hereby authorized to convey (out of the Publicity and Advertising Fund) through the most advisable channels, the real attitude and purpose which actuated the action of a majority of this Board in the adoption of Resolution No. 25630 (New Series), dealing with the above mentioned industrial dispute.

Condemnation of the "Un-American" System of Refusing Building Material to Union Jobs.

Supervisor Stanton thereupon presented:

Resolution No. —— (New Series), as follows:

Whereas, it is reported that the occurrence of public violence in this City and County at the present time is due in large part to a secret system of violence which is being put into effect by a certain group of dealers in building materials, who are refusing to sell materials to citizens of San Francisco who apply for supplies of materials for building purposes unless they obtain an arbitrary permit from the aforesaid organization; and

Whereas, such a system of denying the right of American citizens to purchase materials required to carry out their legitimate business operations is thoroughly un-American and is a contributory factor of the utmost importance in prolonging the present industrial dispute which is halting the progress of our City; therefore, be it

Resolved, That this Board of Supervisors condemns without restriction the operation of this un-American system in the business affairs or our City and pledges all of its official influence and authority to stamp out this practice.

Referred to Public Welfare Committee.

Embarcadero Bus Line.

Numerous protests have been filed against the award made by the Board of Public Works for furnishing buses to be used in the bus service along The Embarcadero.

These complaints are made by various automobile firms who claim that the specifications called for 21-passenger buses, whereas the award was made for a 29-passenger bus.

The protests were *referred to the Public Utilities Committee.*

Mayor's Veto.

The veto of the Mayor on the question of the appointment of a special assessor for the city was *continued for a week.*

Reception to Crown Prince of Sweden.

The following was presented and read by the Clerk:

San Francisco, Cal.,
May 24, 1926.

Hon. Board of Supervisors, City Hall, San Francisco.

Gentlemen:

I have the honor of informing you of the impending visit to San Francisco of their royal hignesses, the Crown Prince and Crown Princess of Sweden with a considerable suite.

The royal visitors are to be guests of the Department of State of the United States and will arrive in San Francisco on July 28, remaining until August 3.

I am sure that this city desires to accord the Crown Prince and Crown Princess a reception which will make their visit here stand out, and I would respectfully ask for authorization from your Honorable Board for a citizens' committee to have the reception in charge.

Very sincerely yours,
JAMES ROLPH, JR.,
Mayor.

Mayor, on motion duly made and carried, authorized to appoint a Citizens' Committee in accordance with his request.

Roofing Composition.

Supervisor Gallagher presented:

Communication, from Zellerbach Paper Company, together with samples of Richardson's Super-Giant and Viskolt Membrae roofing materials, which were ordered *referred to the Public Buildings Committee.*

Protest Against Placing Vicente Street in Commercial District.

Protest, of Taraval Improvement Association against proposed amendment to Zoning Ordinance classifying Vicente street as a Commercial District.

Referred to City Planning Committee.

SPECIAL ORDER, 2 P. M.

Set-back Line Hearing.

Hearing of objections to the establishment of set-back lines along portions of Fifteenth, Seventeenth, Nineteenth and Fortieth avenues.

Action Deferred.

The foregoing matter, together with the following bill, was ordered *re-referred to the City Planning Committee*:

Bill No. ——, Ordinance No. —— (New Series), as follows:

Establishing set-back lines along portions of Fifteenth, Seventeenth, Nineteenth and Fortieth avenues.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited that on the 26th day of April, 1926, the Board of Supervisors adopted Resolution of Intention No. 121 to establish set-back lines along Fifteenth, Seventeenth, Nineteenth and Fortieth avenues, and fixed the 24th day of May, 1926, at 2 o'clock p. m., at the chambers of the Board of Supervisors, as the time and place for hearing objections thereto; that thereafter and more than ten days prior to said hearing the said resolution was published and notices of the passage of said resolution were

posted along the line of said streets in time, form and manner required by Ordinance No. 5636 (New Series); that said hearing was held at the time and place aforesaid, and that all objections made at said hearing have been properly overruled.

Section 2. Pursuant to the foregoing recitals and in accordance with the provisions of said Ordinance No. 5636 (New Series), set-back lines are hereby established as follows:

Along the westerly side of Fifteenth avenue, commencing at a point 100 feet northerly from Wawona street, and running thence northerly to a point 100 feet southerly from Vicente street, said set-back line to be 10 feet; along the easterly line of Fifteenth avenue, commencing at Wawona street and running thence northerly to a point 100 feet southerly from Vicente street, said set-back line to be 8 feet.

Confirmation of Sale of City Lands.

Consideration of the matter of confirming the sale to George Cohn for the sum of ninety-two thousand seven hundred and fifty ($92,750) dollars the following described city lands, to-wit:

Commencing at a point on the northerly line of O'Farrell street, distant thereon 197 feet 6 inches easterly from the easterly line of Stockton street, running thence easterly along said northerly line of O'Farrell street 22 feet 6 inches; thence at a right angle northerly 73 feet; thence at a right angle westerly 22 feet 6 inches; thence at a right angle southerly 73 feet to the northerly line of O'Farrell street and point of commencement; being a portion of 50 Vara Block 121, also known as Lot 11, Block 313 on Assessor's Map Book.

If an offer of 10 per cent more in amount than that hereinabove named shall be made to the Supervisors in writing by a responsible person, the Supervisors will confirm such sale to such person or order a new sale in conformity with the provisions of the Charter; otherwise said sale to George Cohn will be confirmed for the price hereinabove stated.

The chair inquired if there was anyone present who desired to increase the bid of Mr. Cohn by 10 per cent and there was no response.

Passed for Printing.

Whereupon, the following bill was *passed for printing*:

Confirming Sale of Land.

On motion of Supervisor McSheehy:

Bill No. 7604, Ordinance No. —— (New Series), as follows:

Confirming the sale of land owned by the City and County of San Francisco, heretofore set aside for Fire Department purposes.

Whereas, by Ordinance No. 7017, approved March 20, 1926, the Board of Supervisors determined that public interest and necessity demanded the sale of the land hereinafter described and hereinbefore referred to as formerly dedicated for Fire Department purposes, and by said ordinance directed the Mayor of the City and County to sell all of said land at public auction, to be held on or before the 19th day of April, 1926, and directed that notice of said sale be given for three weeks successively next before the sale, as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County, for three weeks successively next before said sale was directed to be made, describing the land to be sold therein, with common certainty, and stating the date on or after which said sale would be made, as specified in Ordinance No. 7017 (New Series), and that all bids or offers would be received by the Mayor at the chambers of the Board of Supervisors, in the City Hall, City and County of San Francisco, State of California, on or after said date; and

Whereas, the Mayor, the Assessor and the chairman of the Finance Committee, being the Board of Appraisement constituted by the Charter of the City and County of San Francisco for such purpose, thereafter duly met and made an appraisement of said land and fixed the fair value thereof at the sum of $100,000, and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on the 19th day of April, 1926, at public auction, the Mayor sold said property to George Cohn for the sum of $92,750 and accepted from said George Cohn a deposit in the form of a check in the amount of $9,275, being 10 per cent of the amount bid as aforesaid, and thereupon and on the 26th day of April, 1926, duly notified the Board of Supervisors in writing of the fact of such sale, stating the sum bid, the name of the bidder, and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board

of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper published in the City and County of San Francisco, for a period of eighteen (18) days from and after the 29th day of April, 1926, that at a meeting of the Board of Supervisors to be held on the 24th day of May, 1926, the matter of said sale would come up for confirmation, stating also in said notice the fact of the sale, the amount for which the property had been sold as aforesaid, and the name of the purchaser, and also stating that if at such meeting on the 24th day of May, 1926, an offer of 10 per cent more in amount than that named in said notice should be made to the Supervisors in writing by a responsible person, the Supervisors would confirm such sale to such person or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived and a higher bid has not been obtained, and it appearing to the Board of Supervisors that the sum of $92,750, bid as aforesaid by George Cohn, is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That said sale of the said land hereinafter described to George Cohn for the sum of $92,750 is hereby ratified, approved and confirmed, and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchaser, upon payment of the balance of the purchase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying to George Cohn all the right, title and interest of the City and County of San Francisco in and to the land sold as aforesaid, and more particularly described as follows, to-wit:

Commencing at a point on the northerly line of O'Farrell street, distant thereon 197 feet 6 inches easterly from the easterly line of Stockton street, running thence easterly along said northerly line of O'Farrell street 22 feet 6 inches; thence at a right angle northerly 73 feet; thence at a right angle westerly 22 feet 6 inches; thence at a right angle southerly 73 feet to the northerly line of O'Farrell street and point of commencement. Being a portion of 50 Vara Block 121, also known as Lot 11, Block 313, on Assessor's Map Book.

Section 2. The City Attorney is hereby directed to prepare the necessary conveyance and supervise the delivery of deed upon payment of purchase price as aforesaid.

Section 3. This ordinance shall take effect immediately.

UNFINISHED BUSINESS.

Final Passage.

The following matters, heretofore passed for printing, were taken up and *finally passed* by the following vote:

Construction of Photograph Gallery, Hall of Justice.

Bill No. 7591, Ordinance No. 7103 (New Series), as follows:

Ordering the construction of a photograph gallery for the Police Department on the Hall of Justice, on Kearny street between Washington and Merchant streets; authorizing and directing the Board of Public Works to enter into contracts for said construction, approving plans and specifications therefor, and permitting progressive payments to be made during the course of said construction.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized, instructed and empowered to enter into contract for the construction of a photograph gallery for the Police Department on the Hall of Justice situate on Kearny street between Washington and Merchant streets, in accordance with plans and specifications prepared therefor, which plans and specifications are hereby approved and adopted.

Section 2. The Board of Public Works is hereby authorized and permitted to incorporate in the contract for the construction of said photograph gallery conditions that progressive payments shall be made in the manner set forth in said specifications and as provided by Section 21, Chapter I, Article VI, of the Charter.

Section 3. This ordinance shall take effect immediately.

Confirming Sale of City Land.

Bill No. 7581, Ordinance No. 7104 (New Series), as follows:

Confirming the sale of land owned by the City and County of San Francisco, heretofore set aside for Fire Department purposes.

Whereas, by Ordinance No. 6999, approved March 10, 1926, the Board of Supervisors determined that public interest and necessity demanded the sale of the land hereinafter described and hereinbefore referred to as formerly dedicated for Fire Department purposes, and by said ordinance directed the Mayor of the City and County to sell all of said land at public auction, to be held on or before the 5th day of April, 1926, and directed that notice of said sale be given for three weeks successively next before the sale as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County for three weeks successively next before said sale was directed to be made, describing the land to be sold therein with common certainty and stating the date on or after which said sale would be made, as specified in Ordinance No. 6999 (New Series), and that all bids or offers would be received by the Mayor at the chambers of the Board of Supervisors in the City Hall, City and County of San Francisco, State of California, on or after said date; and

Whereas, the Mayor, the Assessor and the chairman of the Finance Committee, being the Board of Appraisement constituted by the Charter of the City and County of San Francisco, for such purpose, thereafter duly met and made an appraisement of said land and fixed the fair value thereof at the sum of $900 and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on the 5th day of April, 1926, at public auction, the Mayor sold said property to Parkside Realty Company of San Francisco for the sum of $1,100 and accepted from said Parkside Realty Company of San Francisco a deposit in cash in the amount of

$110, being 10 per cent of the amount bid as aforesaid, and thereupon and on the 12th day of April, 1926, duly notified the Board of Supervisors in writing of the fact of such sale, stating the sum bid, the name of the bidder and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper in the City and County of San Francisco for a period of eighteen (18) days from and after the 15th day of April, 1926, that at a meeting of the Board of Supervisors to be held on the 10th day of May, 1926, the matter of said sale would come up for confirmation, stating also in said notice the fact of the sale, the amount for which the property had been sold as aforesaid, and the name of the purchaser, and also stating that if at such meeting on the 10th day of May, 1926, an offer of 10 per cent more in amount than that named in said notice should be made to the Supervisors in writing by a responsible person, the Supervisors would confirm such sale to such person or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived and a higher bid has not been obtained, and it appearing to the Board of Supervisors that the sum of $1,100 bid as aforesaid by Parkside Realty Company of San Francisco is not disproportionate to the value of the property sold and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The said sale of the said land hereinafter described to Parkside Realty Company of San Francisco for the sum of $1,100 is hereby ratified, approved and confirmed, and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchaser, upon payment of the balance of the purchase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying to Parkside Realty Company of San Francisco all the right, title and interest of the City and County of San Francisco in and to the land sold as aforesaid, and more particularly described as follows, to-wit:

Commencing at a point on the westerly line of Thirty-third avenue, distant thereon 285 feet southerly from the southerly line of Wawona street, running thence southerly along said westerly line of Thirty-third avenue 30 feet; thence at a right angle westerly 120 feet; thence at a right angle northerly 30 feet; thence at a right angle easterly 120 feet to the westerly line of Thirty-third avenue and point of commencement. Being a portion of Outside Land Block No. 1273, also known as Lot 2, Block 2502, on Assessor's Map Book.

Section 2. The City Attorney is hereby directed to prepare the necessary conveyance and supervise the delivery of deed upon payment of purchase price as aforesaid.

Section 3. This ordinance shall take effect immediately.

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—18.

Releasing, Cancelling and Annulling Contracts for Improvement of Jones Street Between North Point and Beach Streets.

Bill No. 7596, Ordinance No. 7107 (New Series), as follows:

Releasing, cancelling and annulling that certain contract made and entered into by and between Municipal Construction Company and the Board of Public Works on December 16, 1925, designated as Street Assessment Contract No. 1981 (New Series), for the improvement of Jones street between North Point street and Beach street and repealing Ordinance No. 6819 (New Series).

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That certain contract made and entered into by and between Municipal Construction Company and the Board of Public Works on December 16, 1925, designated as Street Assessment Contract No. 1981 (New Series), for the improvement of Jones street between North Point street and Beach street, is hereby cancelled and annulled, and the Municipal Construction Company is hereby released from said contract at the instance and request of the contracting parties thereto, for the reasons specified in Resolution No. 91560 (Second Series) of the Board of Public Works passed May 5, 1926, and filed in the Clerk's office of the Board of Supervisors May 11, 1926.

Section 2. Ordinance No. 6819 (New Series), ordering the improvement of Jones street between North Point street and Beach street, is hereby repealed.

Section 3. This ordinance shall take effect immediately.

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—18.

Fixing Sidewalk Widths on Washington Street Between Taylor and Jones Streets.

Bill No. 7597, Ordinance No. 7108 (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, by adding thereto a new section, to be numbered nine hundred and eleven.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office May 6, 1926, by adding thereto a new section, to be numbered nine hundred and eleven, to read as follows:

Providing for Selection and Location of Traffic Signals and Safety Zones.

On motion of Supervisor Bath:

Bill No. 7603, Ordinance No. —— (New Series), as follows:

Providing for the selection and location of traffic signals and safety zones on the streets of the City and County of San Francisco.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever the public interest shall require the Board of Supervisors may order the installation of signal devices and the establishment of safety zones on the streets of the City and County of San Francisco, and said Board shall have authority to select the devices, apparatus, markers or other appliances as it shall deem best suited for the purpose, and it shall be its duty to designate and specify the location of the same and the manner in which they are to be placed or installed, which installation of signal devices shall be made by the Department of Electricity.

Section 2. This ordinance shall take effect immediately.

Condemnation Proceedings Ordered for Acquisition of Property at Rivera Street and Twenty-third Avenue Required for School Purposes.

Supervisor Power presented:

Resolution No. 25706 (New Series), as follows:

Resolved, by the Board of Supervisors of the City and County of San Francisco, that the immediate acquisition, construction, completion and equipment by the City and County of San Francisco of permanent buildings and improvements to be used by the said City and County for public schools and the acquisition of necessary lands therefor is an imperative and public necessity and that the public interest and necessity demand such acquisition, construction, completion and equipment by the City and County of San Francisco.

That the lands to be so acquired for public use and necessity are situated in the City and County of San Francisco and described as follows:

Commencing at a point of intersection of the northerly line of Rivera street with the westerly line of Twenty-third avenue, running thence northerly along the westerly line of Twenty-third avenue 100 feet; thence at right angles westerly 32 feet 6 inches; thence at right angles southerly 100 feet; thence at right angles easterly 32 feet 6 inches to the westerly line of Twenty-third avenue and the point of commencement. Being a portion of Outside Lands Block 1049, also known as Block 2194 on Assessor's Map Book.

Further Resolved, That the lands above described are hereby selected by the City and County of San Francisco for the public uses and purposes herein set forth and that the whole thereof is necessary for the City and County of San Francisco and suitable and adaptable for said public uses and purposes.

Further Resolved, That the City Attorney is hereby directed to forthwith institute in the Superior Court of the State of California, in and for the City and County of San Francisco, condemnation proceedings against the owners of and all persons having or claiming to have an interest in the lands hereinbefore described, for the purpose of acquiring a title in fee simple to such described lands for the City and County of San Francisco for public uses herein set forth.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Accepting Offer to Sell Land Required for School Purposes.

Supervisor Powers presented:

Resolution No. 25707 (New Series), as follows:

Whereas, an offer has been received from P. J. Crowley to convey to the City and County of San Francisco certain land situate on the northerly line of Rivera street, distant thereon 32 feet 6 inches easterly from Twenty-fourth avenue, required for school purposes; and

Whereas, the price at which said parcel of land is offered is the reasonable value thereof; therefore, be it

Resolved, That the offer of said owner to convey to the City and County of San Francisco a good and sufficient fee simple title to the following described land, free of all encumbrances, for the sum of $1,000, be and the same is hereby accepted, the said land being described as follows, to-wit:

Commencing at a point on the northerly line of Rivera street, distant thereon 32 feet 6 inches easterly from the easterly line of Twenty-fourth avenue, running thence easterly along said northerly line of Rivera street 25 feet; thence at a right angle northerly 100 feet; thence at a right angle westerly 25 feet; thence at a right angle southerly 100 feet to the northerly line of Rivera street and point of commencement. Being a portion of Outside Lands Block 1049, also known as Block 2194 on Assessor's Map Book.

The City Attorney is hereby directed to examine the title to said land, and, if the same is found to be vested in the aforesaid owner, free of all encumbrances, and that the taxes up to and including the current fiscal year year are paid, and that the so-called McEnerney title has been procured or sufficient money reserved for the purpose of procuring the same, to report the result of his examination to the Board of Supervisors, and also to cause a good and sufficient deed for said land to be executed and delivred to the City and County upon payment of the agreed purchase price as aforesaid. And the said deed to said land is hereby acecpted.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—17.

Action Deferred.

The following matter was, on motion, *laid over one week*:

Compromise of Gas and Electric Rate Litigation.

Resolution No. —— (New Series), as follows:

Whereas, there are pending in the United States District Court for the Northern District of California four suits, numbered 27, 32, 97 and 190 on the equity file of said court, in all of which suits the Pacific Gas and Electric Company is plaintiff and the City and County of San Francisco and its officers are defendants; and

Whereas, said suits involve judicial determination of the validity under the United States Constitution of ordinances numbered 2349, 2348, 2814 and 3338 (all new series), of the City and County of San Francisco, prescribing and fixing respectively rates to be charged by public service corporations in San Francisco for electricity during the fiscal year 1913-14, and for gas during the fiscal years 1913-1914, 1914-15 and 1915-16; and

Whereas, the decrees previously rendered by the District Court in the City's favor in said suits numbered 27, 97 and 190, involving gas rates, have been reversed on appeal by the Supreme Court of the United States, and the suits sent back for retrial; and in case No. 32, involving electric rates, the report of the Master in Chancery recommends issuance of an injunction prohibiting the enforcement of said rates; and

Whereas, the City Attorney has transmitted to the Board of Supervisors a written communication from the Pacific Gas and Electric Company, dated December 16, 1925, offering to compromise and settle all of said suits upon certain terms therein set forth; and

Whereas, both former City Attorney George Lull, who was in office pending the trial and appeal of the foregoing litigation, and the present City Attorney, John J. O'Toole, have recommended in writing that this Board authorize and direct the settlement of said suits upon the terms set forth in said communication from the Pacific Gas and Electric Company dated December 16, 1925; and

Whereas, after a careful examination and consideration of all the facts relating to said suits and the controversies therein involved, which have been submitted, the Board of Supervisors believes, in view of the large number of consumers who are interested in the outcome of said suits, of the considerable time which must elapse and the large expense to the taxpayers that must be incurred before the suits could again be tried and a final decision had, of the doubt that the City Attorney expresses as to the eventual outcome of the litigation by reason of the opinion of the United States Supreme Court rendered in the reversal of previous decrees in the Citys' favor, and in view of the relatively small amounts payable to individual consumers under any outcome of the suits, that the best interests of the City and the ratepayers will be conserved by a compromise along the lines recommended by the City Attorney; now, therefore, be it

Resolved, That the offer of the Pacific Gas and Electric Company to settle and compromise said four suits be and it is hereby accepted: that the City Attorney be and he is hereby authorized and directed to enter into stipulations with counsel for the Pacific Gas and Electric Company for the entry of decrees in said four suits which shall finally settle and dispose of the same upon the terms and conditions set forth in said letter from said company dated December 16, 1925; that the City Attorney be and he is hereby directed to take all steps necessary to see that said decrees when entered by the court are duly executed so as to protect the interests of the City and the ratepayers in the premises.

Award of Contract, Garbage Cans.

Supervisor Badaracco presented:

Resolution No. 25708 (New Series), as follows:

Resolved, That award of contract be hereby made to John H. Blakeway Sheet Metal Works on bid submitted May 10, 1926 (Proposal No. 188), for furnishing 200 galvanized iron garbage cans for School Department at $6.70 each.

Resolved, That all other bids submitted thereon be rejected.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Approval of Peninsula Water Survey.

Supervisor McSheehy presented:

Resolution No. 25710 (New Series), as follows:

Resolved, That the City and County of San Francisco approves of the proposition to investigate the present and future water supply of the peninsula region as proposed by the committee appointed at a conference of city officials of said region, and expresses its willingness to participate in such investigation; furthermore, and inasmuch as said investigation will concern the use of water from the Hetch Hetchy, that the Finance Committee of this Board be recommended to appropriate the sum of three thousand dollars ($3,000) from the Hetch Hetchy Operative Fund for the purpose of making the investigation.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—18.

Referendum on Prohibition.

Supervisor Badaracco presented:

Resolution No. 25711 (New Series), as follows:

Whereas, there has been an increasing demand throughout the United States for modification of the prohibition law, a demand which the public press recognized in a nationwide poll; and

Whereas, this unofficial poll revealed an overwhelming sentiment in favor of some change in the prohibition law; and

Whereas, in Pennsylvania a rebuke has been administered to the champions of prohibition as at present constituted in the United States, a situation which was recognized by Senator David M. Reed, who, in a recent statement, declared the time has come for the people officially to express themselves; and

Whereas, the Registrar of Voters has declared that to put on the November ballot an alternative measure which would allow the people so to express themselves would entail no additional expense; now, therefore, be it

Resolved, That this Board of Supervisors proclaims its sympathy with the demand for a public poll on the wet and dry issue, to take place at the general election next November, and directs the Registrar of Voters to make preparations to include on the ballot some means for such expression; and be it

Further Resolved, That this issue shall allow voters to express themselves as in favor of prohibition enforcement as now provided for by federal law; as in favor of modification to permit the sale of light wines and beer, or as in favor of repeal of the law, and that the City Attorney be instructed to prepare any legislation necessary to put this measure on the ballot at the November election.

Purchase of Hetch Hetchy Rights of Way.

Supervisor Shannon presented:

Resolution No. 25712 (New Series), as follows:

Whereas, the City and County of San Francisco, in connection with the construction and operation of the Hetch Hetchy Water Supply project, proposes to construct a reservoir on Moccasin Creek in Tuolumne County, California; and

Whereas, portions of certain existing county roads lie within the area to be covered by the proposed reservoir, and must be replaced by

new roads lying outside of said area; and

Whereas, a portion of an existing county road lies within the area occupied by operators' quarters and other buildings appurtenant to the Moccasin Power Plant, and it is desired by the City and County of San Francisco that said portion of said road be closed to public use and that a new road lying outside of said area be substituted therefor. Now, therefore, be it

Resolved, That, in accordance with the recommendation of the City Engineer, the City and County of San Francisco dedicate to the County of Tuolumne the following described parcels of land or rights of way for use as easements for the purposes of public roads or highways; said parcels being portions of larger tracts of land owned by the City and County of San Francisco:

Parcel 1: A strip of land having a width of 40 feet, 20 feet each side of the center line described as follows: Beginning at a point in the center of the existing road along the west bank of Moccasin Creek, which point bears North 7 deg. 53½ min. East 1575.7 feet from the southwest corner of Section 27, Township 1 South, Range 15 East; thence in a general southeasterly direction through the lands of the City and County of San Francisco to a point in the center of said existing County Road, which point bears North 29 deg. 34 min. West 396.4 feet from the quarter-section corner in the east line of Section 34, Township 1 South, Range 15 East.

In addition to the above described 40-foot strip of land, Parcel 1 includes all land in the west half of the northeast quarter of the northwest quarter of Section 34, and in the south half of the southwest quarter of Section 27, lying westerly from the westerly boundary of said 40-foot strip and lying between the westerly boundary of said 40-foot strip and the westerly boundary of the lands in said subdivisions of Sections 27 and 34 conveyed to the City and County of San Francisco by Thomas M. Hughes, et ux. by deed dated February 16, 1926, and recorded March 3, 1926, in Book 88 of Deeds, page 541, Tuolumne County Records.

Parcel 2: The right to construct, maintain and use a public road or highway having a roadway width not to exceed 20 feet upon the proposed dam to be constructed for said reservoir on Moccasin Creek.

Parcel 3: The right to construct, maintain and use a public road or highway having a roadway width not to exceed 20 feet, extending in a general southeasterly direction from the northeasterly end of Parcel 2 to a point near Grizzly Gulch.

Parcel 4: The right to construct, maintain and use a public road or highway having a roadway width not to exceed 20 feet along the easterly side of Grizzly Gulch from the easterly end of Parcel 3 to a point in the existing County Road which extends from Moccasin Creek to the Big Oak Flat Road.

Said dedication is made subject to the following conditions which shall be accepted by the Board of Supervisors of the County of Tuolumne, before said dedication becomes effective, viz.:

First: The City and County of San Francisco will, at its own expense, supply all material and perform all work necessary in connection with the construction and surfacing of roads on said Parcels 1, 2, 3 and 4 made necessary as hereinabove mentioned.

Second: The Board of Supervisors of the County of Tuolumne shall, by appropriate action, authorize the construction of said new roads and abandonment of the portions of existing roads hereinafter described, and also relinquish to the City and County of San Francisco all right, title and interest of Tuolumne County in the ground occupied by the portions of the existing roads to be abandoned. Said portions of existing roads to be abandoned are described as follows:

Parcel X: A portion of the existing Moccasin Creek-Coulterville County Road along the southwesterly bank of Moccasin Creek in Sections 27 and 34, Township 1 South, Range 15 East, M. D. B. and M., described as follows:

Beginning at the point of beginning of Parcel 1 hereinabove described; thence along said existing County Road to the terminal point of said Parcel 1.

Parcel Y: A portion of the existing County Road which extends from the above mentioned Moccasin Creek-Coulterville County Road northeasterly along Grizzly Gulch in the north half of the northeast quarter of Section 34, Township 1 South, Range 15 East, M. D. B. and M., described as follows:

Beginning at the Moccasin Creek-Coulterville Road Junction on the southwesterly side of Moccasin Creek; thence northeasterly, crossing Moccasin Creek on a bridge, and continuing along said existing County Road to the terminal point of Parcel 4 hereinabove described.

Third: The roads to be constructed by the City and County of San Francisco on Parcels 1, 2, 3 and 4 may be constructed and opened

for use as public highways in successive units, temporary roads being provided by the City where necessary to connect such units to the existing roads until completion of all roads to be constructed on said Parcels 1, 2, 3 and 4. The closing and abandonment by the County of Tuolumne of existing roads shall be effective in corresponding units; the City shall have the right to close any unit of the roads to be abandoned immediately on completion of the corresponding unit of the roads on Parcels 1, 2, 3 and 4 and such temporary connecting roads as may be necessary. All such temporary roads shall be at least equal in roadway width and general standard of construction to the existing roads to which they connect.

Fourth: On completion of the construction by the City and County of San Francisco of said new roads on said Parcels 1, 2, 3 and 4, or of any unit of said roads, and making said roads or unit thereof available for use as a public road or highway, the City and County of San Francisco shall notify the County of Tuolumne that said roads or unit thereof are or is available for such use. The County of Tuolumne shall thereupon assume full responsibility for the maintenance, reconstruction and repair of said roads or unit thereof.

Fifth: The City and County of San Francisco reserves the right to construct ditches and culverts within the land described as Parcels 1, 2, 3 and 4, for the purpose of preventing contamination of the water to be stored in the proposed reservoir. Be it

Further Resolved, That the Mayor and the Clerk of the Board of Supervisors of the City and County of San Francisco are hereby authorized to execute a deed on behalf of the City and County of San Francisco conveying said easements on Parcels 1, 2, 3 and 4 hereinabove mentioned to the County of Tuolumne, and said deed shall contain the conditions hereinabove mentioned.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—18.

Appropriation, $3,000, Peninsula Water Supply Survey.

On motion of Supervisor McSheehy:

Resolution No. —— (New Series), as follows:

Resolved, That the sum of three thousand dollars ($3,000) is hereby set aside, appropriated and authorized to be expended from the Hetch Hetchy Operative Revenue Fund, the same to be expended by the Auditing Committee of the Peninsula Water Investigation for the purpose of making a survey of the present and future water supply of San Francisco and the peninsula region.

Finance Committee Requested to Appropriate $5,000 for Publicity in Obtaining Highway Development Near San Francisco by Direct Legislation.

Supervisor Welch presented:

Resolution No. —— (New Series), as follows:

Resolved, That the Finance Committee be requested to recommend an appropriation of $5,000 from the Publicity and Advertising Fund for the purpose of promoting the construction of highways, particularly in the vicinity of San Francisco, by means of direct legislation which will provide more funds for that purpose.

Use of Peace Officers and State Officers for Prohibition Enforcement.

Supervisor Badaracco presented:

Resolution No. —— (New Series), as follows:

Whereas, there is reported in the public press an attempt on the part of Federal prohibition officials to foist upon the State of California a plan whereby State and County peace officers be employed as Federal prohibition enforcement agents on the so-called "dollar-a-year" basis; and

Whereas, the Charter of this County expressly forbids such use of its officers, and prohibits the extension of their duties beyond those definitely fixed by the law of this City and County; and

Whereas, it has been suggested that because this plan for the use of peace officers of state, counties and cities emanated from the office of Col. Ned M. Green, prohibition administrator for Northern California, with headquarters here, that California be made the testing ground for this plan; therefore, be it

Resolved, That this Board of Supervisors is opposed to such use, not only of peace officers of this City and County as Federal agents on any basis, but to the employment of state officers whose duties are definitely fixed by state law, for such a purpose; and be it

Further Resolved, That copies of this resolution be presented to the Chief of Police, the Sheriff, Col. Green and to members of the California Senate and Congressional Delegation at Washington, and that a copy be filed with the Secretary of State at Sacramento, so that the State of California may know the attitude of this Board of Supervisors toward a situation with which the people are out of sympathy, and which clearly is an infringement of the rights of this commonwealth.

Consideration of Proposed Budget of Municipal Expenditures for the Fiscal Year 1926-1927.

The following matters were presented and read by the Clerk:

San Francisco, May 24, 1926.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

Your Finance Committee has given careful attention to all of the proposed amendments to the 1926-1927 Budget which were referred to this committee during Budget sessions of the Board last week.

At this time we desire to reiterate, as a declaration of policy, the statement contained in our original Budget report to your Honorable Board, which reads as follows:

"At the municipal election of last November the people of the City and County of San Francisco, by overwhelming vote, issued a mandate for strict economy to the officials who were then elected. Your Finance Committee has faithfully endeavored to carry out this mandate and we believe that a careful analysis of this Budget estimate will convince the people of the sincerity of our endeavor. Incidentally we desire to express the belief that the mandate for economy applied not only to the members of this Board of Supervisors, who are invested with the responsibility of making the Budget and fixing the tax rate, but also to the officials and the employees of all of the executive and administrative branches of the City and County government. Acting upon this belief your Finance Committee has not recommended a single increase in the salary of any city official or employee beyond the amount heretofore fixed by this Board of Supervisors, nor have we recommended the abolition of a single employment which has been authorized by this Board."

The proposed amendments which have been submitted by your Honorable Board to this committee would represent, if adopted in toto, an increase of more than $575,000 in the Budget total.

Your committee is unable to recommend the inclusion of these proposed increases in its Budget estimate for the next fiscal year because we are confident that the people of San Francisco, having issued what is clearly an emergency mandate to impose a rigid check upon the expenditures of our City and County government, would not look with favor upon any departure from the uncompromising rule which we have adopted in endeavoring to carry out their wishes.

The stand taken by your Finance Committee must not be construed a sindicating any opposition to the payment of just compensation to any group of City employees, but we believe that the burden of the people's program of economy should be borne by all alike and that no exception in favor of one group of employees as against another can be justified at this time. We have every reason to be hopeful that the normal growth of our city and the attendant increases of the City and County revenues will obviate any necessity for prolonging this emergency rule of economy beyond the next fiscal year, and that many adjustments of compensation which have undeniable merit can be cared for in the not distant future without placing an unbearable burden upon the taxpayers.

Acting upon an opinion from the City Attorney, your Finance Committee recommends provision in the Fire Department Budget for the appointment of three additional battalion chiefs. This increase in the Fire Department personnel has been

PUBLIC LIBRARY

put into effect during the current fiscal year by the Fire Commission, and we are advised by the City Attorney that it is the duty of this Board to provide for their future compensation, although the City Attorney's opinion indicates that the payment of their compensation by the Fire Commission during the present fiscal year, without authority from this Board of Supervisors, may have been illegal.

In accordance with the rule above stated, of not allowing any employments which have not been previously authorized by this Board, nor made mandatory by the Charter, your committee does not recommend any other increases in the personnel of any of the City departments.

Your committee looks with sympathy upon the arguments that the compensation of the janitors in the School Department should be placed upon a parity with the compensation of janitors in other departments of the City government. We desire to call attention, however, to the fact that the authority to fix the salaries of school janitors is vested solely in the Board of Education, and that any adjustments of such compensation must be made by that Board out of the funds of the School Department.

The members of your Finance Committee are deeply interested in the Health Department plans to establish a tubercular sanatorium in the foothills of San Mateo County, and we believe that the funds now available will enable the department to proceed with the development of this project without delay during the next fiscal year. When, in the future, additional funds are needed for the extension of this project, we pledge our fullest cooperation to make them available.

An appropriation of $130,000 has been recommended in this Budget as an installment payment upon the cost of extending Van Ness avenue from Market to Mission street. An additional appropriation of the same amount must be made in the next year's Budget to complete the payment of this extension, and we do not believe the dictates of economy will permit any added appropriation at this time for the further extension of this street.

In accordance with the recommendations submitted by the bookkeeping department of the Board of Public Works, your committee submits to you herewith various minor adjustments in the Board of Public Works Budget, which do not involve any material increase in the operating cost of the department.

We believe that the people of San Francisco generally approve the Budget as now submitted to your Honorable Board, and we recommend its adoption without further amendment.

Respectfully submitted,

JAMES B. McSHEEHY,
FRANCK R. HAVENNER,
MILO F. KENT,
Finance Committee.

Report on Fire Hydrants.

Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

Budget Item No. 710 in this fiscal year of 1925-1926 calls for an expenditure for fire hydrants of $178,000. The Fire Commissioners in their set-up for next year's Budget increased this item by $30,000, or a total of $208,000. Of this sum $170,648 is expended annually for water passing through these hydrants, set up as a rental item of $3 per hydrant per month. There are 4743 hydrants, and these hydrants were furnished and installed by the City and County of San Francisco at an expenditure of $128.50 each, making a total investment of $609,476.

We have here at hand a bill for $620.71 from the Board of Public Works for sprinkling the streets for the month of April, 1926. This is for 281,067 cubic feet of water at 22 cents per 100 cubic feet of water. We also have a report from the Fire Department for the fiscal year 1923-1924, showing the exact time that every fire engine worked during that year. This is compiled on a working basis of the time that the engine companies left the house until the engine companies returned, and on this basis we find that the engine companies worked 138,771 minutes and that they pumped 750 gallons of water per minute, making a total of 13,877,100 cubic feet.

If this water was charged for at the rate of 22 cents per 100 cubic feet, the price we are paying for sprinkling streets, we would have a total of $30,529.62, and not the sum of $170,648, six times the price as asked for by the Fire Commission.

The Railroad Commission has fixed a charge of $3 per month per hydrant, or $36 per year. There is pending before that Commission a resolution, No. 25078 (New Series), passed by this Board January 8, 1926, showing that the Spring Valley Water Company is receiving an excessive rate from the City and

County of San Francisco for water, and asking the Railroad Commission for a rehearing.

Budget Item No. 710 for the fiscal year 1926-1927 allows for an expenditure for the rental charges of all hydrants for ten months, and if no reduction in the rates are granted by the Railroad Commission the Finance Committee can assure this Board that a sum of money sufficient to properly meet this obligation will be forthcoming, and the committee further recommends that a copy of this letter be officially sent to the City Attorney, calling his attention to this excessive charge for water. In the meantime there is no reason why the Fire Department should deny any needed installations of additional hydrant service for fire protection purposes or eliminate any hydrants now in service.

FRANCK R. HAVENNER,
MILO F. KENT,

Communication From Board of Fire Commissioners.

The following was read by the Clerk:

May 20, 1926.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen:

I regret that it will not be possible for me to attend the meeting of your Honorable Board this afternoon, at which time you are to take up the budget of the Fire Department.

I am therefore taking the liberty of expressing to your Board the sentiments of the Board of Fire Commissioners regarding the budget of the Fire Department as presented by the Finance Committee. First, we wish to convey to you the fact that we are in strict accord with your policy of economy in so far as the operation of our department is concerned, but we are of the opinion that the Fire Department is of such vital importance to the citizens of our community that a platform of economy in our department should receive the most serious consideration and careful study before reaching a decision which might result in a permanent setback in the growth of San Francisco. Probably no city in the world has had such a practical example of the value of efficient fire protection, and there is nothing upon which the future growth of a city depends more than on a properly equipped, manned and operated fire department.

We have presented to your Finance Committee, after a severe process of elimination from the recommendations of the Chief Engineer, a program of progress and improvement that is absolutely necessary for the safeguarding of life and property in San Francisco. The expansion of our city demands new fire houses in the rapidly growing outlying districts, such as the Marina, Sunset, Potrero and Mission, and for our valuable and important industrial district, water front and high-value property centers. Additional fire companies and fire apparatus are necessary for those houses; fire hydrants and water are most essential, and you probably are aware of the fact that no funds have been provided for fresh water in the high pressure system. This will necessitate the use of salt water for one year, which is very injurious to the pipes and valves in particular, tending greatly to impair the life of the high pressure system.

Economy in the Fire Department has always been carried to the fullest extent, but we feel that it should not be inflicted upon us at the expense of genuine efficiency. We would therefore request that the most serious consideration be given to some of the most vital and essential items to which we wish to call your attention, and if it be found that your policy prohibits the acceptance of our budget, as originally presented, we respectfully request that you do not eliminate the funds which will be required to permit us to proceed and continue as we have planned and are now operating.

We beg to submit for your special attention the following facts:

The budget provides for only 19 battalion chiefs and 22 operators, whereas the actual number in service at the present time is 22 battalion chiefs and 24 operators. As a result of the Miller & Lux fire, which occurred June 15, 1925, after the final adoption of the 1925 Budget, a new district was established, with headquarters at Engine Co. 16, at Tennessee and Twentieth streets, involving the addition of two battalion chiefs and two operators. The assignment of a battalion chief to the Fire Prevention Bureau at the same time had left District No. 3 with only one chief, necessitating the temporary detailing of a captain to act in that capacity, so that on December 1, 1925, this Board appointed a battalion chief to fill the place, leaving two

hosemen's positions vacant in order to make up the salary.

We would further call your attention to the fact that although only last week you authorized the expenditure of $60,793.32 out of Fire Department Land and Construction Fund for the erection of a new fire house at Third street and Arthur avenue, the contract for which has already been let and which is certain to be completed this year, nothing has been provided in the Budget for the salaries of a company which will be required to occupy said quarters.

We further note that the appropriation for hydrant service, water for house and high pressure system has been reduced from $208,000 to $150,000, and in order to bring the charge for hydrants within the amount of the appropriation it would be necessary to decrease the number of hydrants in service from 4,742 to 3,942, a decrease of 800. This would be disastrous since the rapid growth of the City requires an immediate increase of 200 hydrants rather than a decrease.

Finally, we desire to call your attention to Item No. 719—"Fire Boat Crew and Maintenance, all Revenues Received from the State of California to be Credited to this item—$79,000." According to the opinion of the Attorney-General the amount that the State can contribute toward the maintenance of the fire boats is limited to $65,000 per year. This, added to the City's appropriation of $79,000, makes a total of $144,000, whereas the actual cost of maintaining the two boats is $158,000; this leaves a deficiency of $14,000.

In view of these facts, as outlined above, we request you to increase the Budget allowance in the following numbered items to the amounts herein set forth:

652. $79,000 to $92,400 (battalion chiefs), increase $12,600.

653. $55,440 to $60,480 (operators), increase $5,040.

New Item 718. New engine company, Third street and Arthur avenue, for eight months, $20,940.

719. $79,000 to $93,000 (fire boats), increase $14,000.

721. $150,000 to $208,000 (hydrant service, water for houses and high pressure system), $58,000.

Total, $110,580.

Respectfully submitted,

BOARD OF FIRE COMMISSIONERS,

(Signed) FRANK C. SYKES,
President.

Opinion of City Attorney.

May 20, 1926.

Subject: In re Appointment and Salaries of Battalion Chiefs in San Francisco Fire Department.

Dear Sirs:

I have before me your letter of inquiry under this date as follows:

"The Board of Supervisors have under consideration the Budget for the forthcoming year and wishes an immediate reply to the following queries:

Has the Board of Fire Commissioners the authority to appoint battalion chiefs in excess of the number allowed by amount of money appropriated in the Budget?

And if the number of battalion chiefs is increased during the fiscal year, is the Board of Supervisors required to appropriate for the additional chiefs in the succeeding Budget?

Also, is it required that Fire Commissioners, before appointing additional battalion chiefs during the fiscal year, obtain the approval of the Board of Supervisors?"

Opinion.

Section 1 of Chapter IV of Article IX of the Charter provides that the number of battalion chiefs shall be determined by the Board of Fire Commissioners. The language contained in this section, in my opinion, gives the Board of Fire Commissioners the right to appoint such number of battalion chiefs as they shall deem necessary for the proper functioning of the department.

Section 1½ of Chapter VIII of the same article fixes the salaries of all officers and members of the department, including battalion chiefs.

The Appellate Court of this State has held that a regularly appointed member of the Fire Department is an officer.

"Where a public office is created and the compensation to be paid for services rendered by the incumbent thereof is to be fixed by public body, upon failure of such body to act therein, it may be compelled to do so by mandamus." (See McQuillin on Municipal Corporations, Section 516.)

This text is borne out by the decisions of many of the Supreme Courts of the country, and practically means that where a public office is legally created, it is incumbent upon the salary-fixing body, or upon the body that appropriates the funds for salary, to provide for the payment of that salary. In the instant case, the salary of Battalion Chief is fixed by Charter,

and the appointment having been legally made by the Board of Fire Commissioners as is provided in the Charter. I am of the opinion that those already appointed are officers in the department, and that it is incumbent upon the board to provide for their compensation.

As to the second inquiry made in your letter as to the necessity of the Board of Supervisors making provision for the salaries of officials in the Fire Department appointed during the past year, I will state that I think this question is sufficiently answered in my answer to your first inquiry.

As to the third inquiry in your letter, I am of the opinion that after your annual budget is made up and passed by the Board, that if the Board of Fire Commissioners attempted to make the appointment of additional officials in their department that they would have to serve without compensation, unless provision for their payment was made by your Board.

I do not wish to be understood by this opinion that it lies within the power of the Fire Commission to appoint members of the department generally without limit without the Board of Supervisors making appropriation for the payment of their salaries, and this opinion is limited merely to the right of the Fire Commission to appoint assistant and battalion chiefs, as Section 1 of Chapter IV of Article IX gives to the Commission discretionary powers as to the appointment of assistant and battalion chiefs, and not to any other official.

Very truly yours,

(Signed) JNO. J. O'TOOLE,
City Attorney.

(Board of Supervisors)

Supervisor McSheehy moved the adoption of the Finance Committee's report on Budget matters.

Proposed Amendments.

Supervisor Gallagher moved, seconded by Supervisor Hayden, that the Finance Committee's report be amended and that the Budget be changed in the following respects:

That an increase of $15 per month be granted to the janitors and janitresses under the jurisdiction of the Board of Public Works; that an increase equal to $15 per month per person be granted to the janitors and janitresses in the School Department; that an increase of $15 per month be granted to the watchmen employed under the jurisdiction of the Board of Public Works, and that an increase equal to $10 per month be granted to those persons, the lowest paid members of the engineering staff of the City and County.

Point of Order.

Supervisor Badaracco: The Chair has ruled that the amendments offered by Supervisor Gallagher are still in the committee. I raise that point of order.

Chairman Marks: The point of order is sustained.

Ruling of the Chair.

Chairman Marks: The Chair will rule that the motion to adopt the report by Supervisor McSheehy, made by Supervisor McSheehy, that that motion is in order, that the effect of that motion is to place before the Board of Supervisors a report respecting matters referred to in the report as a recommendation. A matter of policy of the Finance Committee, but it does not have the effect of either rejecting or passing motions referred to them; that the matters which are still in the hands of the Finance Committee, individual motions are subject to be withdrawn from the Finance Committee by the motion and vote of the Board, and that the only way that individual items in the Budget can be affected is by a direct vote either to withdraw from the committee if it has not been sent out by the committee and that the right of a member of the Board either at this session or some subsequent session to make other amendments or to offer motions making other amendments in the Budget is only limited by the condition that business must intervene between the defeat of one such motion and the making of the motion again. These individual motions are still pending if they have not been reported to the Finance Committee and if referred to the Finance Committee and not reported on by them, are still in their hands. Supervisor Gallagher makes a motion that we give a raise of $10 to the lowest paid members of the engineering staff. I would rule that motion entirely out of order as being uncertain and not having reference to any Budget item.

Supervisor Gallagher: I can make it again later.

Chairman Marks: And if the individual item that you have in mind is now in the hands of the Finance Committee you will have to make the motion to take it out of their hands.

Amendment.

Supervisor Gallagher moved as an amendment to the Finance Committee's report the inclusion of a new item, 54 C, San Francisco's par-

ticipation in the Reno Exposition, $50,000.

Subsequently *withdrawn.*

Amendment.

Supervisor Gallagher, seconded by Supervisor Hayden, moved that the Finance Committee's report be amended in respect to Item No. 66 D: "Extension of Van Ness avenue for the purpose of securing options and rights of way to extend Van Ness avenue southerly from its present termination as already projected and recommended by the Board of Public Works", the sum of $50,000.

Supervisor Havenner: This is not a proper amendment to the committee's report for the reason that the amendment just proposed by Supervisor Gallagher was submitted to this Board on Friday and referred to the Finance Committee and is still in the hands of the Finance Committee. I raise that point of order.

Chairman Marks: I rule the point of order is well taken. Your motion, Supervisor Gallagher, is out of order.

Appeal From the Decision of the Chair.

Supervisor Gallagher and *Supervisor Hayden* appealed from the decision of the Chair.

Chair Sustained.

Supervisor McSheehy put the question: Shall the decision of the Chair be sustained, and the roll was called with the following result:

Ayes — Supervisors Badaracco, Bath, Colman, Harrelson, Havenner, McSheehy, Powers, Schmidt, Shannon, Stanton, Todd, Welch—12.

Noes—Supervisors Gallagher, Hayden, Roncovieri—3.

Total, $853,498.

Supervisor Gallagher, referring to ruling of the Chair in the afternoon meeting, said: "You ruled out of order my motion to amend report on Budget and said that I could

later move to amend the Budget on matters not reported on by withdrawing same from committee."

Supervisor Gallagher thereupon moved that the motion referred to Finance Committee at previous sessions made by him with reference to Van Ness avenue extension be withdrawn from the Finance Committee.

Supervisor Badaracco raised a point of order: The pending motion is the adoption of the report of the Finance Committee.

Chair: The motion pending is that the Finance Committee's report be adopted.

Supervisor Gallagher withdraws the motion temporarily.

Supervisor Gallagher, seconded by Supervisor Hayden, moved that that portion of the report relating to the Fire Department, paragraph 2, on page 2, that that be amended and the Item No. 656, instead of 70 lieutenants be amended to read 82 lieutenants at $2,670 per annum.

Ruled out of order.

Supervisor Gallagher, seconded by Supervisor Hayden, moved that the item for the School Department budget be increased $42,600 to give an increase to janitors and janitresses in the School Department of $15 per month.

Ruled out of order.

Supervisor Gallagher moved as an amendment that the report of the Finance Committee be rereferred to said committee with the statement that it is ambiguous, and that the chairman be asked to report on all matters referred to the committee except the three battalion chiefs.

Motion *lost* by the following vote:

Ayes—Supervisors Bath, Gallagher, Hayden—3.

Noes — Supervisors Badaracco, Colman, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd, Welch—13.

Absent—Supervisors Deasy, Shannon—2.

Adoption of the Committee's Report.

Whereupon, the vote being taken on the adoption of the committee's report, the same *carried* by the following vote:

Ayes — Supervisors Badaracco, Bath, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd, Welch—12.

Noes—Supervisors Colman, Gallagher, Harrelson, Hayden—4.

Absent—Supervisors Deasy, Shannon—2.

Proposed Amendments.

Supervisor Havenner, seconded by Supervisor Gallagher, moved to include in the Budget in "Miscellaneous Accounts, under control of the Board of Supervisors," Item 79 F, lease of premises No. 333 Kearney street, $14,233.

Motion *carried* by the following vote:

Ayes—Supervisors Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Marks, Roncovieri, Schmidt, Todd—10.

Noes — Supervisors Badaracco, Kent, McSheehy, Powers, Stanton, Welch—6.

Absent—Supervisors Deasy, Shannon—2.

Privilege of the Floor.

Supervisor Hayden, seconded by Supervisor Gallagher, moved that the rules be suspended and that Capt. Brown and Lieutenant Ireland of the Fire Department be heard in the matter of provision being made for three additional battalion chiefs.

Motion *carried* by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Hayden, Marks, Roncovieri, Stanton, Todd, Welch—11.

Noes—Supervisors Havenner, Kent, McSheehy, Powers, Schmidt—5.

Absent—Supervisors Deasy, Shannon—2.

Whereupon, Capt. Brown, Lieutenant Ireland and others representing the David Scannell Club of the Fire Department, were heard at length, urging that provision be made for additional lieutenants and battalion chiefs in the Fire Department.

Motion.

Whereupon, Supervisor Badaracco, seconded by Supervisor Kent, at 10:30 p. m., moved that the Board take a recess until 10 a. m. tomorrow morning.

Motion *lost* by the following vote:

Ayes — Supervisors Badaracco, Gallagher, Hayden, Kent, Roncovieri, Schmidt, Todd, Welch—8.

Noes—Supervisors Bath, Colman, Harrelson, Havenner, Marks, McSheehy, Powers, Stanton—8.

Absent—Supervisors Deasy, Shannon—2.

Supervisor Badaracco, seconded by Supervisor Welch, moved that the Board take a recess until 10:15 a. m. tomorrow.

Motion *lost* by the following vote:

Ayes — Supervisors Badaracco, Gallagher, Hayden, Stanton, Todd, Welch—6.

Noes—Supervisors Bath, Colman, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt—10.

Absent—Supervisors Deasy, Shannon—2.

Thereupon, Supervisor Gallagher withdrew his motion on Item 661, relating to hosemen in the Fire Department, and Item 656, relating to lieutenants in the Fire Department.

Supervisor Havenner agreed to present a resolution for the firemen at the final passage of the Budget.

Supervisor Gallagher moved that Item No. 210, dealing with the increase of the allotment of the Assessor's office from $91,800 to $96,800, be withdrawn from the Finance Committee.

Assessor Requests Additional Sums in Personal and Nonpersonal Funds.

May 24, 1926.

Supervisor Gallagher presented:

Honorable Board of Supervisors,
City Hall, San Francisco.

Gentlemen:

In accordance with the request of your Finance Committee and in the spirit of cooperation the Assessor's office made a modest request in this year's budget for a slight increase. This request in reality was too modest.

It is an absolute fact that the work in this office will be greater next season than it is now, and I therefore beg to call your attention to the fact that our budget notations have been cut and respectfully request that you give us additional sums, both in our Personal and Non-Personal Funds.

Yours respectfully,

R. L. WOLDEN,
Assessor.

Read and *filed.*

Whereupon, the roll was called on Supervisor Gallagher's motion to withdraw Item 219 from the Finance Committee and the same was *defeated* by the following vote:

Ayes—Supervisors Bath, Gallagher, Hayden—3.

Noes—Supervisors Badaracco, Colman, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd, Welch—13.

Absent—Supervisors Deasy, Shannon—2.

Supervisor Gallagher moved that motions made by Supervisor Stanton and seconded by Supervisor Schmidt allowing increases of $15 each in the janitors of the Board of Public Works, being Item No. 432, be withdrawn from the Finance Committee.

Subsequently withdrawn on the statement of Supervisor McSheehy that this matter would be given consideration after the Budget was made up.

Supervisor Gallagher moved, seconded by Supervisor Hayden, that the motion made by Supervisor Stanton and seconded by Supervisor Schmidt to increase 17 elevator operators to $1,920 a year be withdrawn from the Finance Committee.

Subsequently withdrawn on the statement of Supervisor McSheehy that this matter would be given consideration after the Budget was made up.

Supervisor Gallagher moved that it be the sense of the Board of Supervisors that the Board of Education be requested to grant increase of pay to janitors and janitresses in School Department out of its $10,000 surplus and additions in the present Budget.

Motion *carried unanimously*

Supervisor Gallagher moved that motion to increase number of operators in the Fire Department from 22 to 24 at $2,520 a year, be withdrawn from the Finance Committee.

Subsequently the foregoing motion was withdrawn on the statement of Supervisor McSheehy that the same would be given consideration after the Budget was adopted.

Supervisor Gallagher, seconded by Supervisor Hayden, moved that Item No. 1076, for playground fund, as provided by charter amendment, 5 cents in the tax rate (Appropriation 49), be amended to read $500,000 instead of $350,000.

Motion *lost* by the following vote:

Ayes—Supervisors Gallagher, Hayden—2.

Noes—Supervisors Badaracco, Bath, Harrelson, Havenner, Marks, McSheehy, Powers, Ronocvieri, Schmidt, Stanton, Todd, Welch—12.

Absent—Supervisors Colman, Deasy, Kent, Shannon—4.

Supervisor Hayden, seconded by Supervisor Gallagher, moved that Item No. 7, 2 assistant clerks, increased from $3,300 to $3,900 each, be withdrawn from Finance Committee.

Subsequently withdrawn on the statement of Supervisor McSheehy that the matter would be given consideration when the Budget was passed.

Supervisor Hayden, seconded by Supervisor Gallagher, moved that Item No. 36, Civic Center and War Memorial, $290,000 instead of $200,000, as recommended. be withdrawn from the Finance Committee, the additional $90,000 being for the

completion of the brick pavement in the Civic Center.

Supervisor McSheehy could give no assurance that said appropriation would be made.

Whereupon, the roll was called on the motion to withdrawn from the Finance Committee and the same was *defeated* by the following vote:

Ayes—Supervisors Bath Gallagher, Harrelson, Hayden—4.

Noes— Supervisors Badaracco, Havenner, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd, Welch—10.

Absent — Supervisors Colman, Deasy, Kent, Shannon—4.

Supervisor Hayden moved that Item 66 A, X-Ray for San Francisco Hospital, $10,000, be withdrawn from the Finance Committee.

Being assured by Supervisor McSheehy that the item would be taken care of, the motion was thereupon withdrawn.

Supervisor Hayden, seconded by Supervisor Gallagher, moved that Item 66 B, Pulgas Preventorium, Grade and Plans, Second Unit, $25,000, be withdrawn from the Finance Committee.

Motion *lost* by the following vote:

Ayes—Supervisors Bath, Gallagher, Hayden—3.

Noes—Supervisors Colman, Harrelson, Havenner, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd, Welch—11.

Absent — Supervisors Badaracco, Deasy, Kent, Shannon—4.

Supervisor Hayden moved that Item 66 C, Glen Park Health Center, $12,420, be withdrawn from the Finance Committee.

Supervisor McSheehy gave assurances that if circumstances permitted he would favor the appropriation.

Whereupon, Supervisor Hayden withdrew his motion.

Supervisor Havenner, seconded by Supervisor Schmidt, moved that Item 61, for the purpose of appraising all real property subject to assessment within the City and County of San Francisco, etc., $50,000, be approved.

There being no objection the item was *approved*.

Supervisor Gallagher's Statement for the Record.

Supervisor Gallagher: "I propose to vote for this item at this time and I do not wish, and I wish the record will read, to permit me to file approval of it. It might work out to be a very constructive thing, and it might not. I have been examining it as much as I can. The only conclusion I can come to now, we ought to pass it for the present."

Supervisor Gallagher, seconded by Supervisor Hayden, moved that Items 76 to 79, relating to teams in the Board of Public Works, be transferred to the jurisdiction of the Board of Public Works.

Motion *lost* by the following vote:

Ayes—Supervisors Bath, Gallagher, Hayden—3.

Noes— Supervisors Badaracco, Colman, Harrelson, Havenner, Marks, McSheehy, Powers, Roncovieri, Schmidt, Stanton, Todd, Welch—12.

Absent—Supervisors Deasy, Kent, Shannon—3.

Supervisor Hayden moved to grant the Civil Service Commission an additional appropriation for the Department of Civil Service for employing special examiners.

Motion was withdrawn upon the assurance given by Supervisor McSheehy that that would be done if possible.

Supervisor Harrelson urged the widening of Seventh avenue in the vicinity of Lake Honda out of the Good Roads Fund and was assured by Supervisor McSheehy that he would favor such improvement if circumstances permitted.

Supervisor Deasy Excused from Meetings.

The following was read by the Clerk:

May 24, 1926.

To the Honorable Board of Supervisors, City and County of San Francisco, City Hall.

Gentlemen:

I have been in attendance at the meeting of your Honorable Board as a member thereof, being extremely desirous of recording my vote on the passage of the Budget.

My health is still impaired and I must be at the doctor's office by appointment. Upon motion the Budget discussion has been deferred to a later hour and I feel that I will be compelled to be excused from the meeting before the said matter is taken up.

Very respectfully yours,

C. J. DEASY.

Supervisor Gallagher moved that Supervisor Deasy be excused.

So ordered.

Chairman Marks Commended.

On motion of Supervisor Welch, Acting Chairman Supervisor Marks was highly commended for his capable and efficient manner in presiding over the Budget proceedings and was given a vote of thanks by unanimous vote of the Board.

Statement of Supervisor Colman.

"I really feel now that I concur heartily in the remarks of Supervisor Welch about the capable manner in which our chairman has conducted this discussion. And I will say, this, that I haven't in any way, shape or manner, changed my policy, as the saying is. But I want to say a word more in appreciation of the effort of the Finance Committee in presenting this Budget. I think that this Finance Committee had many problems, and I believe they have tackled the thing in a very efficient way. There are points quite naturally that I regret were not included in the Budget, and I think this is a good opportunity to say when the thing is cut out how we are going to get along without them, and I am certain that there are certain things in the Budget that certainly meet with my very strong approval and I want to mention them specifically. If the chairman of the Finance Committee will allow me a minute or so to do it. One is, most particularly, the $100,000 for the Air port. That is a matter that should have been taken up before, but for one reason or another it was never done, and that is a constructive thing looking far ahead to the future. I also think that the money for the Civic Center has been well spent. We need that because that is a large problem and the action of the committee has been most constructive in allowing contributions for that. Also for the progress made on the Aquatic Park and the Yacht Harbor and the park in the Mission. I would have liked to see the School Department get more money. I realize two high schools are needed, one in the Richmond and possibly a new Polytechnic High, wherever that may be, and not being able to do that has probably retarded the development of our schools, but under the circumstances I must say that I consider this Budget a satisfactory Budget and a constructive Budget in the main and I think it is up to the mark of the budgets that I have seen presented while a member of this Board. I say that, and I say I will reserve my right to disagree with the worthy gentlemen probably very, very frequently as time goes on without any reservation or without any apology, but I also want to say that I want to give them credit whenever they present anything that is entitled to credit, because I am for the good of this City, the same as they are, and I recognize after all no minority and no majority when the interests of the City are concerned.

Passed for Printing.

Whereupon the following bill was *passed for printing*:
Bill No. 7606, Ordinance No. —— (New Series), as follows:

Budget for Municipal Expenditures, Fiscal Year 1926-1927.

An ordinance fixing and appropriating the aggregate sums of the items thereof allowed to each department, officer, board and commission for the fiscal year ending June 30, 1927, and making a budget of the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The aggregate sums and items thereof hereinafter set forth are hereby fixed, designated and appropriated for the respective purposes set opposite the same, to be expended during the fiscal year ending June 30, 1927, in accordance with the provisions of Article III, Chapter I, of the Charter of the City and County.

Section 2. No department, officer, board or commission shall expend, or agree to expend moneys, or to incur liabilities which, in total amount, exceed the total sum appropriated to such department, officer, board or commission by this ordinance, or which may subsequently be appropriated to such department, officer, board or commission.

Section 3. The amounts appropriated to the various departments, officers, boards and commissions shall be expended and administered by them subject to the following conditions:

A. No department, officer, board or commission shall expend moneys, or incur liabilities, in excess of the total amount appropriated to such department, officer, board or commission; provided further, that such expenditure shall conform to the provisions of Article III, Chapter I, Section 9, of the Charter.

B. When a specific appropriation is made to any bureau, division or institution of a department, board or commission such appropriation shall be known and administered as a main appropriation title, and the main division thereunder of an object of expenditure classification as theretofore adopted shall be known and administered as a specific sub-appropriation thereof.

C. Departments, officers, boards or commissions desiring to make transfers from one sub-appropriation to any other sub-appropriation embraced within the same main appropriation title shall file with the Finance Committee of the Board of Supervisors a statement in duplicate setting forth the reasons for requesting such transfers, the purpose to which the money is to be devoted, the sub-appropriation from and to which such transfer is requested, the amounts of such transfers, and any other facts which may aid in determining the merits of such request. Whenever any such transfer is approved by the Finance Committee, the duplicate request shall be forwarded to the Auditor and a notice sent to the department making the request, setting forth the amounts and the sub-appropriation, or budget item numbers affected. In case of disapproval, notice to this effect shall be given to the department making the request.

D. Whenever any department, officer, board or commission desires to make a transfer from any sub-appropriation or appropriation embraced in one main appropriation title or titles, to any other or the same sub-appropriation or appropriations embraced in or desired to be embraced in any other main appropriation title or titles, said department, officer, board or commission shall file with the Board of Supervisors a statement in duplicate similar to the statement required in condition "C" above and containing, in addition, the main appropriation title or titles from and to which such transfer is requested. If the Board of Supervisors approves the request, notice thereof shall be forwarded to the originating department and the duplicate copy of the request forwarded to the Auditor. Said notice shall contain the main appropriation title or titles affected, the sub-appropriation or appropriations from and to which such transfer is to be made and the amounts thereof. If the Board of Supervisors denies the request, notice thereof shall be sent to the originating department, with the reasons for such action.

Section 4. All positions for which appropriations have been made in this ordinance have been created by the Charter of the City and County of San Francisco, or have been created by Boards or Commissions duly authorized by said Charter or ordinance of the Board of Supervisors; and the appropriations herein made shall be deemed to be the amount of the compensation to be received by the officer or employee holding the position for which the sum is appropriated.

Section 5. The amounts appropriated are as follows:

Explanation of Vote.

Supervisor Gallagher explained his vote by saying:

"Mr. Chairman, I desire to file the following explanation of my vote for the record. I have made every effort to include items in the Budget that in my judgment were constructive and were for San Francisco. To vote against passage to print would be in effect a vote to stop all municipal activities. I vote aye, but still protest the refusal of the Board to include these constructive items. I believe the people desire economy, but not at the expense of underpaid men and women in the City employ, and not at the cost of constructive improvements badly needed. I commend the efforts of the Finance Committee to reduce the tax rate, but I think they have denied many requests that had merit and should have been allowed. I ask that that statement be filed with my vote.

ADJOURNMENT.

There being no further business, the Board at the hour of ——— adjourned.

J. S. DUNNIGAN,
Clerk.

Approved by the Board of Supervisors September 7, 1926.

Pursuant to Resolution No. 3402 (New Series) of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing are true and correct copies of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Establishing Set-back Lines.

Bill No. 7605, Ordinance No. 7114 (New Series), as follows:

Establishing set-back lines along portions of Twenty-second, Thirty-first, Thirty-second and Thirty-seventh avenues.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited that on the 26th day of April, 1926, the Board of Supervisors adopted Resolution of Intention No. 122 to establish set-back lines along Twenty-second, Thirty-first, Thirty-second and Thirty-seventh avenues, and fixed the 24th day of May, 1926, at 2 o'clock p. m., at the chambers of the Board of Supervisors, as the time and place for hearing objections thereto; that thereafter and more than ten days prior to said hearing the said resolution was published and notices of the passage of said resolution were posted along the line of said streets in time, form and manner required by Ordinance No. 5636 (New Series); that said hearing was held at the time and place aforesaid, and that all objections made at said hearing have been properly overruled.

Section 2. Pursuant to the foregoing recitals and in accordance with the provisions of said Ordinance No. 5636 (New Series), set-back lines are hereby established as follows:

Along the westerly side of Twenty-second avenue, commencing at a point 100 feet northerly from Santiago street, and running thence northerly 25 feet, said set-back line to be 3 feet; thence northerly 25 feet, said set-back line to be 5 feet; thence northerly to Rivera street, said set-back line to be 7 feet; along the easterly side of Twenty-second avenue, commencing at a point 100 feet northerly from Santiago street, and running thence northerly 25 feet, said set-back line to be 3 feet; thence northerly 25 feet, said set-back line to be 6 feet; thence northerly 300 feet, said set-back line to be 9 feet; thence northerly 25 feet, said set-back line to be 6 feet; thence northerly 25 feet, said set-back line to be 3 feet.

Along both sides of Thirty-first avenue between Santiago street and Rivera street, said set-back lines to be 10 feet.

Along the westerly side of Thirty-second avenue, commencing at a point 100 feet northerly from Cabrillo street, and running thence northerly to a point southerly from Balboa street, said set-back line to be 6 feet.

Along the westerly side of Thirty-seventh avenue, commencing at a point 100 feet northerly from Taraval street, and running thence northerly 25 feet, said set-back line to be 3 feet; thence northerly to Santiago street, said set-back line to be 6 feet.

As shown on the maps filed in the office of the Board of Supervisors and to which reference is hereby made for further particulars.

Section 3. No structures shall be erected in the area between said set-back lines and the street lines, except as provided in said Ordinance No. 5636 (New Series), and the penalties for the violation of this ordinance shall be fixed by the ordinance aforesaid.

Ayes — Supervisors Badaracco, Colman, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Absent—Supervisors Bath, Deasy, Hayden—3.

Confirming Sale of Land.

Bill No. 7604, Ordinance No. 7115 (New Series), as follows:

Confirming the sale of land owned by the City and County of San Francisco, heretofore set aside for Fire Department purposes.

Whereas, by Ordinance No. 7017, approved March 20, 1926, the Board of Supervisors determined that public interest and necessity demanded the sale of the land hereinafter described and hereinbefore referred to as formerly dedicated for Fire Department purposes, and by said ordinance directed the Mayor of the City and County to sell all of said land at public auction, to be held on or before the 19th day of April, 1926, and directed that notice of said sale be given for three weeks successively next before the sale, as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County, for three weeks successively next before said sale was directed to be made, describing the land to be sold therein, with common certainty, and stating the date on or after which said sale would be made, as specified in Ordinance No. 7017 (New Series), and that all bids or offers would be received by the Mayor at the chambers of the Board of Supervisors, in the City Hall, City and County

of San Francisco, State of California, on or after said date; and

Whereas, the Mayor, the Assessor and the chairman of the Finance Committee, being the Board of Appraisement constituted by the Charter of the City and County of San Francisco for such purpose, thereafter duly met and made an appraisement of said land and fixed the fair value thereof at the sum of $100,000, and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on the 19th day of April, 1926, at public auction, the Mayor sold said property to George Cohn for the sum of $92,750 and accepted from said George Cohn a deposit in the form of a check in the amount of $9,275, being 10 per cent of the amount bid as aforesaid, and thereupon and on the 26th day of April, 1926, duly notified the Board of Supervisors in writing of the fact of such sale, stating the sum bid, the name of the bidder, and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper published in the City and County of San Francisco, for a period of eighteen (18) days from and after the 29th day of April, 1926, that at a meeting of the Board of Supervisors to be held on the 24th day of May, 1926, the matter of said sale would come up for confirmation, stating also in said notice the fact of the sale, the amount for which the property had been sold as aforesaid, and the name of the purchaser, and also stating that if at such meeting on the 24th day of May, 1926, an offer of 10 per cent more in amount than that named in said notice should be made to the Supervisors in writing by a responsible person, the Supervisors would confirm such sale to such person or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived and a higher bid has not been obtained, and it appearing to the Board of Supervisors that the sum of $92,750, bid as aforesaid by George Cohn, is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That said sale of the said land hereinafter described to George Cohn for the sum of $92,750 is hereby ratified, approved and confirmed, and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchaser, upon payment of the balance of the purchase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying to George Cohn all the right, title and interest of the City and County of San Francisco in and to the land sold as aforesaid, and more particularly described as follows, to-wit:

Commencing at a point on the northerly line of O'Farrell street, distant thereon 197 feet 6 inches easterly from the easterly line of Stockton street, running thence easterly along said northerly line of O'Farrell street 22 feet 6 inches; thence at a right angle northerly 73 feet; thence at a right angle westerly 22 feet 6 inches; thence at a right angle southerly 73 feet to the northerly line of O'Farrell street and point of commencement. Being a portion of 50 Vara Block 121, also known as Lot 11, Block 313, on Assessor's Map Book.

Section 2. The City Attorney is hereby directed to prepare the necessary conveyance and supervise the delivery of deed upon payment of purchase price as aforesaid.

Section 3. This ordinance shall take effect immediately.

Ayes — Supervisors Badaracco, Colman, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Fixing Sidewalk Widths.

Bill No. 7585, Ordinance No. 7116 (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, by adding thereto new sections to be numbered nine hundred and nine and nine hundred and ten.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Relative to Ordinance on Commercial Zoning Sunset District.

Privilege of the Floor.

Hon. Matt I. Sullivan, chairman of the City Planning Commission, was granted the privilege of the floor and made the statement, on the information of Major Kendrick of the same commission, that real estate brokers are taking advantage of innocent purchasers at this time to sell to them real estate in the Sunset District, and in many instances getting inflated values for the property on the representation that they could guarantee that the Board would zone it for commercial purposes. The implication was that these brokers and agents claimed to have "inside information" as to what the Board of Supervisors would do for their particular pieces of real estate.

Milton Eisner, representing Coldwell, Cornwall & Banker, was mentioned by Major Kendrick as his informant.

Motion.

Supervisor Kent, seconded by Supervisor Marks, moved that No. 5 be referred to the Joint Committee on City Planning and Finance for investigation of the statement.

Motion *carried* and the ordinance was *referred to the City Planning and Finance Committees for consideration.*

The Finance Committee was included because it is vested with the power to subpoena witnesses and interrogate them, and it is the desire of the Board to investigate the matter to the fullest extent.

Supervisor McSheehy named Wednesday afternoon as the time for the hearing before the joint committee and urged all members of the Board to attend.

Referred.

The following matter was *referred to the Finance and City Planning Committee*:

Zoning Sunset District.

Bill No. ——, Ordinance No. —— (New Series), as follows:

Amending Ordinance No. 5464 (New Series), entitled "Regulating and establishing the location of trades, industries and the location of buildings for specific uses and establishing the boundaries for said purposes and providing penalties for the violation of its provisions."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 5464 (New Series), the title of which is above recited, is hereby amended as follows:

Section 5 of the Use of Property Zone Map, constituting a part of said ordinance, is hereby ordered changed as follows:

That both sides of Lawton street between Twenty-fourth and Twenty-eighth avenues and between Forty-second and Forty-third avenues, and extending to the depth of the rear lot lines, are hereby placed in the Commercial District instead of in the Second Residential District.

That both sides of Noriega street between Twenty-second and Twenty-seventh avenues, between Thirty-eighth and Thirty-ninth avenues and between Forty-fourth and Forty-eighth avenues, and extending to the depth of the rear lot lines, are hereby placed in the Commercial District instead of in the Second Residential District.

That both sides of Quintara street between Twentieth and Twenty-second avenues and between Forty-second and Forty-third avenues, and extending to the depth of the rear lot lines, are hereby placed in the Commercial District instead of in the Second Residential District.

That both sides of Vicente street between Twenty-first and Twenty-fourth avenues and between Thirty-third and Forty-eighth avenues, and extending to the depth of the rear lot lines, are hereby placed in the Commercial District instead of in the First Residential District.

That both sides of Forty-sixth avenue between Taraval street and Sloat boulevard, and extending to the depth of the rear lot lines, are hereby placed in the Commercial District instead of in the First Residential District.

All licenses issued under the provisions of this section shall be paid annually in advance from the date of the issuance of any such license.

No license is required for the sale of any goods at public sale belonging to the United States or to this State, or for the sale of property by virtue of any process issued by any State or Federal court.

Every original application for a license under this section must be accompanied with a verified statement of the amount of sales proposed to be made monthly, and the license charge must be for the first year classified thereby; and every auctioneer applying to the Tax Collector for a renewal of his license must accompany his application with a statement under oath, setting forth that his average receipts per month on account of sales during the preceding year did not exceed the amount specified in the class of license for which he applies. The Tax Collector must provide blank forms of affidavit for that purpose and administer the oath required to such applicants without charge. No auctioneer must exceed

the amount of sales of the class in which his license is fixed.

No auctioneer is permitted to transfer his license to any other person for any part of the time for which his license is issued.

The Tax Collector shall not issue a license or a renewal thereof to any person, firm or corporation to engage in the business as auctioneer unless the applicant therefor shall have first obtained a permit for such license or renewal thereof from the Board of Police Commissioners.

(Note.—The amendment consists of the addition of the last paragraph to the existing law.)

Supervisors Opposed to Use of Peace Officers as Federal Agents or the Employment of State Officers for the Enforcement of the Prohibition Law on the Proposed Dollar-a-Year Basis.

The following resolution, heretofore presented by Supervisor Badaracco and referred to the Police Committee, was returned by said Committee with favorable recommendation and *adopted* by the following vote:

Resolution No. 25731 (New Series), as follows:

Whereas, there is reported in the public press an attempt on the part of Federal prohibition officials to foist upon the State of California a plan whereby State and County peace officers be employed as Federal prohibition enforcement agents on the so-called "dollar-a-year" basis; and

Whereas, the Charter of this County expressly forbids such use of its officers, and prohibits the extension of their duties beyond those definitely fixed by the law of this City and County; and

Whereas, it has been suggested that because this plan for the use of peace officers of State, Counties and Cities emanated from the office of Col. Ned M. Green, prohibition administrator for Northern California, with headquarters here, that California be made the testing ground for this plan; therefore be it

Resolved, That this Board of Supervisors is opposed to such use, not only of peace officers of this City and County as Federal agents on any basis, but to the employment of State officers whose duties are definitely fixed by State law, for such a purpose; and be it further

Resolved, That copies of this resolution be presented to the Chief of Police, the Sheriff, Col. Green and with members of the California Senate and Congressional delegation at Washington, and that a copy be filed with the Secretary of State at Sacramento, so that the State of California may know the attitude of this Board of Supervisors toward a situation with which the people are out of sympathy, and which clearly is an infringement of the rights of this Commonwealth.

Opening a New Street, to Be Known as Fraser Street, From Newcomb Avenue and Toland Street to Jerrold Avenue, West of Toland Street.

Supervisor Welch presented:

Resolution No. 25736 (New Series), as follows:

Whereas, on the 12th day of April, 1926, the Supervisors of the City and County of San Francisco duly and regularly passed Resolution No. 25507 (New Series), which resolution was, on the 20th day of April, 1926, duly and regularly approved by the Mayor of the City and County of San Francisco, and said resolution being in words and figures as follows, to-wit:

Resolution No. 25507 (New Series).

Resolved, That it is the intention of the Board of Supervisors of the City and County of San Francisco to order the opening of a new street to be known as Fraser street, from Newcomb avenue and Toland street to Jerrold avenue west of Toland street.

The land deemed necessary to be taken for the opening of said new street from Newcomb avenue and Toland street to Jerrold avenue west of Toland street is particularly described as follows, to-wit:

Beginning at a point distant 260 feet at right angles northeasterly from the northeasterly line of Oakdale avenue and distant 600 feet at right angles northwesterly from the northwesterly line of Selby street, said point of beginning being the northeasterly corner of proposed Toland street and proposed Newcomb avenue as described in Resolutions Nos. 17639 and 24089 (New Series) of the Board of Supervisors of the City and County of San Francisco; thence northwesterly on a curve to the right of 274-foot radius, tan-

gent to a line parallel with the northeasterly line of Oakdale avenue, central angle 90 degrees, a distance of 430.399 feet; thence northeasterly tangent to the preceding curve and parallel with Selby street 786 feet to a point on the southwesterly line of Jerrold avenue; thence at right angles northwesterly and along the southwesterly line of Jerrold avenue, a distance of 40 feet; thence at right angles southwesterly and parallel with Selby street, a distance of 786 feet; thence southeasterly on a curve to the left of 314-foot radius, tangent to the preceding course, central angle 90 degrees, a distance of 493.231 feet to a point distant 220 feet at right angles northeasterly from the northeasterly line of Oakdale avenue and distant 600 feet at right angles northwesterly from the northwesterly line of Selby street, said point being the southeasterly corner of proposed Toland street and proposed Newcomb avenue as described in the resolutions hereinbefore mentioned; thence northeasterly at right angles with the tangent of the preceding course and parallel with Selby street, a distance of 40 feet, to the point of beginning, excepting therefrom those parcels described in Resolutions Nos. 17639 and 24089 (New Series) of the Board of Supervisors of the City and County of San Francisco, for the opening of McKinnon avenue, Newcomb avenue and Toland street.

The damages, costs and expenses of opening said street are nominal and no assessment district is necessary to be formed for the purpose of paying damages, costs and expenses thereof.

Said opening of said new street to be known as Fraser street from Newcomb avenue and Toland street to Jerrold avenue west of Toland street shall be done in pursuance of Chapter III of Article VI of the Charter of the City and County of San Francisco, and shall be done in the manner and in accordance with the provisions of Section 2 and sections following Section 2 of Chapter III of Article VI of said Charter of the City and County of San Francisco.

Adopted—Board of Supervisors, San Francisco, April 12, 1926.

Ayes — Supervisors Badaracco, Bath, Colman, Gallagher, Harrelson, Havenner, Hayden, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd.

Absent — Supervisors Deasy, Welch.

J. S. DUNNIGAN, Clerk.

Approved, San Francisco, April 20, 1926.

JAMES ROLPH, JR.,
Mayor.

And whereas, the Clerk of the Supervisors of the City and County of San Francisco did transmit to the Board of Public Works of the City and County of San Francisco a certified copy of said resolutions, and the said Board of Public Works did, upon receipt of said resolution, cause to be posted in the manner and as required by law, notices of the passage of said resolution, and did also cause, in the manner and as required by law, a notice, similar in substance, to be published for a period of ten days, in the official newspaper of the City and County of San Francisco; and

Whereas, more than ten days have elapsed since the expiration of the time of publication of said notice; and

Whereas, no objections to the opening of a new street to be known as Fraser street from Newcomb avenue and Toland street to Jerrold avenue west of Toland street were filed with the Clerk of this Board within said period of ten (10) days or at all; and

Whereas, the public interest and convenience requires said improvement to be done as described in Resolution No. 25507 (New Series); and

Whereas, the Supervisors have acquired jurisdiction to order the opening of a new street to be known as Fraser street as aforesaid, and specifically described and proposed in said Resolution No. 25507 (New Series); therefore, be it

Resolved, That it be ordered and it is hereby ordered that said new street to be known as Fraser street, to be opened from Newcomb avenue and Toland street to Jerrold avenue west of Toland street, and as specifically described and proposed in said Resolution No. 25507 (New Series); and be it

Further Resolved, That the lands and property described in said Resolution No. 25507 (New Series) and declared to be deemed necessary to be taken for said opening of a new street be taken for said extension; and

Further Resolved, That said opening of a new street, to be known as Fraser street, from Newcomb avenue and Toland street to Jerrold avenue west of Toland street, be done in pursuance of Chapter III of Article VI of the Charter of the City and County of San Francisco and in the manner

laid down in and in accordance with the provisions of Section 2 and the sections following Section 2 of said Chapter III of Article VI of said Charter.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Colman, Gallagher, Harrelson, Havenner, Kent, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Todd, Welch—15.

Absent—Supervisors Bath, Deasy, Hayden—3.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 25737 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets at the points hereinafter specified and at the elevations above city base as hereinafter stated, in accordance with Resolution No. 91856 (Second Series) of the Board of Public Works, adopted May 21, 1926, and written recommendation of said Board, filed May 22, 1926, to-wit:

On Vernon, Arch, Ramsell, Victoria and Head streets between Garfield and Randolph streets, and on Sargent and Shields streets between Bright street and Ralston street easterly line.

The Board of Supervisors hereby declares that no assessment district is necessary, as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

Budget for Municipal Expenditures, Fiscal Year 1926-1927.

An ordinance fixing and appropriating the aggregate sums of the items thereof allowed to each department, officer, board and commission for the fiscal year ending June 30, 1927, and making a budget of the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The aggregate sums and items thereof hereinafter set forth are hereby fixed, designated and appropriated for the respective purposes set opposite the same, to be expended during the fiscal year ending June 30, 1927, in accordance with the provisions of Article III, Chapter I, of the Charter of the City and County.

Section 2. No department, officer, board or commission shall expend, or agree to expend moneys, or to incur liabilities which, in total amount, exceed the total sum appropriated to such department, officer, board or commission by this ordinance, or which may subsequently be appropriated to such department, officer, board or commission.

Section 3. The amounts appropriated to the various departments, officers, boards and commissions shall be expended and administered by them subject to the following conditions:

A. No department, officer, board or commission shall expend moneys, or incur liabilities, in excess of the total amount appropriated to such department, officer, board or commission; provided further, that such expenditure shall conform to the provisions of Article III, Chapter I, Section 9, of the Charter.

B. When a specific appropriation is made to any bureau, division or institution of a department, board or commission such appropriation shall be known and administered as a main appropriation title, and the main division thereunder of an object of expenditure classification as theretofore adopted shall be known and administered as a specific sub-appropriation thereof.

C. Departments, officers, boards or commissions desiring to make transfers from one sub-appropriation to any other sub-appropriation embraced within the same main appropriation title shall file with the Finance Committee of the Board of Supervisors a statement in duplicate setting forth the reasons for requesting such transfers, the purpose to which the money is to be devoted, the sub-appropriation from and to which such transfer is requested, the amounts of such transfers, and any other facts which may aid in determining the merits of such request. Whenever any such transfer is approved by the Finance Committee, the duplicate request shall be forwarded to the Auditor and a notice sent to the department making the request, setting forth the

amounts and the sub-appropriation, or budget item numbers affected. In case of disapproval, notice to this effect shall be given to the department making the request.

D. Whenever any department, officer, board or commission desires to make a transfer from any sub-appropriation or appropriation embraced in one main appropriation title or titles, to any other or the same sub-appropriation or appropriations embraced in or desired to be embraced in any other main appropriation title or titles, said department, officer, board or commission shall file with the Board of Supervisors a statement in duplicate similar to the statement required in condition "C" above and containing, in addition, the main appropriation title or titles from and to which such transfer is requested. If the Board of Supervisors approves the request, notice thereof shall be forwarded to the originating department and the duplicate copy of the request forwarded to the Auditor. Said notice shall contain the main appropriation title or titles affected, the sub-appropriation or appropriations from and to which such transfer is to be made and the amounts thereof. If the Board of Supervisors denies the request, notice thereof shall be sent to the originating department, with the reasons for such action.

Section 4. All positions for which appropriations have been made in this ordinance have been created by the Charter of the City and County of San Francisco, or have been created by Boards or Commissions duly authorized by said Charter or ordinance of the Board of Supervisors; and the appropriations herein made shall be deemed to be the amount of the compensation to be received by the officer or employee holding the position for which the sum is appropriated.

Section 5. The amounts appropriated are as follows:

Resolutions of Respect.

The Board passed resolutions of respect to the memory of Lawrence J. Flaherty, member of Congress, and John D. Spreckels, and when the Board adjourned, it did so in respect to their memory.

Resolutions on Death of Congressman Lawrence J. Flaherty.

Supervisor Stanton presented:

Resolution No. 25751 (New Series), as follows:

Whereas, the morning newspapers bring the sad news of the death of Congressman Lawrence J. Flaherty, Representative of the Fifth Congressional District, embracing a large portion of the City of San Francisco; and

Whereas, Congressman Flaherty represented the Twenty-fourth Senatorial District in the State Legislature for a period of eight years; and

Whereas, it was my privilege and pleasure as a member of the Legislature from the Twenty-fourth Assembly District to have served under this great and noble leader who made as fine a record as has ever been established in our Legislative halls; and

Whereas, the people of this section mourn the loss of this great champion who stood for humanity and for all progressive laws of our great State; and

Whereas, his record will go down in history as an example for others to follow, which record will endure in the memory of his constituents for all time; and

Whereas, San Francisco as a whole, even though he represented the Fifth Congressional District, mourns his loss, and as his record is viewed from time to time by men in public life a lesson can be learned from the unselfish and patriotic service which he rendered during his public career; therefore, be it

Resolved, That when we adjourn we do so with a standing vote of respect to his memory, which we all love so dearly; and be it

Further Resolved, That a copy of this resolution be spread upon the minutes and also a copy presented to his beloved wife offering the sympatheies which we hold for our honored friend and fellow citizen, Congressman Lawrence J. Flaherty.

Adopted unanimously by rising vote.

Supervisor Schmidt presented:

Resolution No. 25757 (New Series), as follows:

Whereas, it becomes the duty of this Board to record the death of Lawrence J. Flaherty, member of the House of Representatives in the Congress of the United States, from the Fifth Congressional District, comprising a portion of this City and County; therefore

Resolved, That it is with profound sorrow that we regard the

passing of one who, for many years past has rendered faithful public service as a municipal officer, a state legislator and federal official, bringing in the discharge of his duties a comprehension of the responsibilities placed upon him, an ability to discharge them and a sincere desire to serve his constituents to the fullest measure of his time and strength. None questioned his integrity; his kindness was recognized by a host of friends, and the community will deeply grieve at the termination of his faithful service and extend its condolences to the members of his family, who have to bear a loss greater than can be measured.

Adopted unanimously by rising vote.

Resolutions on Death of John D. Spreckels.

Supervisor Welch presented:

Resolution No. 25752 (New Series), as follows:

Resolved, That there be recorded in the Journal of Proceedings of this Board the death of one of California's most public-spirited citizens, John D. Spreckels.

For half a century he has been prominent in the development of the State and his name has been associated with many enterprises that contributed to its fame. Yet his commercial activity has at all times been tempered by a sense of generosity and many have been his contributions to the cause of human welfare, and his gifts to the public have been numerous.

It is, therefore, with a desire to acknowledge the debt which our State owes for his deeds of kindness, to testify to our appreciation of his service as a member of the community and at the same time to express our sorrow over his departure, that these words are here inscribed.

Adopted unanimously by rising votes

The Clerk of the Board was instructed to make proper arrangements for the members of the Board to attend the funeral of Mr. Flaherty in a body.

Reception to German Schoolship "Hamburg."

The following was presented, read and ordered *spread in the Journal*:

San Francisco, June 10, 1926.

Honorable Board of Supervisors,
City Hall, San Francisco, Cal.

Gentlemen:

Permit me, on behalf of the German-American Committee for the reception of the officers and men of the schoolship "Hamburg," representing the republic of Germany, to express our sincere thanks for your decision authorizing the Mayor to appoint a Citizens' Committee to take full charge of the reception to the officers and men.

We also wish to thank you for unanimous decision to decorate the City Hall and Market street with American and German flags.

San Francisco has indeed given new evidence of the generous, broad-minded spirt for which its citizens have always been noted. This committee knows how keenly the officers and men appreciated this broad-minded friendly spirit.

Incidents such as this have more than once been the foundation of a lasting national friendship and good-will that will go far in achieving permanent peace on earth.

Again thanking you for your courtesy, I am

Yours very truly,
Sgd) JOHN HERMANN,
Chairman German-American Committee.

Relative to Occupancy of McLeran Building by Hall of Justice Departments.

The following was presented and read by the Clerk:

June 2, 1926.

Mr. J. S. Dunnigan, Clerk of the Board of Supervisors, City Hall, San Francisco.

Dear Sir:

In accordance with my agreement with the Board of Supervisors I have had Mr. John Reid, the City Architect, check over the floor plan submitted by me for leasing the premises at 333 Kearny street.

I am enclosing you a letter signed by Mr. Reid acknowledging my communication and stating that he has found the plan correct as to the floor area submitted.

The premises are now completely prepared to be occupied by the City.

In accordance with my lease the rent will commence June 4, 1926.

Very truly yours,

(Signed) LOUIS T. SAMUELS.

John Reid, Jr., Architect, 60 Sansome street, San Francisco.

June 2, 1926.

Mr. Louis T. Samuels, 43 Sutter street, San Francisco, California.

Dear Mr. Samuels:

This will acknowledge your communication of May 28, 1926, submitting two sets of blue prints of fourth, fifth, sixth and seventh floors of No. 333 Kearny street.

I have had these floor plans, showing the arrangements of partitions, checked at the building and found them to be correct as to size of rooms and locations of partitions in the building on the floors mentioned above.

Very truly yours,

(Signed) JOHN REID, JR.,

City Architect.

Supervisor Shannon's Resolution on Endorsement of "Fill and Cover Method."

Supervisor Shannon presented:

Resolution No. ——— (New Series), as follows:

Whereas, the disposal of San Francisco's garbage through the operation of the incinerator has resulted in the creation of a disgraceful public nuisance in the very heart of the Potrero District; and

Whereas, it is against public conscience that the citizens, taxpayers and owners of property in its vicinity should be compelled to further bear the insufferable conditions dangerous to health and seriously detrimental to property values for blocks around, resulting from its operation; and

Whereas, other large cities on the Pacific Coast are successfully and beneficially using the "fill and cover" method of garbage disposal, thereby reclaiming land and filling in swampy areas adjacent to said cities; and

Whereas, the tide lands to the seawall along San Francisco's bay shore should be reclaimed to provide additional industrial sites to care for San Francisco's rapid industrial development; and

Whereas, the "fill and cover" method is recommended by sanitation engineers; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco does hereby indorse the "fill and cover" method of garbage disposal and adopts such method as its policy in the disposition of garbage and waste arising in the City and County of San Francisco.

Referred to Health Committee.

Team Hire.

Supervisor Shannon moved, in accordance, he said, with the opinion of City Attorney Lull, Long, Lane and O'Toole, that team hire is a supply and under the jurisdiction of the Supplies Committee; that all items in the Budget relating to team hire now under jurisdiction of the Board of Public Works or other department be referred to the Supplies Committee and placed under the jurisdiction of said committee.

Amendment.

Supervisor Gallagher moved, as an amendment, that the Supplies Committee report as to what manner it intends to deal with this teaming problem within thirty days.

Motion as amended *carried.*

Dated May 19, 1926.

J. S. DUNNIGAN,
Clerk of the Board of Supervisors.

No increased offer being made, the following bill was presented and *passed for printing*:

Confirming Sale of City Lands.

Bill No. 7635, Ordinance No. —— (New Series), as follows:

Confirming the sale of lands owned by the City and County of San Francisco and situate in the

City and County of San Francisco, State of California.

Whereas, by Ordinance No. 7046 (New Series), approved April 2, 1926, the Board of Supervisors determined that public interest and necessity demanded the sale of the lands hereinafter described, and by said ordinance directed the Mayor of the City and County of San Francisco to sell all of said lands at private sale to be held on May 4, 1926, and directed that notice of said sale be given for two weeks successively next before the sale, as required by law; and

Whereas, the Clerk of the Board of Supervisors thereafter proceeded to publish notice of said sale in the official newspaper and one other daily newspaper published in the City and County of San Francisco for two weeks successively next before said sale was directed to be made, describing the lands to be sold therein with common certainty and stating the date on which said sale would be made, as specified in Ordinance No. 7046 (New Series), and that all bids or offers would be received by the Mayor at his office in the City Hall, City and County of San Francisco, State of California, on May 4, 1926; and

Whereas, the Mayor, the Assessor and the chairman of the Finance Committee, being the Board of Appraisers constituted by the Charter of the City and County of San Francisco for such purpose, thereafter duly met and made an appraisement of said lands and fixed the fair value thereof and reported said appraisement to the Board of Supervisors in writing; and

Whereas, thereafter, and on the 4th day of May, 1926, at private sale, the Mayor of the City and County of San Francisco sold said parcels of land to the following persons:

Parcel No. 1, Mrs. Carrie P. Rhodes, for $2,250;

Parcel No. 2, Annie Keegan, for $350;

Parcel No. 3, Steve Durakoff, for $500;

Parcel No. 4, Fred Slepnikoff, for $150;

Parcel No. 5, John J. Rudometkin, for $800;

Parcel No. 6, Annie T. Jones Scherf, for $30.

and accepted from said persons a deposit in the amount of ten per cent or more of the amount bid, and thereafter and at the next meeting of the Board of Supervisors, May 10, 1926, duly notified the Board of Supervisors in writing of the fact of such sale, stating the amounts bid, the names of the bidders, and requesting that the Board confirm the sale; and

Whereas, the Clerk of the Board of Supervisors immediately thereupon proceeded to give notice by publication in the official newspaper and one other newspaper published in the City and County of San Francisco for a period of twenty days from and after the 19th day of May, 1926, that at a meeting of the Board of Supervisors to be held on the 14th day of June, 1926, the matter of said sale would come up for confiramtion, stating also in said notice the fact of the sale, the amount for which the lands had been sold as aforesaid, and the names of the purchasers, and also stating that if at such meeting, on the 14th day of June, 1926, an offer of ten per cent more in amount than that named in said notice should be made to the Supervisors in writing, by a responsible person, the Supervisors would confirm such sale to such person or order a new sale; and

Whereas, the date of confirmation specified in said notice has now arrived and a higher bid has not been obtained, and it appearing to the Board of Supervisors that the amounts bid as aforesaid are not disproportionate to the value of the property sold, and that a greater sum cannot be obtained; therefore,

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That said sale of the said lands hereinafter described is hereby ratified, approved and confirmed and the Mayor and the Clerk of the Board of Supervisors are hereby authorized to execute and deliver to said purchasers upon payment of the balance of the purchase price, a good and sufficient conveyance in the name of the City and County of San Francisco, conveying all the right, title and interest of the City and County in and to the lands sold as aforesaid, and more particularly described as follows, to-wit:

Bill No. 7609, Ordinance No. 7119 (New Series), as follows:

Amending Section 14 of Ordinance No. 5132 (New Series), imposing license taxes and relating to auctioneers.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 14 of Ordinance No. 5132 (New Series), is hereby amended so as to read as follows:

Auctioneers.

Section 14. For the purposes of this section every person, firm or corporation who sells, offers for sale, or exposes for sale by public auction any property, real or personal, or who maintains, conducts or carries on any public auction-room or rooms shall be deemed to be an "Auctioneer" and shall pay a license as follows:

Those whose sales amount to two million (2,000,000) dollars or more per year shall pay an annual license of eight hundred (800) dollars.

Those whose sales amount to one million (1,000,000) dollars or more and less than two million (2,000,000) dollars per year shall pay an annual license of six hundred (600) dollars.

Those whose sales amount to five hundred thousand (500,000) dollars or more, and less than one million (1,000,000) dollars per year, shall pay an annual license of four hundred (400) dollars.

Those whose sales amount to less than five hundred thousand (500,000) dollars per year shall pay an annual license of two hundred (200) dollars.

All licenses issued under the provisions of this section shall be paid annually in advance from the date of the issuance of any such license.

No license is required for the sale of any goods at public sale belonging to the United States or to this

State, or for the sale of property by virtue of any process issued by any State or Federal court.

Every original application for a license under this section must be accompanied with a verified statement of the amount of sales proposed to be made monthly, and the license charge must be for the first year classified thereby; and every auctioneer applying to the Tax Collector for a renewal of his license must accompany his application with a statement under oath, setting forth that his average receipts per month on account of sales during the preceding year did not exceed the amount specified in the class of license for which he applies. The Tax Collector must provide blank forms of affidavit for that purpose and administer the oath required to such applicants without charge. No auctioneer must exceed the amount of sales of the class in which his license is fixed.

No auctioneer is permitted to transfer his license to any other person for any part of the time for which his license is issued.

The Tax Collector shall not issue a license or a renewal thereof to any person, firm or corporation to engage in the business as auctioneer unless the applicant therefor shall have first obtained a permit for such license or renewal thereof from the Board of Police Commissioners.

Ordering the Grading of Mount Vernon Avenue Extension.

On motion of Supervisor McSheehy:

Bill No. 7622, Ordinance No. —— (New Series), as follows:

Ordering the grading of Mount Vernon avenue extension between Harold avenue and Mount Vernon avenue; authorizing the preparation of plans and specifications for said work and directing the Board of Public Works to enter into contract for said work, in accordance with said plans and specifications prepared therefor; and permitting progressive payments to be made during the progress of said work.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized, instructed and empowered to prepare plans and specifications and to enter into contract for the grading of Mount Vernon avenue extension between Harold avenue and Mount Vernon avenue, in accordance with said plans and specifications prepared therefor.

Section 2. The Board of Public Works is hereby authorized, instructed and empowered to incorporate in the contract for said work conditions that progressive payments shall be made in the manner set forth in said specifications and as provided by Section 21, Chapter 1, Article 6 of the Charter.

Section 3. This ordinance shall take effect immediately.

Accepting Offer to Sell Lands Required for the Extension and Widening of Market Street.

Supervisor McSheehy presented:

Resolution No. 25766 (New Series), as follows:

Whereas, the owner of the following described land sought to be acquired by the City and County of San Francisco for the extending and widening of Market street, has offered to convey the property desired by the City and County of San Francisco for the sum set forth opposite her name, viz.:

Marie Benson, as executrix of the estate of August Petzold, deceased, $5,250.

Beginning at the point of intersection of the southerly line of Market street with the westerly line of Hattie street, and running thence westerly along the southerly line of Market street 25.061 feet to the westerly boundary line of Lot No. 56 of Block "B" of Park Lane Tract; thence deflecting 94 degrees 00 minutes 20 seconds to the left and running southerly parallel with Hattie street, along said westerly boundary line 20.049 feet; thence deflecting 85 degrees 59 minutes 40 seconds to the left and running easterly parallel with the southerly line of Market street and distant 20 feet at right angles southerly therefrom, a distance of 25.061 feet to the westerly line of Hattie street; thence deflecting 94 degrees 00 minutes 20 seconds to the left and running northerly along the westerly line of Hattie street 20.049 feet to the point of beginning. Being portion of Lot No. 56 of Block "B" of Park Lane Tract.

The above amount includes damages in full to the adjoining lot caused or to be caused by the future establishment of a grade on Market street and the grading and construction of Market street, and to the building now partially on the above described parcel, said building to remain the property of the owner and to be moved by her within sixty (60) days after receiving notice by the City and County of San Francisco.

It is understood and agreed that the owner of the above described parcel will not be assessed for the proposed improvement of Market street, as widened and extended, and the proposed improvement of Hattie street between Eighteenth street and Market street.

Whereas, the City Attorney has recommended the acceptance of the said offer and the acquisition of the property owned by said person and offered to the City and County of San Francisco for the sum set forth, which said price is in accordance with the City's appraisement of the property; now, therefore, be it

Resolved, That the said offer of sale be accepted and the City Attorney is hereby authorized and directed to examine the title of said

property, and if the same is found in satisfactory condition, to accept in behalf of the City and County of San Francisco a deed conveying title thereto, and file the same for record with a copy of this resolution attached thereto, as evidence of acceptance by the City and County of San Francisco, upon payment of the agreed purchase price.

Whereas, there are pending in the United States District Court for the Northern District of California four suits, numbered 27, 32, 97 and 190 on the equity file of said court, in all of which suits the Pacific Gas and Electric Company is plaintiff and the City and County of San Francisco and its officers are defendants; and

Whereas, said suits involve judicial determination of the validity under the United States Constitution of ordinances numbered 2349, 2348, 2814 and 3338 (all new series), of the City and County of San Francisco, prescribing and fixing respectively rates to be charged by public service corporations in San Francisco for electricity during the fiscal year 1913-14, and for gas during the fiscal years 1913-1914, 1914-15 and 1915-16; and

Whereas, the decrees previously rendered by the District Court in the City's favor in said suits numbered 27, 97 and 190, involving gas rates, have been reversed on appeal by the Supreme Court of the United States, and the suits sent back for retrial; and in case No. 32, involving electric rates, the report of the Master in Chancery recommends issuance of an injunction prohibiting the enforcement of said rates; and

Whereas, the City Attorney has transmitted to the Board of Supervisors a written communication from the Pacific Gas and Electric Company, dated December 16th, 1925, offering to compromise and settle all of said suits upon certain terms therein set forth; and

Whereas, both former City Attorney George Lull, who was in office pending the trial and appeal of the foregoing litigation, and the present City Attorney, John J. O'Toole, have recommended in writing that this Board authorize and direct the settlement of said suits upon the terms set forth in said communication from the Pacific Gas and Electric Company dated December 16, 1925; and

Whereas, after a careful examination and consideration of all the facts relating to said suits and the controversies therein involved, which have been submitted, the Board of Supervisors believes, in view of the large number of consumers who are interested in the outcome of said suits, of the considerable time which must elapse and the large expense to the taxpayers that must be incurred before the suits could again be tried and a final decision had, of the doubt that the City Attorney expresses as to the eventual outcome of the litiga-

tion by reason of the opinion of the United States Supreme Court rendered in the reversal of previous decrees in the City's favor, and in view of the relatively small amounts payable to individual consumers under any outcome of the suits, that the best interests of the City and the ratepayers will be conserved by a compromise along the lines recommended by the City Attorney; now, therefore, be it

Resolved, That the offer of the Pacific Gas and Electric Company to settle and compromise said four suits be and it is hereby accepted; that the City Attorney be and he is hereby authorized and directed to enter into stipulations with counsel for the Pacific Gas and Electric Company for the entry of decrees in said four suits which shall finally settle and dispose of the same upon the terms and conditions set forth in said letter from said company dated December 16, 1925; that the City Attorney be and he is hereby directed to take all steps necessary to see that said decrees when entered by the court are duly executed so as to protect the interests of the City and the ratepayers in the premises.

Approving Map of Oloran Alley, Colonial Way and Nantucket Avenue.

Supervisor Welch presented:

Resolution No. 25776 (New Series), as follows:

Whereas, the Board of Public Works did, by Resolution No. 91882 (Second Series), approve a map showing the opening of Oloran alley from Santa Rosa avenue to Paulding street; and the extension of Colonial way and Nantucket avenue northwesterly to Oloran alley; now, therefore, be it

Resolved, That the map showing the opening of Oloran alley from Santa Rosa avenue to Paulding street; and the extension of Colonial way and Nantucket avenue northwesterly to Oloran alley is hereby approved.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Welch—16.

Absent—Supervisors Kent, Todd —2.

Authorizing the Execution of a Deed by the Mayor and the Clerk of the Board of Supervisors of the City and County of San Francisco.

Supervisor Welch presented:

Resolution No. 25777 (New Series), as follows:

Whereas, this Board on the 19th day of April, 1926 (after proceedings theretofore had pursuant to the provisions of Chapter III of Article VI of the Charter of the City and County of San Francisco), duly adopted by Resolution No. 25535 (New Series), closing and abandoning a portion of Ellington avenue as in said resolution described; and

Whereas, on the 30th day of April, 1926, said resolution was duly approved by the Mayor of the City and County of San Francisco; and

Whereas, the Dolores Realty Company, owner of lands adjacent to or fronting on the aforesaid portion of said street so closed and abandoned, has offered to convey or cause to be conveyed to the City and County of San Francisco property for the opening of Sala Terrace and the extension of Ellington avenue, in lieu of such portion of street so closed and abandoned; and

Whereas, said Dolores Realty Company, pursuant to its aforesaid offer, has caused to be made, executed and deliver to said City and County of San Francisco a good and sufficient conveyance vesting in said City and County of San Francisco, for street purposes, the title to the parcels of land as accepted and dedicated by Resolution No. 25274 (New Series); and

Whereas, said new portions of streets so conveyed to the City and County of San Francisco, for street purposes as aforesaid, will and do constitute ample consideration to the City and County for its deed to the portion of said street closed and abandoned as hereinbefore recited and will be of much greater practical value both to the City and County of San Francisco and to the general public; now, therefore, be it

Resolved, That equity requires that the portion of said street closed and abandoned as aforesaid should be conveyed by the City and County of San Francisco to said Dolores Realty Company; and be it

Further Resolved, That the Mayor of the City and County of San Francisco and the Clerk of the Board of Supervisors of the City and County of San Francisco be and they are hereby authorized and directed, acting for and on behalf of said City and County, in its name and under its corporate seal, to execute, acknowledge and deliver to said Dolores Realty Company a deed conveying to said Dolores Realty Company all of the right, title and interest of the City and County of San Francisco, in and to the parcel of

land situate in the City and County of San Francisco, State of California, more particularly described as follows, to-wit:

All that portion of Ellington avenue as closed and abandoned by Resolution No. 25535 (New Series). Be it

Further Resolved, That the Clerk of this Board is hereby directed to advertise this resolution in The Bulletin as required by law.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 25778 (New Series), as follows:

Resolved, That A. E. Hennessy is hereby granted an extension of ninety days' time from and after June 17, 1926, within which to complete the improvement of Arleta avenue between Delta and Elliott streets.

The work is well under way; rough grade, catchbasins, curbs have been constructed.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Welch—16.

Absent—Supervisors Kent, Todd —2.

Also, Resolution No. 25779 (New Series), as follows:

Resolved, That C. B. Eaton is hereby granted the following extensions of time to complete street work:

Ninety days from and after June 24, 1926, to complete the contract for the improvement of Union street between Franklin and Steiner streets. The work is progressing.

Ninety days from and after June 11, 1926, within which to complete the improvement of Douglass street between Twenty-fifth and Twenty-sixth streets. The work is completed with the exception of the covering, and delay has been caused on account of the time necessary to allow the fill placed in this street to settle.

Ninety days from and after June 12, 1926, within which to complete the improvement of the crossing of Arkansas and Twenty-second streets. The work is completed with the exception of the asphaltic covering, and contractor requests this extension in order to keep the contract alive in case of an appeal from the assessment.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Welch—16.

Absent—Supervisors Kent, Todd —2.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 25782 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets at the points hereinafter specified and at the elevations above city base as hereinafter stated, in accordance

with Resolution No. 92112 (Second Series) of the Board of Public Works adopted June 7, 1926, and written recommendation of said Board, filed June 8, 1926, to-wit:

On Castro street between Chenery street and a line at right angles to the easterly line of, at Laidley street southeasterly line.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

Ayes — Supervisors Badaracco, Bath, Colman, Deasy, Gallagher, Harrelson, Havenner, Hayden, Marks, McSheehy, Powers, Roncovieri, Schmidt, Shannon, Stanton, Welch—16.

Street Specifications Ordinance Amendment.

On motion of Supervisor Welch:

Bill No. 7632, Ordinance No. —— (New Series). as follows:

Amending Sections 5, 6 and 7 of Ordinance No. 2201 (New Series), entitled "Regulating the making and refilling of excavations in the public streets, alleys, sidewalks and other public places, and repealing Ordinance No. 658 (New Series) and Ordinance No. 2109 (New Series)."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 5 of Ordinance No. 2201 (New Series), entitled "Regulating the making and refilling of excavations in the public streets, alleys, sidewalks and other public places, and repealing Ordinance No. 658 (New Series) and Ordinance No. 2109 (New Series), is hereby amended so as to read as follows:

"Section 5. In every case the street or thoroughfare so opened or torn up shall be restored by the person, firm or corporation opening or tearing up the same, in the manner and with the material in this ordinance provided, and to as good a condition as it was in before the opening or tearing up thereof.

The person, firm or corporation opening or tearing up any pavement shall assume the full responsibility for all reconstruction and repairs as aforesaid, and shall be subject to the penalties hereinafter provided in case the work of such repairs and reconstruction was not properly performed."

Section 2. Section 6 of said Ordinance No. 2201 (New Series) is hereby amended so as to read as follows:

"Section 6. No trench shall be opened in any graded street or thoroughfare for the purpose of laying pipes or conduits more than six hundred feet in advance of the pipe or conduit placed therein, except in case of emergency and by consent of the Board of Public Works. All such trenches shall be backfilled and the old torn-up pavements (except basalt blocks, cobbles or old concrete) shall be removed from the street, together with the surplus excavated material, within three working days from the time such material is placed upon the street, except by written consent of the Board of Public Works.

In case the street or roadway is paved with broken rock, macadam or basalt blocks, or cobbles, or concrete, on a sand foundation, said pavement shall be restored within three working days from the time the trench was backfilled.

In case the street or thoroughfare is paved with bitumen or asphalt, and a binder course on a block or cobble foundation, or bitumen or asphalt on a concrete foundation, said pavement shall be restored to the same thickness as the original pavement, including the foundation, with asphaltic concrete, commonly known as 'blackbase,' within three working days from the time the trench was backfilled. In case the street or thoroughfare is paved with basalt blocks or paving brick with grouted joints on a concrete foundation, said pavement shall be restored within not less than seven nor more than twelve days from the time the trench was refilled, five of which days are to be allowed for concrete to set and

harden. During the period following the laying of the concrete base to the relaying of the wearing surface such concrete shall be covered with planks and sand flush with the surface of the contiguous pavement.

Whenever any caving occurs in the side walls of any excavation, the pavement above such caving shall be cut away, and in no case shall any void under a pavement be filled by any side or lateral tamping.

In every case the work of repaving over all trenches must commence immediately after said trenches are backfilled, and the work of clearing up the streets is to be considered a part of the repaving work, and shall be finished within the same time allowed in all cases for said repaving and to the satisfaction of the Board of Public Works.

When a street is opened for the purpose of what is known as prospecting, or for the purpose of making repairs or alterations to pipes or conduits, as soon as the work of such repairs and alterations is finished the trench shall be backfilled and pavement restored in the manner and within the time allowed for the restoration of the same kind and character of pavements over main or service trenches.

In every case and at all times the work of removal from the streets of all obstructions, surplus materials and debris or waste matter of every description caused and accumulated by said work of opening and restoring public streets and thoroughfares, shall be kept up jointly with the work of backfilling and repaving either over 'main' or 'service' trenches, and all finished together —or nearly so—and within the time herein allowed in Section 6 of this ordinance, and in all cases the surface of the street shall be restored to as good a condition as it was in before the work of opening commenced.

When any of the work required to be done by Section 6 of this ordinance is necessarily delayed by any strike or strikes, such delay shall be added to the time limits therein prescribed."

Section 3. Section 7 of said Ordinance No. 2201 (New Series) is hereby amended so as to read as follows:

"Section 7. In case the pavement or surface of the street over said openings should become depressed or broken at any time after the work has been completed—natural wear of the surface or improper work of some other person, firm or corporation excepted—the person, firm or corporation for whom the street was opened shall, upon a written notice from the Board of Public Works, immediately proceed to repair and restore said pavement in a proper and workmanlike manner to the satisfaction of said Board of Public Works; and it is hereby expressly declared that the fact that the original work of restoring said pavement or surface was subject to the inspection or inspected by or under the authority of the Board of Public Works, as in this ordinance provided, shall not excuse such person, firm or corporation from the duty and obligation imposed by this section.

In case said pavement is not completely restored within ten days after such notice has been given, and unless delayed by a strike or strikes, or conditions beyond their control, the said Board shall thereupon do the work at the expense of said delinquent person, firm or corporation.

All materials shall be furnished by the party or parties for whom the work is being done, and said material shall be of the best quality, in strict accordance with the City's standard specifications, and all the work shall be performed in a proper and workmanlike manner in compliance with the rules and regulations and to the satisfaction of the Board of Public Works. The person, firm or corporation, during the progress of the work, shall maintain a sign at such excavation bearing the name of such person, firm or corporation."

Section 4. This ordinance shall take effect immediately.

Spur Tract Permit, Crane Company.

On motion of Supervisor Welch:

Bill No. 7633, Ordinance No. —— (New Series), as follows:

Granting permission, revocable at will of the Board of Supervisors, to Crane Company to construct, maintain and operate a spur track on Second street between Brannan and Townsend streets as hereinafter described.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission, revocable at will of the Board of Supervisors of San Francisco, is hereby granted to Crane Company to construct, maintain and operate a spur track on Second street between Brannan and Townsend streets as follows:

Relocate existing track by throwing from position shown dotted yellow to position shown dotted red on blue print, and construct addi-

tional spur, center line of which is described as follows:

Beginning at a point in the center of the existing spur on Second street approximately 270 feet southeasterly from the southeasterly line of Brannan street, said point being approximately 41 feet distant from the southwesterly line of Second street; thence northwesterly on a tangent and curve to the right to a point distant 18 feet northeasterly from the southwesterly line of Second street and approximately 170 feet southeasterly from the southeasterly line of Brannan street; thence northwesterly, parallel to the southwesterly line of Second street, for a distance of 57 feet.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and the provisions and conditions of Section 8 thereof are hereby specifically contained in the permit hereby granted and shall be construed as a part hereof as completely as though the same were written in this ordinance.

Provided, that said spur track shall be laid with girder rail under the supervision and to the lines and grades as furnished by the City Engineer's office and that any and all expense connected with the installation of the track, restoration of the pavement and any additional requirements for the surface drainage to be paid for by the Crane Company; provided, that the Crane Company shall erect and maintain all-night lighted arc lamps to be placed where directed by the Lighting Committee of the Board of Supervisors.

Provided, that the curbs be set back to a line ten feet east of the west property line to allow for the construction of the track as shown on blue print attached to the petition; that all pavement disturbed be restored, and that proper clearances be allowed for in accordance with the requirements of the Railroad Commission.

Section 2. This ordinance shall take effect immediately.

Illegal Prohibition Raids and Arrests.

Supervisor Gallagher presented:

Resolution No. ——— (New Series), as follows:

Whereas, the press has called attention to what is claimed are illegal raids and arrests of citizens in this City and County on charges

surrounding the Eighteenth Amendment to the Constitution of the United States of America, and the so-called Wright Act; and

Whereas, it is stated that this practice is being continued, the particular area under criticism being the police district known as the Harbor Police Station; and

Whereas, because of our confidence in Chief of Police Daniel J. O'Brien, our faith in his judgment and our further feeling and belief that he, like ourselves holds sacred the constitutional rights of all of our people; therefore, be it

Resolved, That in consonance with oft repeated statements and rumors and with a desire to find out what is the situation existing, but with no desire to interfere with the jurisdiction of the police officials, and to protect the rights of all citizens, the Police Committee is directed to commence an investigation and at the earliest date to report the facts in the premises. And be it

Further Resolved, That if this Board finds the press reports to be fact, charges shall be preferred before the proper tribunal to remove from office any public official guilty of violating any constitutional right guaranteed under the Constitution.

Entertainment of Editors and Publishers' Convention.

Supervisor Kent presented:

Resolution No. 25790 (New Series), as follows:

Whereas, a large delegation of owners, publishers and editors of newspapers published throughout the United States are making a tour of the country and will arrive in San Francisco on or about July 28th and will be our guests for a period of three or four days; and

Whereas, it is of the utmost importance and will prove of inestimable value to our city if these distinguished visitors are given every facility to acquaint themselves with our resources and natural advantages and particularly that they be favorably impressed with the proverbial hospitality of our people; and

Whereas, the memories and impressions of their stay among us will be reflected in the reports which they will make to their respective communities through their home papers, thus proving of incalculable benefit to the city from an advertising standpoint; therefore, be it

Resolved, That his Honor the Mayor be authorized to appoint a committee of citizens to arrange for the reception and entertainment of these distinguished visitors; and be it

Further Resolved, That the Public Welfare and Publicity Committee be and it is hereby authorized to spend the sum of $1,500 in providing for their proper reception and entertainment.

Adopted by the following vote:

Bridge Hearings.

Supervisor Welch presented:

Resolution No. 25791 (New Series), as follows:

Whereas, the result of years of incessant labor on the part of the Committee on Streets and Commercial Development of this Board to connect the City of San Francisco with the interior of the State by a comprehensive system of bridges and highways has been fruitful and it is conclusive that a physical connection can and will be built connecting San Francisco with Alameda County; and

Whereas, there are now pending before this Board of Supervisors eleven different petitions for a franchise to build a bridge or a combination of bridge and tube; and

Whereas, said franchise grant will bring a revenue and benefit to the City commensurate with the care and discretion exercised in granting the same; therefore,

Resolved, That the Streets and Commercial Development Committee be instructed to make all necessary arrangements as to notices and open hearings in order that the fullest publicity may be given the petitioners, the press and to the public, with the end in view that a physical connection, when and where built, will bring the maximum benefit to San Francisco.

Supervisor Welch relinquished the chair in favor of Supervisor Hayden, who was called upon to preside.

Motions.

Supervisor Badaracco moved that the resolution be referred to the Joint Committee on Public Utilities, Streets and Commercial Development.

Supervisor Welch moved as an amendment to the amendment that the resolution be referred to the Joint Committee on Finance, Public Utilities, Streets and Commercial Development.

Supervisor Marks moved as a substitute for the whole that the three latter mentioned committees, Finance, Public Utilities, Streets and Commercial Development be in-

serted in the resolution and that the same be adopted as so amended.

Motion *carried* and resolution *adopted* by the following vote:

San Francisco, June 18, 1926.

United States Senators Shortridge and Hiram W. Johnson, Washington, D. C.

The following telegram tonight to Secretary of War. Will you please at the request of Board of Supervisors give this personal attention and help to get early decision?

"Secretary of War, Washington, D. C.

Board of Supervisors respectfully wishes to inquire if an approximate date can be made when the engineers of the War Department will decide on applications for permission to bridge the bay. Reference made to letter of Chief Engineer, stating that matter would be given prompt consideration when District Engineer's report arrives at headquarters. Board of Supervisors under statute have this matter on its calendar Monday, June 21, 1926, and legal questions involved prompt this respectful inquiry as to when department at Washington will make decision on request to change ruling on bridges over San Francisco Bay. Because of the public interest in this matter Supervisors desire to proceed at earliest date possible. Answer by wire will be appreciated.

J. S. DUNNIGAN,
Clerk Board of Supervisors."

Application of Edward A. Bertram, C. E.

Berkeley, Calif., June 21, 1926.

To the Honorable Board of Supervisors of the City and County of San Francisco, State of California.

Gentlemen:

Edward A. Bertram, civil engineer, of Berkeley, California, presents his application for a franchise and authority to construct, maintain and operate a toll bridge across the waters of San Francisco Bay, dividing the counties of San Francisco and Alameda in a north-south direction of said bay, and proponent shows that he is a New York State

licensed professional engineer, having given satisfactory evidence to the University of the State of New York that he has the qualifications as required by law to practice professional engineering, as shown on his license granted by the University of the State of New York, dated September 18, 1923, and that proponent is fully experienced and competent to enter upon and conduct and supervise the technical engineering work required for the construction, maintenance and operation of "The San Francisco Bay Bridge," the detailed description of which is given in the attached sheets Nos. 1, 2, 3, 4 and 5 and the location of which is shown, as well as the type of design represented on the attached blue prints Nos. 1, 2, 3 and 4, both the description and blue prints to be part of this application for franchise, etc.

Together with two clippings, notices of application published in local newspapers, four blue prints and four pages of descriptive matter entitled "San Francisco Bay Bridge proposed by Edward A. Bertram, C. E., 1152 Colusa avenue, Berkeley, California."
